

soldier going to war, being deployed. There was a moment when I felt very patriotic. And I felt equipped specifically for this because I'm a nurse and there's not that many people that could fill these roles": Nurse" Oh my God, it was surreal because, I though we were seeing, we were hearing it on the news, it just became more of a reality, it just became more serious": Nurse Nurses On The Inside: Stories Of The HIV/AIDS Epidemic Jun 15 2020 Nurses On The Inside details the stories of two nurses who witnessed the frontline of the early years of the HIV/AIDS epidemic. Although some of the names, locations, and events have been dramatized, it is important to remember this: this is what really happened to them, and it happened not only to them in New York, San Francisco, LA, Miami, and dozens of other cities in the US. Ellen and Valery were not alone, there were hundreds of nurses who went through this experience. They want to tell this story to give a voice to a generation lost, allowing the world to remember. Their story cannot be repeated.

THE PATIENT NURSE May 27 2022 Noreen is a nurse who has never been loved. She secretly loves Ramon, a heart surgeon, but he seems to have a vendetta against her. She has no idea if the throbbing pain in her chest is because of her chronic heart condition or her broken heart. One day, she falls seriously ill, and the surgeon who operates on her is none other than Ramon! He finally confesses Noreen's feelings, but is it too late for him to mend her broken heart?

N Is for Nurse Dec 10 2020 N is for Nurse by best selling nurse-author Jon Haws RN CCRN is a full-color ABC book for grown-ups with a powerful message about what it means to "be a nurse." N is for Nurse looks and feels like a classic picture book. But it's for nurses and nursing students who are proud of being RN. Nursing is more than a job. Nursing is who we are. Every fiber of our muscle, every beat of our hearts. One big happy nursing family. Healing patients happily. It's something we feel deep within. I'm an RN. N is for Nurse is an illustrated book for nurses in the style of traditional children books. Author Jon Haws RN, takes the reader on an emotional journey through the alphabet from A-to-Z with engaging story telling and beautiful illustrations instilling pride in work to "Be a Nurse." It highlights twenty-six core values of nursing. N is for Nurse makes the perfect gift or coffee table nursing book for any nurse of any age. Not only will this book motivate and inspire you, it will help your friends and loved ones FINALLY "get it" means to you to be a nurse. Perfect graduation gift for nurses, nurses week gift, retirement gift, children book for future nurses. Nurse book, nursing student gift or addition to gift basket for male or female nurses.

Witches, Midwives, & Nurses (Second Edition) 2020 As we watch another agonizing attempt to shift the future of healthcare in the United States, we are reminded of the longevity of this crisis, and how firmly entrenched we are in a system that doesn't work. Witches, Midwives, and Nurses, first published by the Feminist Press in 1973, is an essential book about the corruption of the medical profession and its historic roots in witch hunters. In this new edition, Barbara Ehrenreich and Deirdre English have written an entirely new book that delves into the current fascination with and controversies about witches, exposing our fears and fantasies. They build on the exposé on the demonization of women healers and the political and economic monopolization of medicine. This quick history is up-to-date, exploring today's changing attitudes toward childbirth, alternative medicine, and modern-day witches.

Don't Piss Off a Nurse Mar 25 2022 Tony Welks tells his version of the story. Pissed off at the Nursing profession and his bad coworkers he plots his revenge. Tony tells a cynical tale of what its like to be a nurse in this modern day materialistic society. Welcome to the trials of a nurse. Welcome to our divisive world.

I Wasn't Strong Like This When I Started Out: True Stories of Becoming a Nurse Oct 20 2024 This collection of true narratives reflects the dynamism and diversity of nurses, who provide the first vital line of patient care. Here, nurses remember their first "sticks," their first and first deaths, and reflect on what gets them through long, demanding shifts, and keeps them in the profession. The stories are the voices from nurses at different stages of their careers: One nurse-in-training longs to be trusted with more "important" procedures, another questions her ability to care for nursing home residents. An efficient young emergency room nurse finds his life and career irrevocably changed by a car accident. A nurse practitioner wonders whether she has violated professional boundaries in her relationship with a homeless man with AIDS, and a home care case manager is the sole attendee at a funeral for one of her patients. What connects all these stories is the passion and strength of the writers, who struggle against burnout and bureaucracy to serve their patients with compassion and strength.

