What's Left of Us Sep 19 2019 "Blunt and honest. . .A stunning piece of work." --T.J. English "Deeply moving. . .What's Left of Us is a rush of blood to the head and heart, the kind only true art can deliver." --Andre Dubus "An amazing story not just of survival, but redemption." --Mary McGarry Morris Richie Farrell grew up in a working-class Irish neighborhood in Massachusetts. To overcome a birth defect, his father pushed him to become a star athlete, grooming him for Notre Dame. Sometimes, he would use a belt as a learning tool. Once, he used an electric carving knife. . . The headline read Crippled at Birth: Farrell Now Grid Star. A month later, I tore up my knee and fell in love with pain medication. By time he was thirty, Richie was a heroin addict, stealing from friends, shooting up during visits to his children, living in abandoned mill buildings, running from the shameful secrets of his family. Hopeless and in pain, he attempted suicide. When that failed, he was ordered to detox. He looked at me. "Be honest," he said, "or you'll be on the street in 15 minutes. Jail, death, or honesty. You choose." In this harrowing, astounding memoir, Richard Farrell chronicles a life of desperation, violence, lies--and the pure oblivion of heroin. A gritty, hauntingly written tale of a descent into hell and a slow, uncertain climb out of it, *What's Left Of Us* is a true story of redemption: of how low a man can get, and how hard he must fight to escape a shattered life. . . "[Farrell] carries you on this rollercoaster ride of ugliness and beauty. Don't miss it." --Phyllis Karas Richard Farrell is an author, filmmaker, teacher, journalist, and adjunct professor of English at the University of Massachusetts in Lowell. His documentary, *High on Crack Street*, was aired on HBO and received Columbia University's duPont Award. He is the co-author of *A Criminal and an Irishman: The Inside Story of the Mob-IRA Connection*. He is the screenwriter for the upcoming film *The Fighter*, and makes his home in Milford, New Hampshire.

Fade Feb 17 2022 Cara Kelly should have left the faery realm now that it has a king to rule all, but nothing is that simple. The real king is trapped in the Fade, and Cara's journey is just beginning. Guilt-ridden by the fact Brendan's soul was sacrificed for hers, she's determined not to desert him after his one pure act of goodness. Time is running out; even if she makes it past all of the dangers of the Darkside, a shade might await her in the Fade. Running from enemy and friends alike, she sets out on a path that will lead headfirst into danger. Even if Cara makes it to the Fade, even if a goddess watches over her, she doesn't trust all of her companions, she still has to find a way home, and freeing Brendan could cause a war between the two faeries she cares about. And all the while, Chaos grows unchecked. Keywords: Fae, Faery, Dark Fantasy, Paranormal, Irish Fae, Irish Fiction, Young Adult, New Adult, Urban Fantasy

Usurper Jun 21 2022 It's been a year since Cara returned to the human realm with her daughter, and the fae have come knocking again. The game of kings is still being played, power is the ultimate prize, and Scarlet is an asset every court wishes to acquire. As Sadler's next move is revealed to be his deadliest yet, and Scarlet's burgeoning powers begin to develop into something that can't be hidden, Cara realises that something more significant than a faery promise is needed to protect her family. It's time for her to build on what she started in Sadler's court. But although the game is seductive, the price of winning might be too costly for a human to pay. Sacrifice Jan 16 2022 As a king's life hangs in the balance, alliances are made then broken. Only trickery can help Cara protect those she cares about, but when her enemies show their true face, she realises the truth: every distraction feeds Chaos. Cara's not the only one searching for a legendary treasure, not the only one reaching for power. The journey's not over, but at the end of every path lies Sacrifice.

A Bibliography of James T. Farrell's Writings, 1921-1957 Jan 24 2020 "I need an audience—so watch out!"

With these James T. Farrell announced his intention of becoming a writer. He was to realize this ambition in manifold ways through his prolificacy, versatility, and his achieved recognition as a formidable figure in American literature. The material contained in this book grew out of initial research for a critical study which disclosed the chaotic state of Farrell's literary affairs and the urgent need for a bibliography. The task was not to be an easy one, for many of Farrell's writings were printed in obscure publications both in the United States and abroad. Edgar M. Branch has ferreted out, producing his compilation with enthusiasm and accuracy. This book is a definitive guide to Farrell's writings published in newspapers, magazines, pamphlets, and books, from the time of his highschool days through 1957. It includes both the fiction (novels, short stories, one poem, and one play) and the nonfiction (essays, articles, statements, manifestoes, newspaper columns, etc.), and in many cases descriptions of these writings are appended when deemed necessary. As a further aid to students and researchers, Branch has listed many reprints and dates of writing for the individual short stories and has provided two appendices giving foreign editions of books and tape recordings of unpublished speeches. This detailed bibliography, the first on Farrell ever printed, is supplemented by a preface by Farrell and a foreword by the author. Edgar Branch has directed his attention to the more inaccessible of Farrell's writings and to the clarification of the voluminous abundance of written material that Farrell has produced. Through this book it is possible to trace Farrell's fluctuating status as a writer, his shifting position among editors, critics, and readers. The data included other clues to the evolution and growth of his ideas and relationships with his contemporaries, providing insight into his changing political affiliations and the motivation and development of his fiction. *A Bibliography of James T. Farrell's Writings* will be a valuable practical aid to scholars and students of literature and Americana, for it makes available a scholarly compilation of the extensive list of writings by one of America's most distinguished and controversial contemporary writers.

