The Online Tutor's Toolkit Oct 24 2019 This book contains everything you need to know to get started as an online tutor. It covers the essentials of tutoring, choosing your tech and software, managing homework, and getting set up alongside detailed guidance focusing on each level of tuition. With techniques developed through research and first-hand experience, the author explains exactly how to turn existing subject knowledge into effective tutoring for students of all ages in a variety of subjects. Divided into two parts, the first answers the logistical questions facing every new tutor such as: what equipment do I need? Where can I apply? How much should I charge? The second half focuses on how to tutor different age groups effectively and subject-specific areas including English, Maths, and Science, as well as the author's tried-and-tested '5 step' process for choosing a subject, assessing a student, and planning their first lessons. There is also information on how to support students writing personal statements and applying to university, as well as teaching English as a Second Language. Alongside tailored, up-to-date information on available software, hardware, exam specifications, and the online tutoring marketplace, the book contains a 10-week timetable of adaptable lesson plans so new tutors can get started immediately. Finally, there are two additional downloadable chapters which expand on less common subjects and another which includes a digital download of every resource from the book. With suggestions for resources, homework, and timings to support you at every stage, this is an essential read for anyone wanting to succeed as an online tutor.

100 Ideas for Secondary Teachers: Interventions Jul 21 2019 100 Ideas for Secondary Teachers: Interventions focuses on low-effort, high-impact interventions that can be used at Key Stages 3 to 5. It includes tips for improving academic performance, ways of raising standards of teaching and learning, and plans for promoting a rich culture for learning and high expectations. This dip-in-and-out guide shares a wide range of practical and manageable solutions to improve interventions in the classroom. As a teacher you are pushed every year to improve the results of your learners but no one ever really tells you how to do it! Regrettably, there are no quick fixes or silver bullets to unlocking the potential of students and this can be challenging at the best of times. However, assistant headteacher Laura O'Leary presents 100 ideas, techniques and activities for effective interventions that can be used

throughout the school year to raise attainment and improve the progress of every student. This invaluable resource focuses on specific areas for intervention including common barriers to achievement, such as behaviour, attendance and organisational skills, supporting key cohorts (pupil premium and students with SEND and EAL), and literacy and numeracy skills. There are even ideas for ensuring that students are revision and exam ready. 100 Ideas for Secondary Teachers: Interventions is ideal for all secondary teachers, leaders, SENCOs and teaching assistants who wish to plan effective interventions that will enable young people to succeed.