Thank You for Caring Feb 21 2022 Mary Zaia's Thank You for Caring: A Celebration of Nurses, Doctors, and Other Health-Care Heroes helps you show your support and gratitude for those who give so much. We depend upon the dedication of health-care providers for us and our loved ones at some of our most vulnerable times. One of the best gifts we can give in return: recognition of the conditions they face so gracefully each day and support for the special calling to service they have answered. With this collection of moving quotes, celebrate the extraordinary character of nurses, doctors, and all health-care providers to put others first and live in so many meaningful ways.

The Nurse Dec 30 2019 A New York Times bestseller. "A funny, intimate, and often jaw-dropping account of life behind the scenes."—People Nurses is the compelling story of the year in the life of four nurses, and the drama, unsung heroism, and unglamorous of nursing—one of the world's most important professions (nurses save lives every day), and one of the world's most dangerous. Violence, trauma, and PTSD. In following four nurses, Alexandra Robbins creates sympathetic characters while diving deep into the world of controlled chaos. It's a world of hazing—"nurses eat their young." Sex—not exactly like on TV, but surprising just the same. Abuse—disproportionately a problem among the best and the brightest, and a constant temptation. And bullying—by peers, by hospital bureaucrats, and especially by doctors, an epidemic described as lurking in the "shadowy, dark corners of our profession." The result is a page-turning, shocking look at our health-care system.

Man Up! Sep 30 2022

The RN Diaries Nov 20 2021 Vanity, Nadia, and Kensington--three nurses who have a penchant for high fashion, late nights, and their feminine power over men--all work the night shift at Ellerton Memorial Hospital. But when they aren't saving lives, they're out in town exploring their wild sides. After numerous random hookups, the three women realize they want more excitement and a challenge. Vanity is fed up with being a nurse, she seeks other career options--hosting adult parties, and Nadia and Kensington are invited

are filled with intrigue, secrets, passion . . . and then some. Nadia's sexual appetite is satiated, but her relationship is threatened by shadows of her past. Kensington struggles to balance her work and personal life, while trying to figure out whether she wants to be the teaser or the teased. Searching for a quick sexcapade has now become a bit more complicated, as Vanity, Nadia, and Kensington question their views of life, men, and what they want out of a relationship.

Aug 18 2021 Michelle Beaufort is a nineteen year old boy of French parentage hoping to start a new life as a male nurse. When he turns up on his first day at the hospital only to discover that there's been an administrative error, he's about to join an all female class - as a girl! His new roommate, Tanya, soon embraces the challenge of having her unexpected roommate pass himself off as a girl with the aid of her friends. Between them they manage to coerce and fool Michelle into wearing girls' clothes in order to hide his true gender. He soon finds himself being immersed into a deception that could cost him his career, ridicule and shame of his family. To make matters worse, his roommates and fellow student nurses seem perfectly happy to do so sexually, thoroughly enjoying having a boy dressed as a girl in their midst and totally under their control. Michelle will need to decide whether he wants to escape his fate as a young female nurse - being targeted sexually by more than just his female roommates or if he's content to submit to a very different life as a girl. Is it already too late to change his fate? Will he face expulsion as a failure? Will he find a way to come to terms with his new identity? Follow Michelle as he finds himself being feminized and dominated by his female roommates and nurses in a world of sexual torment and submission. This is a sexually explicit tale of male feminization designed strictly for a niche audience including scenes of masturbation, m/f oral sex, m/m oral sex, anal play & anal sex. Categories: Transgender, Feminization, Femdom, Feminization, Sissy Fiction, Transgender Erotica, Erotica Short Stories, Transvestite Fiction, Femdom.

Jul 17 2021 In this book the author explores his journey from a carefully-constructed and well-engrained nursing career to safety into emotional upheaval and despair resulting from a traumatic accident. The author, an administrator, nurse, and nurse educator also presents his entree into nursing, flirts with the covert-and often overt-misandry he experienced from instructors and colleagues on a hopeful note as he received care from many of the students he educated. In tandem, the author celebrates his Faith as a nurse, nursing theory and the QSEN competencies, all of which had a positive impact on his outlook and care.

