Finding Is the First Act Jun 21 2022 An imaginative and illuminating study, *Finding Is the First Act* places historical thinking in creative tension with literary appreciation. The structures of Jesus's parable of the hidden treasure (Matt 13:44) are examined by mapping its plot options (finding, acting, buying) in view of other Jewish treasure stories and the vast array of treasure plots in world folklore. Startling differences emerge in the plot options chosen by Jesus that point to a new understanding of the directive to give up all one has for the Kingdom of God. Why Jesus' treasure parable? For three reasons that I am aware of. First, . . . the story has always fascinated me. . . . Second, in recent work on parables there has often been a tendency to concentrate especially on the longer parables of Jesus. I wanted deliberately to move in the opposite direction and to give full emphasis to a very short parable Third, this particular parable, in contrast, for example, to that of The Mustard Seed, does not furnish much grist for the diachronic mill of biblical studies. I was deliberately choosing an item which, in isolation from its Matthean context, could hardly sustain a monograph study along the standard lines of tradition criticism. --from the Preface

Why focusing on the wrong answers can be just as important as finding the right one...and how to do it effectively... Whitewalling Nov 14 2021 In 2017, the Whitney Biennial included a painting by a white artist, Dana Schutz, of the lynched body of a young black child, Emmett Till. In 1979, anger brewed over a show at New York's Artists Space entitled *The Nigger Drawings*. In 1969, the Metropolitan Museum of Art's exhibition *Harlem on My Mind* did not include a single work by a black artist. In all three cases, black artists and writers and their allies organized vigorous responses using the only forum available to them: public protest. *Whitewalling: Art, Race & Protest in 3 Acts* reflects on these three incidents in the long and troubled history of art and race in America. It lays bare how the art world--no less than the country at large--has persistently struggled with the politics of race, and the ways this struggle has influenced how museums, curators and artists wrestle with notions of free speech and the specter of censorship. *Whitewalling* takes a critical and intimate look at these three "acts" in the history of the American art scene and asks: when we speak of artistic freedom and the freedom of speech, who, exactly, is free to speak? Aruna D'Souza writes about modern and contemporary art, food and culture; intersectional feminisms and other forms of politics; how museums shape our views of each other and the world; and books. Her work appears regularly in *4Columns.org*, where she is a member of the editorial advisory board, as well as in publications including the *Wall Street Journal*, *ARTnews*, *Garage*, *Bookforum*, *Momus* and *Art Practical*. D'Souza is the editor of the forthcoming *Making it Modern: A Linda Nochlin Reader*.

_____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

Nineteen Eighty-Four Dec 23 2019 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

The Humans are in shackles. The Elves are in exile. And we, Io's proud Majiski battle-mages, are standing at extinction's edge. The mighty Grey Wall has sealed us all inside the Demons' cruelty...and after a hundred long years, the world beyond is all but forgotten. The Genshwin are all that remain of the Majiski: just a few hundred survivors sequestered in an underground fortress—masters of shadow and steel. In secret, they work against the Dominion. But how much can three hundred Majiski really expect to accomplish? Especially when their Patriarch is keeping more secrets than the Demons themselves. Racath Thanjel is the best the Genshwin have to offer. He's young, fast, strong, and brilliant...and constantly at odds with his Patriarch's rules of discretion. But something's changed. Soon, Racath finds himself swept up into a spider web of conspiracies, lost knowledge, and the prophetic pages of ancient scripture. And now, all his hopes depend upon a girl with golden hair, an aging Majiski warrior, and a sword wrought by God Himself....

The First Act of Creation Jul 22 2022 The First Act of Creation lyrically and contemplatively explores the mystery of our existence and the beauty of humanity in light of the incarnation. The Nutshell Technique May 28 2020 Veteran script consultant Jill Chamberlain discovered in her work that an astounding 99 percent of first-time screenwriters don't know how to tell a story. These writers may know how to format a script, write snappy dialogue, and set a scene. They may have interesting characters and perhaps some clever plot devices. But, invariably, while they may have the kernel of a good idea for a screenplay, they fail to tell a story. What the 99 percent do instead is present a situation. In order to explain the difference, Chamberlain created the Nutshell Technique, a method whereby writers identify eight dynamic, interconnected elements that are required to successfully tell a story. Now, for the first time, Chamberlain presents her unique method

in book form with *The Nutshell Technique: Crack the Secret of Successful Screenwriting*. Using easy-to-follow diagrams (“nutshells”), she thoroughly explains how the Nutshell Technique can make or break a film script. Chamberlain takes readers step-by-step through thirty classic and contemporary movies, showing how such dissimilar screenplays as *Casablanca*, *Chinatown*, *Pulp Fiction*, *The Usual Suspects*, *Little Miss Sunshine*, *Juno*, *Silver Linings Playbook*, and *Argo* all have the same system working behind the scenes, and she teaches readers exactly how to apply these principles to their own screenwriting. Learn the Nutshell Technique, and you’ll discover how to turn a mere situation into a truly compelling screenplay story.

