[Electric Bass Method Complete](#) Oct 28 2022 Anyone interested in learning to play electric bass can pick up this book and get started right away. This well-paced, comprehensive method covers everything from basic to advanced techniques. Beginning concepts include the basics of the instrument, reading music, and building bass lines using scales, modes, and chord progressions. For the intermediate player, it takes you further into using scales, techniques such as slap & pop, string muting, walking bass lines, modes, tetrachords, passing tones, and varying rhythms. The book concludes with ideas designed to guide you into high-level bass playing, such as rhythm changes, tritone substitution, odd time signatures, chord playing, a study of Latin grooves, reggae, ska, and advanced funk bass lines. Whether you are starting to learn the bass or are an advanced player looking to give your playing more nuance, Electric Bass Method Complete is all you will ever need. Access to online audio demonstration examples is included with the book.

Orchids of Australia Jul 01 2020

Complete Fingerstyle Guitar Method: Intermediate Fingerstyle Guitar Dec 26 2019 Continuing where Beginning Fingerstyle Guitar leaves off, this book is great for fingerstyle guitarists who know the basics and are ready to take the next step. Topics include alternate tunings, modes, fingerpicking patterns, barre chords, diatonic harmony, special techniques, bass lines, and an exploration of styles ranging from Celtic and country blues to contemporary new age. Also contains an essential chapter on arranging.

I Have More Souls Than One Jan 07 2021 'But no, she's abstract, is a bird Of sound in the air of air soaring, And her soul sings unencumbered Because the song's what makes her sing.' Dramatic, lyrical and ranging over four distinct personae, these poems by one of Portugal's greatest poets trace a mind shaken by intense suffering and a tireless search for meaning. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.

Heroes and Legends Feb 26 2020 Set in the world of Coroleya a land filled with mythical creatures and monsters, you will follow the life of Gregor the mercenary as he tries to battle the forces of darkness that take shape all around him. There, you will fight for your right to exist. Survive and you'll become stronger. Lose and you will die a miserable death like the many other creatures that inhabit the world. Best of luck and may the suns shine down upon you. The game is entirely text-based, like a novel, only YOU get to make the choices for the main character. If you enjoy immersive storytelling with simple, yet challenging game play, this is for you.

Gone Case Apr 22 2022 A touching yet unsentimental story about growing up in Singapore seen through the eyes of Yong, a 12-year-old, who experiences the paradoxes of life even if he doesn't always understand everything. Between the rigorous demands of school and taking care of his younger sibling, Yong deals with the death of Ah Por, upheavals in his family, run-ins with the neighbourhood gang leader, infatuation and finally, the end of a friendship. Set in a Housing Development Board (HDB) estate, *Gone Case* is a coming-of-age story with many memorable moments. It won the Singapore Literature Prize Commendation Award in 1996 and was on the National Library Board's Read! Singapore 2011 list. It was adapted into a telemovie, produced and written by Lee Thean Jen, directed by Ler Jiyuan in 2013. Reader Reviews "GONE CASE might be the most underrated work of fiction in Singaporean letters... I love this book: the Singlish; the spare, sometimes lyrical and always unpretentious language; the silences and what they imply. The novel's episodic narrative even mirrors the TV serials of the era. I'm waiting for someone to make a proper film of it, and to render on screen, among many memorable images, the most poignant closing paragraph in Singaporean literature." - Alvin Pang, author of *City of Rain* and *Testing The Silence*, from Goodreads "A quietly disturbing novel on an HDB childhood in Singapore... An overlooked classic of local lit." - Ng Yi-Sheng, author of *last boy* "A thought-provoking bildungsroman that centrals itself around a twelve year old boy. Well written with varied use of figurative language and clearly described. Although the conversations are filled with vernacular terms, their usage makes the story extremely realistic. Excellent literature." - Apollós Michio, Goodreads

Let's Find Pokemon! Special Complete Edition Oct 24 2019 Fans of the Pokêmon television series and video game may search for their favorite pocket monsters among the illustrations, find their way through the mazes, and solve other puzzles.

UDON's Art of Capcom Aug 22 2019 - Collecting over 10 years of UDON's Capcom artwork in one epic 600-page hardcover volume! Included are comic covers, toy designs, video game sprites, game box art, tribute art, and much more!

Personal Recollections of Joan of Arc (Complete Edition) Aug 26 2022 *Personal Recollections of Joan of Arc* is a historical novel presented as a translation of memoirs by Louis de Conte, a fictionalized version of Louis de Contes, Joan of Arc's page. The story is divided into three sections according to Joan of Arc's development: a youth in Domrémy, a commander of the army of Charles VII of France, and a defendant at trial in Rouen. Samuel Langhorne Clemens (1835-1910), better known by his pen name Mark Twain, was an American writer, humorist, entrepreneur, publisher, and lecturer. He is best known for his two novels - *The Adventures of Tom Sawyer* and its sequel, *The Adventures of Huckleberry Finn*, but his satirical stories and travel books are also widely popular. His wit and satire, in prose and in speech, earned him praise from critics and peers. He was lauded as the greatest American humorist of his age.