Jul 29 2022 A dark comic novel about life, love, pain, nursing, and being gay, this book takes you on a rollercoaster ride through the on-and-off duty life of a gay male nurse in the early 1980s before AIDS became omnipresent. It wants to make a difference with his life by helping those in need.

Oct 08 2020 Three very different girls sign up as student nurses in 1936, while England is still mourning the death of George V. Dora is a tough East Ender, driven by ambition, but also desperate to escape her squalid, overcrowded home and her stepfather. Helen is the quiet one, a mystery to her fellow nurses, avoiding fun, gossip and the limelight. In fact she is in the shadow of her overbearing mother, who dominates every aspect of her life. Can a nursing career free Helen at last? The third heroine is naughty, rebellious Millie an aristocrat on the run from her conventional upper class life. She is doomed to clash and again with terrifying Sister Hyde and to get into scrape after scrape especially where men are concerned. This utterly delightful novel brings a London pre-war hospital vividly to life.

Jan 11 2021 One of Goodreads Top 25 Feel-Good and Escapist Books to Read in Quarantine as seen in USA Today "A funny, winning debut."—People "Delightfully quirky and endearing...an absolute pleasure to read!"—#1 New York Times bestseller Emily Giffin Meet Duffy, an old curmudgeon who lives in an assisted living home. Meet Josie, a desperate young woman who climbs through his window. Together, they're going to learn it's never too late—or too early—to change your ways. For Duffy Sinclair, it all boils down to one simple thing: maintaining his residence at the idyllic Centennial Assisted Living. Without it, he's destined for the infested nursing home down the road—and after wasting the first eighty-eight years of his life, he refuses to waste away for good. He keeps his shenanigans to the bare minimum with the help of his straight-laced best friend and roommate, Carl Upton. But when his granddaughter Josie climbs through their bedroom window with booze on her breath and a black eye, Duffy's faced with tough choices: sticking around and hard to hide—from Centennial's management and Josie's toxic boyfriend. Before he knows it, he's running a high-stakes operation that includes hitchhiking and barhopping. He might as well write himself a one-way ticket to the nursing home...or not. Yet Duffy's all in. Because thanks to an unlikely friendship that becomes fast family—his life doesn't boil down the same anymore. When he finally has a chance to leave a legacy. In a funny, insightful, and life-affirming debut, Brooke Fossey delivers an unflinching look at growing old, living large, and loving big, as told by a wise-cracking man who didn't see any of it coming.

Dec 22 2021 "Yoga for Nurses provides the means for nurses to support and enhance our ability to care for our patients and gives nurses information and strategies to deal with the physical and mental imperatives found in our daily work life." --Jill H. Esquivel, RN, PhD University of California, San Francisco (From the Foreword) "The first yoga instruction book directed specifically toward nurses....Dr. Kollak...has written a book that assists nurses in taking time to care for themselves. The content in this book can be easily incorporated into a nursing inservice program as a means to prevent on-the-job, stress-related injuries." --Cindy Ann H. MS, CNOR, CMLSO University of Texas, MD Anderson Cancer Center Don't let mental stress, chronic pain, and fatigue disrupt your professional and personal life any longer. Dr. Ingrid Kollak's Yoga for Nurses offers a tested therapy, proven to alleviate physical and mental pain, stress, and fatigue. As a yoga expert and a registered nurse herself, Dr. Kollak can show you how yoga is able to cure common ailments such as chronic neck and back pain, headaches, sore eyes, and lack of sleep. With this book, you'll learn

works physically to reduce pain by stretching and strengthening muscles made tense from your normal, repetitive work routine. This book shows you how yoga works on a mental level to provide an exceptional anti-stress program. This book, written by a nurse, presents a series of yoga exercises and practices that will allow you to regain your strength, reduce your physical pain, revitalize your mind, and transform your entire work experience. Key Features: Author is both a yoga expert and registered nurse. Includes large photos, detailing how each exercise should be done. Contains different levels of yoga exercises, from easy-to-learn to advanced. Can be used both at work and in the home. A fun, rewarding read!

