*The Painted Closet of Lady Anne Bacon Drury* Jan 29 2020 Lady Anne Bacon Drury (1572-1624) was the granddaughter and niece of two of England's Lord Keepers of the Great Seal, Sir Nicholas Bacon and Sir Francis Bacon. Lady Anne was also the friend and patroness of John Donne and Joseph Hall; however, she deserves to be remembered in her own right. Within her massive country house, Lady Anne created a tiny painted room that she seems to have used as a kind of three-dimensional book. The walls consisted of panels of pictures and mottoes, grouped under Latin sentences. These panels can still be viewed in a Suffolk museum: Christchurch Mansion in Ipswich. Some panels point to classical and Biblical sources, and to popular emblem books. The sources of other panels are more recondite, while still others are original compositions by Lady Anne. The panels exhibit a contemptus mundi theme and reflect a struggle with ambition, pride, and even despair. Some panels also appear to register carefully veiled but pointed critiques of political and religious events and figures. Lady Anne's painted closet or 'architext' is thus relevant to a wide range of early modern scholarship in various disciplines but is as yet largely unappreciated. For the first time in four hundred years, this book fully describes the closet and places it in its personal, social, intellectual, and aesthetic contexts. It argues for the painted closet's importance for understanding early modern conceptualizations of private and public spaces, and for illuminating fundamental early modern habits of seeing and reading (especially combinations of text and image). Finally, this book explores the closet as an example of the ingenious ways in which female subjectivity found ways to express itself even within the constraints of early modern patriarchal society in England.

*Anne Francis* May 03 2020 This first-ever biography of American actress Anne Francis will enlighten her casual fans and earn a nod of agreement from her diehard admirers. The star of such 1950s cinematic classics as *Bad Day at Black Rock*, *Blackboard Jungle* and *Forbidden Planet*, Anne made the risky decision to transplant her talents to television—and as a result, her acting has often been taken for granted. But TV supplied her with the groundbreaking title role in *Honey West* (1965–66), where she became the first leading actress to portray a private detective on a regular weekly series. All of Anne Francis' film and television appearances are chronicled, including a full episode guide for *Honey West* and a complete listing of her guest roles on such series as *The Twilight Zone*, *The Untouchables* and *Murder, She Wrote*.

*Stitches* Aug 30 2022 What do we do when life lurches out of balance? How can we reconnect to one another and to what's sustaining, when evil and catastrophe seem inescapable? These questions lie at the heart of *Stitches*, Anne Lamott's follow-up to her New York Times-bestselling work, *Help, Thanks, Wow*. In this book, she explores how we find meaning and peace in these loud and frantic times; where we start again after personal and public devastation; how we recapture wholeness after loss; and how we locate our true identities in this frazzled age. We begin, Lamott says, by collecting the ripped sheets of our emotional and spiritual fabric and sewing them back together - one stitch at a time. It's in these stitches that the quilt of life begins, and embedded in them are strength, warmth, humour and humanity.

*The Diary of a Young Girl* Jun 23 2019 THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank’s remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary’s first publication with a new introduction by Nobel Prize–winner Nadia Murad “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