The American Thomistic Revival in the Philosophical Papers of R.J. Henle, S.J. Dec 03 2020 Though Fr. Henle describes his book as simply a collection of his past philosophical publications that he deemed of some importance and some value to which he has added some updating editorial comments, Dr. Ralph McInerny of Notre Dame, in his Foreword, places Fr. Henle and his works such as these essays high in the Catholic thomistic revival that followed Leo XIII’s encyclical *Aeterni Patris* in 1879. For those who have known Fr. Henle and his work over the years, this book is valuable and convenient record and reminder; for those for whom this is an introduction, it provides new insight into a seminal mind.

The First Step Act Oct 25 2022 This book contains the criminal justice reform bill that the Senate passed on 18 December 2018. Titled "The First Step Act," it is the biggest change to the federal criminal justice system in decades. Thousands of federal prison inmates will benefit from the new law. Bear in mind that it only affects the federal criminal justice system, not the state and local systems. It slightly pulls back punitive mandatory minimum sentences and allows judges to give lower sentences in some circumstances, and relaxing a "three strikes" law to give 25 years instead of life in prison. It makes 2010 crack sentencing reforms retroactive. It also expands "good time credits" that well-behaved inmates can use to get out of prison a little earlier and creates "earned time credits" that encourage inmates to take part in rehabilitative programs for an earlier release. Why buy a book you can download for free? We print this book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. We look over each document carefully and replace poor quality images by going back to the original source document. We proof each document to make sure it's all there - including all changes. If you find a good copy, you could print it using a network printer you share with 100 other people (typically it's either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the latest version from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these large documents as a service so you don't have to. Earning Freedom! Mar 06 2021 Michael Santos helps audiences understand how to overcome the struggle of a lengthy prison term. Readers get to experience the mindset of a 23-year-old young man that goes into prison at the start of America's War on Drugs. They see how decisions that Santos made at different stages in the journey opened opportunities for a life of growth, fulfillment, and meaning. Santos tells the story in three sections: *Veni, Vidi, Vici*. In the first section of the book, we see the challenges of the arrest, the reflections while in jail, the criminal trial, and the imposition of a 45-year prison term. In the second section of the book, we learn how Santos opened opportunities to grow. By writing letters to universities, he found his way into a college program. After earning an undergraduate degree, he pursued a master's degree. After earning a master's degree, he began work toward a doctorate degree. When authorities blocked his pathway to complete his formal education, Santos shifted his energy to publishing and creating business opportunities from inside of prison boundaries. In the final section, we learn how Santos relied upon critical-thinking skills to position himself for a successful journey inside. He nurtured a relationship with Carole and married her inside of a prison visiting room. Then, he began building businesses that would allow him to return to society strong, with his dignity intact. Through *Earning Freedom!* readers learn how to overcome struggles and challenges. At any time, we can recalibrate, we can begin working toward a better life. Santos served 9,135 days in prison, and another 365 days in a halfway house before concluding 26 years as a federal prisoner. Through his various websites, he

continues to document how the decisions he made in prison put him on a pathway to succeed upon release.

The First Step Act of 2018 and Prison Reform Oct 13 2021 Federal Sentencing Alliance is pleased to provide you with an analysis of recidivism reduction programs and productive activities that many federal inmates may engage in full time to earn prison time credits for earlier release under The First Step Act Of 2018. The First Step Act Of 2018 is also included in this publication, as reformatted in an easy to read text. Time credits are earned from participation and successful completion of recidivism reduction programs and/or many other productive activities, while incarcerated in the federal Bureau Of Prisons. The primary focus of this publication relates to "how to" identify (evidence based) recidivism reduction programs; and "how to" earn recidivism reduction program time credits and/or productive activity time credits, for inmates that otherwise qualify to participate in these programs and activities. (Inmates serving sentences imposed as a result of being convicted of offenses ineligible for earned time credits are found at 18 U. S. Code § 3632 (d)(D)(2019). Inmates convicted of those enumerated offenses do not qualify for participation in the early release time credit programs that are the subjects of this book. Inmates are encouraged to look at the disqualification list to ensure their own qualification for these programs.) The types of programs an inmate can participate in for earned time credits is dependent upon the results of an initial recidivism risk and needs assessment to be completed after July 19, 2019; and how they score on that assessment initially. For those inmates that achieve a low or minimal recidivism risk assessment, engaging in productive activities will result in earned time credits. For those that are assessed moderate or higher risk of recidivism, time credits can be earned through participation in recidivism reduction programs offered at the facility. It is likely that various programs will be initially available at various Bureau Of Prison facilities at different times during the implementation process. This book details six separate evidence based recidivism reductions programs widely in use in United States Prison Systems at the time of this publication. The purpose of this book is to wade through and clarify the earned time credit provisions of the First Step Act Of 2018, and to foster an inmate's use of those provisions to better his or her own life in the process. These programs are all geared toward 'learning', which by definition aids in personal and professional growth, makes available time easier to bear, and gives one hope for the future. The First Step Act Of 2018 earned time credit programs will invariably give thousands of federal inmate's a new found purpose while incarcerated, and provide them with a vast array of educational tools that were not utilized by many of them prior to their incarceration. This informational publication is for anyone desiring to learn more about The First Step Act Of 2018 prison time credits that may be earned by inmates for successful completion of recidivism reduction programs and/or productive activities while incarcerated. Some inmates may be able to reduce their prison incarceration by up to half.