The Story of Me a Black Nurse Sep 18 2021 This narrative is about the personal struggles of being a Black Woman and being a Black Professional in a society that is still bound with racial and gender bias. Her stories navigate you through the career of a young woman who has hopes, dreams, needs, a purpose and aspirations but she faces constant opposition to fulfilling and attaining these basic requirements. Like so many people of color before her, she achieves a certain measure of success but the measure of success is compared to what she must do to achieve it. It is a reflection of the despair she was feeling when she wrote it but does not lack appreciation, compassion and love that she has for mankind. It is time for a change!

Nurse, the Man, the Myth, the Legend Jan 1 2020 Are you looking for a fun gift for someone close to you? This is a perfect blank journal for men, women, and children. Fresh white paper. 6x9 inch format. We have even more wonderful titles that you'll enjoy! Be sure to click on the author name for other great journals.

Man in a Female World Apr 13 2021 The author joined the nursing profession a few short years after the National Health Service was launched, and when nursing was still an almost entirely female occupation. In the present era of political correctness and strict avoidance of sexual discrimination, male nurses are not exposed to the horrors which Mike Bolger recalls so amusingly in this book. It is illustrated with cartoons which exactly identify the situations Mike Bolger describes, and add an extra dimension to the tapestry. This is one of those books that have to be read from cover to cover. Everyone who has ever worked in the nursing profession will recognise the total authenticity of the stories Mike tells, and everyone, nurse or not, will be able to laugh and cry with him.

And If I Perish Nov 08 2020 In World War II, 59,000 women voluntarily risked their lives for their country as U.S. Army nurses. When war began, some of them had so little idea of what to expect that they packed party dresses; but the reality of service quickly changed them, whether they waded through the water in the historic landings on North African and Normandy beaches, or worked around the clock in hospital tents on the Italian front as bombs fell all around them. For more than half a century these women's experiences were untold, almost without reference in books, historical societies, or military archives. After years of research and hundreds of interviews, Evelyn M. Monahan and Rosemary Neidel-Greenlee have created a dramatic narrative that at last brings to light the role that women played throughout the war. From the North African and Italian Campaigns to the Liberation of France and the end of Germany, U.S. Army nurses rose to the demands of war on the frontlines with grit, humor, and great heroism. A long overdue history, *And If I Perish* is also a powerful tribute to these women and their inspiring legacy.

Confessions of a Male Nurse (The Confessions of a Nurse) Nov 04 2022 From the people who brought you the bestselling *Confessions of a Nurse* and *The Good Nurse*, a new Netflix movie starring Academy Award-winner Eddie Redmayne and Jessica Chastain—based on a “stunning book...that should and does bring to mind *In Cold Blood*”—takes you inside the mind of America's most prolific serial killer whose 16-year long “nursing” career left as many as 400 dead. (New York Times) After his December 2003 arrest, nurse Charles Cullen was quickly dubbed “The Angel of Death” by the media. But he was no mercy killer nor a simple monster. Cullen was, at times, a colleague, a beloved father, and a best friend. He was also perhaps the most prolific serial killer in American history, implicated in the deaths of as many as 400 patients. Cullen's murderous career spanned sixteen years and nine hospitals. Now, in a riveting piece of investigative journalism, Charles Graeber uncovers how Cullen gamed the system, and tells the unbelievable true story of the informant asked to risk her life and career to betray a friend and finally stop a serial killer. Based on extensive never-before-told and years of exclusive jailhouse conversations with Cullen himself, *THE GOOD NURSE* is a mesmerizing and irresistibly paced portrait of medicine and madness. This book will make you look at hospitals and the people who work in them in an entirely different way.

Fetch Nurse Connie May 03 2020 London, 1945 and as the end of the war is declared and the troops start returning home, the East End are joining in the celebrations. For Nurse Connie Byrne the end of the war signals the beginning of a new chapter. Revelries go on around the city, Connie's mind is on another celebration that she'll be able to arrange - the wedding to her sweet Charlie, set to take place as soon as he arrives home. But when Connie meets Charlie off the train at London Bridge, she finds her homecoming isn't quite going to go according to plan... Connie's busy professional life, and the larger-than-life patients in the ward offer a welcome distraction, but for how long? If nursing in the East End has taught Connie anything, it's that life is full of surprises. A heart-warming family saga, perfect for fans of Nadine Dorries and Annie Groves.