The Student's Chaucer, Being a Complete Edition of His Works Edited from Numerous Manuscripts by Walter W. Skeat Jul 25 2022

The Golden Compass Jul 21 2019 "This second volume of the graphic novel finds Lyra in the far North. With the help of Gyptian fighters, newfound witch allies, and the armored bear lorek Byrnison, she means to rescue the children held captive by the notorious Gobblers"--Amazon.com.

Pessoa: A Biography Aug 02 2020 Like Richard Ellmann's James Joyce, Richard Zenith's Pessoa immortalizes the life of one of the twentieth century's greatest writers. Nearly a century after his wrenching death, the Portuguese poet Fernando Pessoa (1888-1935) remains one of our most enigmatic writers. Believing he could do "more in dreams than Napoleon," yet haunted by the specter of hereditary madness, Pessoa invented dozens of alter egos, or "heteronyms," under whose names he wrote in Portuguese, English, and French. Unsurprisingly, this "most multifarious of writers" (*Guardian*) has long eluded a definitive biographer—but in renowned translator and Pessoa scholar Richard Zenith, he has met his match. Relatively unknown in his lifetime, Pessoa was all but destined for literary oblivion when the arc of his afterlife bent, suddenly and improbably, toward greatness, with the discovery of some 25,000 unpublished papers left in a large, wooden trunk. Drawing on this vast archive of sources as well as on unpublished family letters, and skillfully setting the poet's life against the nationalist currents of twentieth-century European history, Zenith at last reveals the true depths of Pessoa's teeming imagination and literary genius. Much as Nobel laureate José Saramago brought a single heteronym to life in *The Year of the Death of Ricardo Reis*, Zenith traces the backstories of virtually all of Pessoa's imagined personalities, demonstrating how they were projections, spin-offs, or metamorphoses of Pessoa himself. A solitary man who had only one, ultimately platonic love affair, Pessoa used his and his heteronyms' writings to explore questions of sexuality, to obsessively search after spiritual truth, and to try to chart a way forward for a benighted and politically agitated Portugal. Although he preferred the world of his mind, Pessoa was nonetheless a man of the places he inhabited, including not only Lisbon but also turn-of-the-century Durban, South Africa, where he spent nine years as a child. Zenith re-creates the drama of Pessoa's adolescence—when the first heteronyms emerged—and his bumbling attempts to survive as a translator and publisher. Zenith introduces us, too, to Pessoa's bohemian circle of friends, and to Ophelia Quieroz, with whom he exchanged numerous love letters. Pessoa reveals in equal force the poet's unwavering commitment to defending homosexual writers whose books had been banned, as well as his courageous opposition to Salazar, the Portuguese dictator, toward the end of his life. In stunning, magisterial prose, Zenith contextualizes Pessoa's posthumous literary achievements—especially his most renowned work, *The Book of Disquiet*. A modern literary masterpiece, Pessoa simultaneously immortalizes the life of a literary maestro and confirms the enduring power of Pessoa's work to speak prophetically to the disconnectedness of our modern world.

Hal Leonard Bass Method Nov 17 2021 (*Bass Method*). The Hal Leonard Bass Method is designed for anyone just learning to play electric bass. It is based on years of teaching bass students of all ages and it also reflects some of the best bass teaching ideas from around the world. Book 2 teaches the box shape, moveable boxes, notes in fifth position, major and minor scales, the classic blues line, the shuffle rhythm, tablature, and more! This e-book also includes 51 full-band tracks for demonstration or play along.

America's Story Mar 21 2022

The Selected Prose of Fernando Pessoa Mar 09 2021 A selection of prose by "Portugal's greatest writer of the twentieth century . . . as addictive, and endearing, as Borges and Calvino" (*The Washington Post Book World*). Building on the wonderful *Fernando Pessoa & Co.: Selected Poems*, which was acclaimed by *Booklist* as "a beautiful one-volume course in the soul of the twentieth century," translator Richard Zenith has now edited and translated selections from Pessoa's prose, offering a second volume of this forgotten master's flights of imagination and melancholy wit. Though known primarily as a poet, Pessoa wrote prose in several languages and every genre—the novel, short stories, letters, and essays. The pieces collected here span intellectual inquiry, Platonic dialogue, and literary rivalries between Pessoa's many alter egos—a diverse cast of literary voices he called 'heteronyms'—who launch movements and write manifestos. There are appreciations of Shakespeare, Dickens, Wilde, and Joyce; critical essays in which one heteronym derides the work of another; experiments with automatic writing; and works that toy with the occult. Also included is a generous selection from Pessoa's masterpiece, *The Book of Disquiet*, freshly translated by Richard Zenith from newly discovered materials. Fernando Pessoa was one of the greatest exponents of modernism. The Selected Prose of Fernando Pessoa is an important contribution to literature that brings back to life a forgotten but crucial part of the canon.