Chaos Volume 2 Jul 10 2021 Books 4-6 in the Chaos series (including bonus novella, Kings). Usurper It's been a year since Cara returned to the human realm with her daughter, and the fae have come knocking again. The game of kings is still being played, power is the ultimate prize, and Scarlet is an asset every court wishes to acquire. As Sadler's next move is revealed to be his deadliest yet, and Scarlet's burgeoning powers begin to develop into something that can't be hidden, Cara realises that something more significant than a faery promise is needed to protect her family. It's time for her to build on what she started in Sadler's court. But although the game is seductive, the price of winning might be too costly for a human to pay. Blight As the blight spreads, destroying the land, Cara's new subjects turn on her, and Brendan and Drake are no longer there to help her. The Darksiders thought she'd be pliable, or maybe even a miracle-worker, and it's not as easy to scrub away Sadler's influence as she thought. But Scarlet isn't her only priority any more, and once the ceremony to swear her in as regent is done, it'll be time for Cara to join forces with the kings, find a way to stop the blight, and prove to the fae that she can be the leader they need. It took a Darksider to steal the throne; it'll take a faery queen to keep it. Kings Set between books five and six in the Chaos series, Kings is a brief look into the lives of Drake and Brendan. After sealing the rift, Drake hears word of his wife's sickness only to find that the cause is exactly what unites his enemies against him. Brendan's journey across unexplored waters is only beginning, and if he finds what he's looking for, he'll owe a determined woman a throne by his side. But can he do it? Whatever course of action is taken next, they will change their world. Sacrifice As a king's life hangs in the balance, alliances are made then broken. Only trickery can help Cara protect those she cares about, but when her enemies show their true face, she realises the truth: every distraction feeds Chaos. Cara's not the only one searching for a legendary treasure, not the only one reaching for power. The journey's not over, but at the end of every path lies Sacrifice.

Cursed Complete Edition Mar 18 2022 The complete Cursed series. Includes: Verity Clarity Adversity Purity Verity: Sixteen-year-old Perdita Rivers has spent her entire sheltered life being told what to do. Lately, she's felt ready for a change, and the universe seems to agree. Her new best friend's brother is the boy of Perdita's dreams. Literally. Even though he plays hot and cold, she's sure there's more to it, but she's kind of distracted by the sense she's being followed - not to mention the rumours of wild animal sightings that seem to mean more to her new crush's family than they should. Perdy's on a mission to find the truth, but maybe the truth is the danger she should hide from, after all. Clarity Perdita's still dealing with the consequences of her actions when her enemies change their targets with no warning, but it's the unexpected betrayal of those closest to her that hurts the most. When her world shifts beneath her, Perdy has to figure out how to stay standing without losing any more of herself to the werewolves. Nathan's watching everyone pull away from him, but he can't control his destiny. He's trying to protect his loved ones, but something always seems to get in the way. A public attack has everyone talking about wolves, and all eyes are on his family. His grandfather has lost his mind, and Nathan's caught in the crossfire, but all of his choices will cost him a sacrifice. One way or another. Nobody's watching Amelia... Big mistake. Adversity: Kali is the seventh of seventh, both blessed and cursed. With a father willing to sell her, and a life already mapped out for her, she's desperate for an escape. But her

way out can only come from the most unavailable person she knows, and stealing happiness comes with a price that many generations will bear. Amelia's haunted by disturbingly vivid dreams about a gypsy girl but ignored by everyone else in her life. She's desperate to prove herself. To show everyone she can help. So when her brother and best friend display the influence of the curse on their free will—or lack of it—and a spirit warns of Perdita's fast approaching death, she knows she has to do something. Yet she can't ignore that something huge is happening to her too, and her journey leads her back to where it all began, but not everyone wants her help, after all. Purity: Perdita's life has gone back to normal in all of the worst ways, while Nathan doesn't even recognise himself anymore. Still, they're both trying to make do the best way they know how. But when they finally catch sight of that flicker of light at the end of the tunnel, Vin plays his final, most deadly, hand.

Firestarter Jul 30 2020 Margo will protect those around her from death, even if it kills her. Dorian will do anything to stop her. A series of accidents send both their lives spinning out of control. Together, they can restore order, but at what price?