Nurse! Nurse! Aug 06 2020 'Engaging, compassionate and often very moving' Daily Mail A student nurse's story As punishment for youthful high jinks, 16-year-old Jimmy Frazier is made to volunteer in a London hospital. The experience shocks him, and he swears he will never set foot on a ward again. Two decades later, older but not a lot wiser, some strange twists of fate lead Jimmy back to the hospital but this time as a student nurse. Along with a motley crew of fellow students, Jimmy throws himself into the heart of the NHS caring for patients in children's hospitals, prisons, mental health facilities or post-surgical wards, Jimmy and his fellow students make a difference. On their way they are inspired by the angelic Super Nurse and the acid-tongued Mr Temple. But can they do it in the three years it takes to make the grade as a fully-qualified nurse...?

Naughty Nurse Aug 25 2019 "Listen. A good man will recognize when he has a good woman on his hands. That's all I'm sayin'." Austin Romero crash lands in Nereida Kelly's perfectly boring life. She's a typical RN working too many hours with a man who doesn't notice her. A patient on the verge of death comes into the ER and her heart stops. There's something magnetic about him... something dangerous. She can't stop herself from wanting to be close to him. With her relationship falling apart, Nereida sets her sights on someone else. Austin Romero has his secrets... His hot nurse, Nereida Kelly, risks getting too close and threatens to blow

wide open. He should stay away from her at all costs. Yet, it's not every day a man's blessed with a thick, full-figured nurse like Kelly. His alpha male instinct takes over. She must be his... spiritually, emotionally, sexually... Secrets, bad blood, and danger be He has to have a taste. Austin must turn this good woman into his naughty nurse. This book was briefly published in 2015 under the title but has since then been extensively reworked into this brand new, smokin' hot new novella. This slow-burn interracial B romance builds to an ultra-steamy satisfying finish that will keep you hooked 'til the end as you unlock more and more of the keeping the characters apart...

Confessions of a School Nurse (The Confessions Series) 2019 From the people who brought you the bestselling Confessions of a GP.

The Nurse's Secret May 15 2021 Set in 1880s New York and based on the little-known story of America's first nursing school, author Amanda Skenandore's new historical novel is a fascinating story of one woman's search for identity and independence in the slums of 1880s New York, Una Kelly has grown up to be a rough-and-tumble grifter, able to filch a pocketbook in five seconds when another con-woman pins her for a murder she didn't commit, Una is forced to flee. Running from the police, Una lies her unlikely refuge: the nursing school at Bellevue Hospital. Based on Florence Nightingale's nursing principles, Bellevue is the first of its kind in the country. Where once nurses were assumed to be ignorant and unskilled, Bellevue prizes discipline, intellect, and character, and only young women of good breeding need apply. At first, Una balks at her prim classmates and the doctors' commands. Yet life on the streets has prepared her for the horrors of injury and disease found on the wards, and she slowly finds friendship and self-respect. Just as she finds her footing, Una's suspicions about a patient's death put her at risk of exposure and force her to choose between her instinct for self-preservation, and exposing her identity in order to save others. Amanda Skenandore uses her medical expertise to a page-turning story that explores the evolution of modern nursing—including the grisly realities of 19th-century medicine—as seen through the eyes of an intriguing and dynamic heroine. PRAISE FOR AMANDA SKENANDORE'S THE SECOND LIFE OF MIRIELLE WEST "In this superior historical, the author's diligent research, as well as her empathetic depiction of those subjected to forced medical isolation, make this a winner." —Publishers Weekly

Call Nurse Millie Apr 01 2020 'A delightful, well researched story that really does depict nursing and the living conditions in the early 20th century at the end of the war' Lesley Pearse London is putting itself back together and twenty-five-year-old Millie is at the forefront of the effort as she tends to the East End community around her. While she witnesses tragedy and brutality in her job, Millie also finds strength and kindness as her training begins to pay off, helping her to bring her patients back to health and welcome babies into the world. Not only the patients that need Millie as matters of the heart bring both tears and joy for the young nurses. With grit and gumption, her friends do their best to find their way through first loves and heartbreaks, and balancing their duty of care with looking out for one another. But when misfortune befalls her own family, it is the enduring spirit of the community that shows Millie that even the most dire circumstances can be overcome. An absorbing and richly detailed novel following the life and work of a young nurse in post-war London - perfect for anyone who loved CALL THE MIDWIFE.