Notes from Underground and the Double Nov 24 2019 'That sense of the meaninglessness of existence that runs through much of twentieth-century writing - from Conrad and Kafka, to Beckett and beyond - starts in Dostoyevsky's work' Malcolm Bradbury *Alienated* from society and paralysed by a sense of his own insignificance, the anonymous narrator of Dostoyevsky's *Notes from Underground* tells the story of his tortured life. With bitter irony, he describes his refusal to become a worker in the 'anthill' and his gradual withdrawal from society. The seemingly ordinary world of St Petersburg takes on a nightmarish quality in *The Double* when a government clerk encounters a man who looks exactly like him - his double perhaps, or possibly the darker side of his own personality. Like *Notes from Underground*, this is a masterly tragicomic study of human consciousness. Translated by Ronald Wilks with an Introduction by Robert Louis Jackson

The Complete Edition of the Paintings [of] Rembrandt Jun 12 2021

The complete edition of the instrumental works of Antonio Vivaldi May 31 2020

Living Language Korean Jun 19 2019 Presents a comprehensive self-instruction guide to learning the Korean language.

This book breaks down all the key concepts in psychology and provides an engaging and memorable guide for each unit. Clear explanations and examples are combined with helpful memory strategies so content can stick in your head after a single reading. It's a step-by-step guide through all of the ideas you need to know. Each unit also includes a chapter summary, a list of key terms for review, and extensive references and recommendations for exploring subjects in more detail. Don't settle for dry definitions or endless multiple-choice questions that don't develop true understanding. Instead get the guide that builds a solid foundation and helps you master introductory psychology. This complete edition covers 16 units: History and Approaches Research Methods Biological Bases of Behavior Sensation & Perception Learning Memory Language & Cognition States of Consciousness Intelligence Personality Motivation & Emotion Development Social Psychology Stress & Health Psychological Disorders Treatment

A History of Western Society, Complete Edition (Volume I & II) Oct 16 2021 The first Western civilization text to make social history its focus, *A History of Western Society*, Ninth Edition, remains unsurpassed in its integration of everyday life in the broad sweep of Western history. The enduring appeal of social history is strengthened in the new edition with fresh scholarship on gender and cultural history contributed by new authors Merry E. Wiesner-Hanks and Clare Haru Crowston. Compelling writing, fascinating details about daily life, and engaging special features help students identify with peoples of the past, while the authors' sustained attention to cultural, economic, political, and diplomatic history ensures a balanced, integrated narrative.

[The Lady in the Van](#) Jun 24 2022 Adapted by the author from his autobiographical memoir, *The Lady in the Van* tells the story of Miss Mary Shepherd, whom Alan Bennett first came across when she was living in the street near his home in Camden Town. Taking refuge with her van in his garden originally for three months, she ended up staying fifteen years. Funny, touching and unexpectedly spectacular, *The Lady in the Van* marked the return to the stage of one of our leading playwrights. *The Lady in the Van* with Maggie Smith opened at the Queen's Theatre, London, in December 1999.

Complete edition of all his works May 23 2022

[Collective Reflexology](#) Dec 06 2020 Vladimir Mikhailovitch Bekhterev was a pioneering Russian neurologist, psychiatrist, and psychologist. A highly esteemed rival of Ivan Pavlov, his achievements in the areas of personality, clinical psychology, and political and social psychology were recognized and acclaimed throughout the world. Publication of the complete text of *Collective Reflexology* brings to the English-speaking world this brilliant scientist's final theoretical statements on how reflexological principles, which he had been developing over a quarter century, can be extended far beyond analysis of the individual personality. Bekhterev's work grows out of his interest in group psychology and suggestion. This concept of the reflex is much broader than Pavlov's. It is applicable to every variety of life. Bekhterev compared his own analyses to those of other European thinkers such as Comte, LeBon, and Sorokin. Such analyses strained against the official Marxist-Leninist doctrines of the era. Bekhterev died in 1927, allegedly of poisoning by Stalin's henchman. As with many scientists during the Soviet era, his legacy was suppressed. In the normal course of events his name would have been as well known as that of Freud, Pavlov or, more lately, B.F. Skinner. This first publication of Bekhterev's great work in English fills a void in the fields of psychology, sociology, and the history of science. V.M. Bekhterev was director of the Military Medical Academy in St. Petersburg and founded there its Psychoneurological Institute. Among his many books are *Suggestion: Its Role in Social Life* (available from Transaction) and *The Subject Matter and Goals of Social Psychology*. Lloyd H. Strickland is professor of psychology at Carleton University. He is the author of numerous journal articles and editor of *Directions in Soviet Social Psychology and Soviet and Western Perspectives in Social Psychology*. "Bekhterev (1857-1927) is a formidable figure, and his work continues to deserve careful study."-Canadian Psychology

