The Comprehension of the Holy Spirit within the Human Condition Feb 17 2022 The force of the Holy Spirit is coming. Are you ready? The spiritual forces within the self have been neglected, causing a lot of difficulty. In this series of channelings from the Spirit of Space and Gabriel et al. through Arthur Fanning, you'll learn how to acknowledge, respect, and make the most of these spiritual forces as you continue to work toward ascension. Read about how the forty-nine personalities in your chakras are unifying. Discover the importance of your birth name and date and how to use them to develop harmonics, receive memories, and reveal your divine purpose! Understand why it's essential to appreciate the many intricate parts and functions of your human body.

The 13 Most Important Bible Lessons for Teenagers Nov 02 2020 Students who've experienced the Bible's great truths, not just read about them, can walk through their lives with a firm foundation under their feet. They know what they believe and why, and they feel a lot more comfortable in situations that are challenging to their faith. This collection of lessons covering the most important truths in the Bible gives you an easy-to-use resource that will plunge your teenagers into the beautiful basics: the reality of God in the world, the truth about who Jesus really is, and why all of us need a "Good Shepherd" to find us and reclaim us...13 powerhouse lessons in all. And because they're created by the editors of Group/Simply Youth Ministry, every lesson uses the R.E.A.L. learning approach--Relational, Experiential, Applicable, and Learner-based. This approach is not only easy to lead, but also guarantees that your students will engage with these great truths. They'll learn how to live out their relationship with Jesus in their everyday lives as they wrestle with issues that really matter... * Why bad things happen to good people, and how Jesus brings beauty out of ugly; * What it means to "grow into" Jesus--living and loving others the way he does; and * Learning how to depend upon the Holy Spirit in life. No matter what the life issue, the Bible offers foundational truths that can help your students live more confidently with a deeper ongoing connection to Jesus. And our concise instructions and easy-to-use reproducible handouts make your job easy. Use these lessons as "spice" in between a teaching series, or build a series around them. Also, they're easily adapted for a confirmation setting, a "new believers" class, a "grow-deep" discipleship group, or even Sunday school.

Research Methods in Child Welfare Dec 03 2020 Social service agencies are facing the same expectations in quality management and outcomes as private companies, compelling staff members and researchers to provide and interpret valid and useful research to stakeholders at all levels in the field. Child welfare agencies are particularly scrutinized. In this textbook, two highly experienced researchers offer the best techniques for conducting sound research in the field. Covering not only the methodological challenges but also the real-life constraints of research in child welfare settings, Amy J. L. Baker and Benjamin J. Charvat present a volume that can be used both for general research methods and as a practical guide for conducting research in the field of child welfare. Baker and Charvat devote an entire chapter to ethical issues involved in researching children and their families and the limits of confidentiality within this population. They weave a discussion of ethics throughout the book, and each chapter begins with a scenario that presents a question or problem to work through, enabling readers to fully grasp the methods in the context of a specific setting or area of concern. Special sections concentrate on the value of continuous quality-improvement activities, which enable the collection and analysis of data outside of the strictures of publishable research, and the implementation of program evaluations, which can be helpful in obtaining further research and programmatic funding.

Guidelines for Leading Your Congregation 2013-2016 (Set of 26) Nov 21 2019 The Guidelines' booklets, one for each ministry area, are tools that enable you to help get new lay leaders off to a good start. Each booklet includes the basic "job description" for the leader as well as practical "how-to" information important to implementing ministry effectively. Brief and to the point for the busy, but spirit-led leader, these Guidelines take some of the unknown out of leading these ministry areas. One booklet for each title makes up this set of 26 Guidelines, perfect for making them available to all church members. The twenty-six Guidelines, one for each ministry area, cover church leadership areas including Church Council and Small Membership Church; the administrative areas of Finance and Trustees; and ministry areas focused on nurture, outreach, and witness including Worship, Evangelism, Stewardship, and Christian Education, age-level ministries, Communications, and more. The download file of a product is copyrighted just as a print resource is copyrighted. In the case of the Guidelines Set of 26, the purchaser can extract one copy of each booklet for an individual to use. (For example, one copy can be extracted for the chair of the stewardship committee; one for the person responsible for adult ministries; one for the lay leader). Additional copies are purchased separately as needed. Download files for each individual booklet are sold separately, just as print copies of the booklets are sold separately.

The Student Leadership Training Manual for Youth Workers Oct 01 2020 As profound, as relevant, as funny as you are . . . teenagers still listen to each other more than to an adult youth worker. You may grimace, but you can't deny it--students talking to each other usually means more to them than adults talking to them. The Student Leadership Training Manual helps you equip your senior highers for leading their peers and taking charge of as much of the ministry as they want or are able--helping and evangelizing their peers . . . organizing ministry teams . . . planning and executing their own youth ministry programming. Here are 31 training sessions for discipling student leaders in a small-group setting--sessions that start in the Bible and reach deep into teenagers' experience . . . ready for you to implement a clear and effective program that trains your students for higher levels of leadership, regardless of where they are now. Plus 24 pages just for you, a veritable primer on how to cultivate student leadership: The role of adults Authority vs. responsibility Setting student leaders up for success Teaching students not just the whats, but the whys and hows Helping them discover their spiritual giftedness Perfect for youth workers, CE directors, associate pastors, and small-group leaders--anyone who works with a youth group's core kids.