A Man's Guide to a Nursing Career Aug 30 2022 Named a 2013 PROSE Award Honorable Mention in Nursing and Allied Health Sciences Winner of the Dr. Gene Tranbarger Writing Award from the American Assembly for Men in Nursing "Though O'Lynn emphasizes the male perspective on becoming a nurse, this book should be required reading for anyone thinking about entering the nursing profession. The section on nursing education from the perspective of both students and instructors is worth the price of the book....Highly recommended."--Choice: Current Reviews for Academic Libraries "I love this book. It has inspired and motivated me to continue to do something for men in nursing at the college where I teach as well as for men in our delivery rooms and postpartum units. We need to go beyond women and children and include men as fathers to truly promote wellness for families." --Janet Ierardi, MSN, RNC, CNRN Professor Family Focused Nursing Lawrence Memorial/Regis College Nursing Program This is a nuts and bolts guide to a career in nursing--from the earliest consideration of a nursing career through education and clinical practice--designed specifically for men. Edited by the author of Men in Nursing: History, Challenges and Opportunities, it was created at the request of numerous colleagues who wanted a book that addressed the practical needs and concerns of men throughout their nursing career journey. The text presents the numerous paths available in nursing along with a consideration of their financial benefits, job security, personal fulfillment, and the need for men who are adept at information management and high tech-skills. The history of nursing is discussed through biographies of notable male nurses, offering much needed historical role models. The guide discusses strategies for dealing with a rigorous nursing education compounded by the challenges of anti-male sentiment that is sometimes present. It takes the reader from day one of nursing through the licensing exam and also addresses the specific needs of second-degree and accelerated program students. The book discusses the obstacles that may result from cross-gender nursing communication and relationships with a focus on teamwork. Also covers professional development and leadership concerns in light of criticism from some women that men advance for self-serving reasons at the "backs" of women colleagues. Key Features: Discusses how to navigate the rigors of nursing school along with strategies for success Explains how to cope with anti-male sentiment Describes how to create an application that stands out from the pack Helps men to boost caring skills and touch patients in ways that reflect professionalism, empathy, and skill Includes helpful advice for landing a job in the medical field. - Hidden truths of medical professionals from dirty secrets in the break room to losing the motivation to help patients. In its memoir structure, Oh, Nurse! brings the nursing profession to life. As David Daniels finds the strength to overcome his own struggles, he also manages to help his patients find joy and hope in the grimmest of situations. And with this tell-all book, he aims to do the same for you.

Oh, Nurse! Mar 13 2021 You think hospitals are full of calm competent professionals? You're about to get a true behind-the-scenes look at exactly what it's like to be a nurse. (And a male nurse, at that!) Oh, Nurse! is David Daniels's first-hand account of his experience as a nurse, offering personal anecdotes to peel open the curtain to unveil the secrets of the nursing life. Following Daniels over the course of his 30-year career, this book helps the reader discover the hidden truths of medical professionals, both good and not so good, and describes specific instances where he either succeeds or fails to help particular patients. This book will show you: - The good and bad of the ugly everyday life of a nurse. - The nuances of being a male in a female-dominated profession. - What it takes to be successful in the medical field. - Hidden truths of medical professionals from dirty secrets in the break room to losing the motivation to help patients. In its memoir structure, Oh, Nurse! brings the nursing profession to life. As David Daniels finds the strength to overcome his own struggles, he also manages to help his patients find joy and hope in the grimmest of situations. And with this tell-all book, he aims to do the same for you.