[America \(Vol. 1-6\): Complete Edition](#) Aug 14 2021

[The Books of Enoch](#) Jul 13 2021 2nd Book of Enoch, the Slavonic Enoch, or 2 Enoch, which is another apocryphal book, found complete only in Old Slavonic manuscripts, and it was once present in the Old Slavonic Bible. It's usually dated to the first century CE although Matthew Black in *The Oxford Guide to People & Places of the Bible* state that there is no manuscript "earlier than the fourteenth century BE". ~ Amazon.

[The Complete Works of Alberto Caeiro](#) Nov 05 2020 Here, in Margaret Jull Costa and Patricio Ferrari's splendid new translations, are the complete poems of Alberto Caeiro, the imaginary "heteronym" coterie created by Fernando Pessoa, the Portuguese modernist master. Pessoa conceived Caeiro around 1914 and may have named him loosely after his friend, the poet Mário de Sa-Cárneiro. What followed was a collection of some of Fernando Pessoa's greatest poems, grouped under the titles *The Keeper of Sheep*, *The Shepherd in Love*, and *Uncollected Poems*. This imaginary author was a shepherd who spent most of his life in the countryside, had almost no education, and was ignorant of most literature; yet he (Pessoa) wrote some of the most beautiful and profound poems in Portuguese literature. This edition of *The Complete Works of Alberto Caeiro* is based on the magnificent Portuguese *Tinta-da-China* edition, published in Lisbon in 2016, and contains an illuminating introduction by the Portuguese editors Jerónimo Pizarro and Patricio Ferrari, some facsimiles of the original Portuguese texts, and prose excerpts about Caeiro and his work written by Fernando Pessoa well as his other heteronyms Álvaro de Campos and Ricardo Reis, and other fictitious authors such as Antonio Mora and I. I. Crosse.

[Catechism of the Catholic Church](#) Sep 27 2022

A Little Larger Than the Entire Universe Dec 18 2021 The largest and richest English-language volume of poetry from "the greatest twentieth-century writer you have never heard of" (*Los Angeles Times*) Edited, Translated, and with an Introduction by Richard Zenith, the author of the magisterial biography *Pessoa* A Penguin Classic Writing obsessively in French, English, and Portuguese, poet Fernando Pessoa (1888-1935) left a prodigious body of work, much of it credited to three "heteronyms"—Alberto Caeiro, Ricardo Reis, and Álvaro de Campos—alter egos with startlingly different styles, points of view, and biographies. Offering a unique sampling of his most famous voices, this collection features Pessoa's major, best-known works and several stunning poems that have come to light only in this century, including his long, highly autobiographical swan song. Featuring a rich body of work that has never before been translated into English, this is the finest introduction available to the stunning breadth of Pessoa's genius.

[Gone Case](#) Apr 10 2021

The Nevermen May 11 2021 The greatest heroes who never existed are back! The good citizens of Midnight City live in fear of a rogues gallery that would make even the staunchest of caped crusaders falter - a disembodied living head served by a legion of homicidal monkey butlers, a macabre super thief backed up by a zombie army, an octopus-headed crime boss with a penchant for fezzes . . . not to mention a host of other bizarre villains all out for a piece of the action, and a mad scientist determined to rip asunder the very fabric of time and space! But, luckily, Midnight City is protected by a band of goggled gangbusters every bit as strange and mysterious - the Nevermen! *Dark Horse* is proud to present this definitive volume, which includes every published Nevermen story to date, in celebration of the tenth anniversary of this mind-blowing series!

Tales and Translation Mar 29 2020 Dealing with the most translated work of German literature, the *Tales of the brothers Grimm* (1812-1815), this book discusses their history, notably in relation to Denmark and subsequently other nations from 1816 to 1986. The Danish intelligentsia responded enthusiastically to the tales and some were immediately translated into Danish by a nobleman and by the foremost Romantic poet. Their renditions remained in print for a century and imbued the tales with high prestige. This book discusses translators, approaches, and other parameters such as copyright, and changes in target audiences. The tales' social acceptability inspired Hans Christian Andersen to write his celebrated fairytales. Combined, the Grimm and Andersen tales came to constitute the 'international fairytale'. This genre was born in processes of translation and, today, it is rooted more firmly in the world of translation than in national literatures. This book thus addresses issues of interest to literary, cross-cultural studies and translation.