Soul Apr 07 2021 A novel inspired by the short story collection, *One Night with the Fae*. Soul is the first in a brand new series by Claire Farrell. Cara Kelly's life is going nowhere when she's lured to a faery festival. There she sees darkness and magic, madness and lust, and she comes out the other side with new eyes and an addiction to the fae. When the faery who saved her life returns to her, Cara knows there's something wrong. Two souls exist in one body, and both need her, but to help one, she'll end the life of the other. At first, her mind is made up, but both souls know how to charm her. As the days pass, it becomes clear that the faeries need a leader, and Cara finds herself sucked into a world where morals don't exist. The truth of her past is hidden in the magic, but all Cara needs to do is survive the king's coronation, then the fae will let her go forever. But that's not what she wants anymore, and it's getting harder and harder to tell the difference between a king and a half-blooded solitary fae. Cara's losing her way, and her heart, to the fae, but there's still her life, and her humanity, left to lose. Uprising Dec 15 2021 The final three books in the original Ava Delaney series: Taken, Taste, and Traitor. An urban fantasy adventure. Taken: It's been months since Ava fooled the British vampires and dealt with Becca for good, but although life has been easier, it's not without its problems. Her deal with the twins is physically harming her, Peter's grasp on his sanity is tentative to say the least, Carl is struggling, and Esther is losing her edge. Ava's been asking too many questions in an attempt to fulfil her various deals, but her persistence turns out to be the biggest problem. She's not the only one asking questions, but somebody wants her to stop, and finding out who's in charge is a lot harder than taking care of her new houseguest. To survive on her own terms, Ava must take control of her own destiny for a change. That might involve swallowing her pride and accepting help from those she doesn't trust because there are new foes on the horizon, and the number of people needing her protection keeps on increasing. Taste: Someone is hunting down the people she's promised to protect, but Ava's taste for battle is slowly disappearing. She's losing the people in her life, one by one, and without them, her inner light can only weaken. Effective Conservation Science Feb 23 2020 This edited volume assembles some of the most intriguing voices in modern conservation biology. Collectively they highlight many of the most challenging questions being asked in conservation science today, each of which will benefit from new experiments, new data, and new analyses. The book's principal aim is to inspire readers to tackle these uncomfortable issues head-on. A second goal is to be reflective and consider how the field has reacted to challenges, and to what extent these challenges advance conservation science. A concluding chapter will synthesize common themes that emerge from the experiences of the authors in these debates and discuss how best to guard against confirmation bias. The hope is that this book will lead to greater conservation of ecosystems and biodiversity by harnessing the engine of constructive scientific scepticism in service of better results.--

Tainted Sep 12 2021 ~Best read after the original Ava Delaney series~ The backdrop may be grim, but Dublin city has become the centre of change. And as the humans and supernaturals figure out how to live in each other's worlds, the person who forced that change has quietly stepped aside for a peaceful life. Ava Delaney is still trying to adjust to her own altered existence when a tainted nephilim turns up on her doorstep, apparently on the run from the monster who changed Ava's life before she was even born. But she's not supposed to interfere, even for the lost souls she's vowed to help. But as the first vampire leaves death in his wake, and Ava becomes an easy target to blame, she realises she has to take care of business once again. There are more secrets hidden in the shadows, more voices just waiting to be heard, and obedience has never been Ava's thing. Only one thing is for certain: for people like Ava Delaney, there's no such thing as a peaceful life. *Check out the original Ava Delaney series, starting with a free novella, Thirst* Keywords: Ava Delaney, urban fantasy, paranormal, Irish fiction, vampires, nephilim, fae, angels

Ava Delaney is still trying to adjust to her own altered existence when a tainted nephilim turns up on her doorstep, apparently on the run from the monster who changed Ava's life before she was even born. But she's not supposed to interfere, even for the lost souls she's vowed to help. But as the first vampire leaves death in his wake, and Ava becomes an easy target to blame, she realises she has to take care of business once again. There are more secrets hidden in the shadows, more voices just waiting to be heard, and obedience has never been Ava's thing. Only one thing is for certain: for people like Ava Delaney, there's no such thing as a peaceful life. Tethers: Ava's been

protecting her shifter friend from the alpha for months, but now he's managed to come up with a brand new excuse to take Esther, and the Senate have turned their backs on her completely. While Ava works to find a way to keep Esther out of Mac's reach for good, a series of violent murders put everyone in the cul-de-sac under suspicion. An entire race will be exterminated the real culprits aren't found, and people like Ava just might be next on the soon-to-be-extinct list. Tithes: Ava's been trying to help her past and her future co-exist, but when it all goes wrong, she's barely able to take a breath when the next drama begins, and she begins to wonder about her string of bad luck. Tensions are already running high when evidence of slavery appears on Ava's doorstep, quickly followed by an unwelcome blast from the past with news that forces her to rethink where her trust lies. The only thing Ava knows for sure is that it's time to finish cleaning up the mess that started with Fionnuala because bad luck is catching, and everyone she cares about is affected.

Thirst Aug 23 2022 Ava Delaney #1 Ava Delaney calls herself a hybrid - a living, breathing human who happens to have vampire poison running through her veins. The only thing greater than her thirst for human blood is her capacity for guilt. She does her best to avoid the human world, for everyone's sake. When Ava accidentally enslaves a human while saving him from a vampire, she realises she has to look for help setting him free. Despite her misgivings, she expands her world but finds herself dragged into a possible vampire civil war. With the help of some new friends with ambiguous loyalties, she tries to find a way to keep her human, and herself, alive. At approx. 45,000 words, **Thirst** is the first in a 6-book urban fantasy series. Now comes with preview chapters of **Taunt** (Ava Delaney #2).