The Language of Kindness Sep 06 2020 'It made me cry. It made me think. It made me laugh' Adam Kay Christie Watson was a nurse for twenty years. Taking us from birth to death and from A&E to the mortuary, The Language of Kindness is an astounding account of a profession defined by acts of care, compassion and kindness. We watch Christie as she nurses a premature baby who has made it through the night, we stand by her side during her patient's agonising heart-lung transplant, and we hold our breath as she pulls the hair of a child fatally injured in a fire, attempting to remove the toxic smell of smoke before the grieving family arrive. In these extreme moments, when life is lived most intensely, Christie is with us. She is a guide, mentor and friend. And in these dark moments of isolationism, she encourages us all to stretch out a hand. 'A powerful insight into the life of nurses' The Times, 'Books of the Year' 'A remarkable book about life and death and so brilliantly written it makes you hold your breath' Ruby Wax

I Am a Nurse Jun 03 2020 A children's book that showcases many areas of professional nursing, such as a flight nurse, a school nurse, a hospital nurse, male nurse, and advanced practice nurse. This book allows children to explore this vocation and inspire interest in the future generation of nurses.

Slammer Jun 23 2019 The last place Christopher Jacobs, aka X, thought he'd find himself was behind bars. Ten years later, the man he used to be is gone. In his place is the shell of a man with murder under his belt. Any emotion he once had was left under the door when he was given life in prison. That is until the new nurse in the infirmary joins the block. Putting your hands on a prison employee is a big deal, but some things are worth their punishment, and something tells him Lyla will be worth more than he bargained for. He isn't sure about her new job at a maximum security prison, but showing uncertainty and weakness isn't an option. Taking care of a convict and rapist isn't ideal, but survival is key. She's warned ahead of time about a prisoner named X, but when she's attacked, it's X that saves her. Fraternizing with the prisoners is forbidden, but sometimes the most forbidden things are the sweetest. **This book is NOT for the faint of heart. If you have issues reading about abuse (physical or mental) then please DO NOT read this. 18+ for sexual content, language, and violence." HOLY MOTHER OF ALL THINGS HOLY! What on earth did Tabatha do to my heart? She ripped it out, stomped all over it, and shoved the broken thing back in... and I loved every minute of it. I think." ~Heather, Books "I just cannot put into words how much I loved Slammer!!! Be prepared for a ride of a lifetime with X and Lyla!" ~ Kara, Books "A haunting, unconventional love story I will never forget." ~Ella James, USA TODAY bestselling author of Sloth "If you're looking for a mushy sweet romance, this is not the book for you. If you want to read something that is unlike anything else out there, this will surprise you and leave you in complete shock, then READ THIS BOOK. Without a doubt the best book I've read in a long time. It's twisted, violent, but it's unique and shocking and unpredictable." ~ Author Amy McClung "I hope you're ready for the best mind-blowing experience of your life, because this book is going to give it to you and give it good!" ~ Michele, Devilishly Delicious Book Reviews

Men in Nursing Jun 27 2022 Named an Outstanding Academic Title for 2007 by Choice! "[A] fascinating historical perspective on the history of nursing; the societal stereotypes associated with nurses and nursing; and the gender-based barriers facing males in the profession. For those considering nursing as a career....Everyone in the expanding health care delivery system should read this book on men's contributions to the field of nursing. Essential." --Choice From the Foreword: "At a time when all of the world's talent must be utilized to provide the top-notch quality of health care that we all need and deserve, no profession can afford to ignore any of its brightest talents. Gender neutrality in nursing must be attained; our future patients deserve it. Thankfully this book will help." --- Eleanor J. Sullivan RN, FAAN, Former Dean, University of Kansas School of Nursing and Past President, Sigma Theta Tau International "This book is the first of its kind and a very valuable addition to the nursing literature. It is an excellent read and has many implications for nursing education." Score: 96, 4 stars --Doody's "The editors and contributors...are not afraid to tackle controversial topics like reverse discrimination in nursing leadership, masculine styles of nursing care, and the effects of gender on communication and workplace relationships. Other chapters explore the history and accomplishments of the American Assembly for Men in Nursing (AAMN) and lessons learned from other countries...and future leadership opportunities for male nurses in the 21st century, including recommendations for a men's health nurse practitioner curriculum." --Minority Nurse If you're thinking about a career in nursing or currently practicing in the field, this new innovative guide is just for you. For the first time, authors, educators and practicing nurses, Chad O'Lynn and Chad Tanbarger offer a unique insider's view to how men work, succeed, and survive in this fast growing segment of the healthcare industry.
