If revealed, this secret could mean devastation for Tikaya's entire nation. It could also mean choosing between her people... and the man she loves.

Blood Charged Nov 03 2020 Sardelle Terushan, sorceress and healer, should be lying low. Magic is forbidden in Iskandia, and magic users are drowned, shot, or otherwise slain. The problem? She's fallen in love with ace fighter pilot and national hero, Colonel Ridge Zirkander, a man whom everybody notices, including the king. It's not long before Sardelle has spies dogging her steps and people trying to blow her up. Worse, her presence is jeopardizing Ridge's career. If she can't find a solution to the nation's centuries-old hatred of magic, the only way to protect Ridge and herself may be to leave. Ridge Zirkander isn't used to worrying about more than shooting down Cofah airships and keeping the officers in his squadron alive, but his world has gotten more complicated since giving his heart to Sardelle. It's difficult to keep people from noticing a mysterious and enigmatic woman, not to mention her chatty sentient sword. He's been passing her off as an archaeologist to his fellow pilots, but when the king calls him in to a private meeting, Ridge fears his secret has been discovered. But the king and the rest of the country has a greater problem. Cofah military scientists have acquired something that shouldn't exist in the world any longer: dragon blood. In addition to having countless mysterious properties, it's a powerful energy source that can be used to create devastating weapons. Storm Forged Dec 24 2019 Moving into a rundown Victorian house with a vampire living in the basement isn't as bad as I thought, but things go from weird to weirder when a badly injured gnome collapses in my back yard. The surprising part? It's my friend Nin's long-lost grandfather. Since he's unconscious, we can't figure out who's chasing him, or where he's been all these years, but if we can't help him, he'll die. To make matters worse, there's a new dragon in town. A female dragon. Everyone knows females are more dangerous than the males, and this one takes an instant dislike to me. It seems that she wants to date my mate, Zav, and has his mother's approval. If I can't avoid her wrath and find a way to cure the gnome, Nin's going to lose her grandfather, and I'm going to end up deader than the vampire in the basement.

Fractured Stars Feb 24 2020 McCall Richter finds criminals, con men, and deadbeats better than anyone else in the empire. She's proud of her success and that she owns her own spaceship, especially since she struggles to understand human motivations, can't tell when people are lying to her, and is horrible at recognizing faces. Being autistic in the empire is frowned upon—and there's a handy normalization surgery to correct it—but she's managed to prove her worth and avoid irking the tyrannical regime. Except for one thing. Two years ago, she liberated the android, Scipio, from an imperial research facility where he was treated worse than a slave. He's become her business partner and best friend, but if the empire finds out she has him, a "normalization" surgery will be the least of her worries. When her ship is confiscated by a cyborg law enforcer needing to transport prisoners, McCall knows she and Scipio are in trouble. Worse, the enforcer's pilot is a former bounty hunter and business competitor she beat to the prize many times in the past. Soon, he's snooping all over her ship and questioning her about her past. And there's something strange about him. He knows far more about

what she's thinking than any human should. It'll only be a matter of time before he discovers her secret. And then what?

This time, it's going to take a lot more than magic to save the country. The Blade's Memory is the fifth installment in the Dragon Blood series.

Elven Doom Sep 13 2021 Dragons make life complicated. Extremely complicated. After returning from Idaho, I was hoping to have time to figure things out with Zav-also known as Lord Zavryd, the dragon who claimed me as his mate without asking-but the dark elves are up to their old tricks again. Actually, they're up to far more deadly tricks, using more powerful magic than I knew existed. I have no idea how I'm going to stop them, but if I can't, my entire city and everybody I care about could be obliterated. To make matters worse, Zav's sister has shown up and is rooting around in my life. His family doesn't approve of me, and she plans to put an end to our relationship... one way or another.

Patterns in the Dark Oct 26 2022 Everyone knows dragons have been extinct for over a thousand years. Everyone is wrong. That's a concern for Zirkander, Cas, and the rest of the Iskandians, but all Tolemek wants is to find his missing sister. The last time he saw her, their father had locked her in an asylum because of a mental illness with no cure. Now the military has taken her. What use the Cofah have for her, Tolemek can only guess, but he is certain she is in danger. He must save her before it's too late. But her fate is inexplicably tied to the dragon's, and he must find it to find her.

When she finally talks them into getting a second ship and letting her fly it, it doesn't faze her that the craft is decades old and looks like a turtle. This is the chance she's craved for years. But it's not long before the opportunity to rescue mistreated lab animals lures her from her parentally approved cargo run and embroils her in a battle between warring corporations. To further complicate matters, her childhood friend Thorian, prince of the now defunct Sarellian Empire, is in trouble with Alliance law and needs her help. Torn between her duty to her family and doing what she believes is honorable, Jelena is about to learn that right and wrong are never as simple as they appear and that following your heart can get you killed.

Secrets of the Sword Jul 31 2020 After helping my steady dragon Zav with his family problems, I thought life would get back to normal. As normal as it can be when you're a hit woman responsible for hunting down bad guys. That was before a strange artifact showed up in a bog and turned my ancient dwarven sword into a magical beacon. Now my enemies can sense it from hundreds of miles away. More than that, every club-toting, over-muscled orc, ogre, and troll who would like a magic sword can sense it. Usually, fighting off opportunists wouldn't be a problem (they don't call me Ruin Bringer without reason), but even I can only handle so many attacks at a time. And Zav isn't as much help as you'd think, since he's busy on a quest for a ring. No, it's not a Lord of the Rings kind of quest. My boss put it in Zav's head that since we're mated in the dragon way, we should also be married in the human way. Now, he's off to find the perfect engagement ring. Given his taste in human footwear, I may be in trouble for more reasons than my marked sword. Not only is there no chance of my life getting back to normal any time soon, but if I can't figure out how to fix my sword, I'll be dead long before I can get married.

Star Nomad Jul 11 2021 The Alliance has toppled the tyrannical empire. It should be a time for celebration, but not for fighter pilot Captain Alisa Marchenko. After barely surviving a crash in the final battle for freedom, she's stranded on a dustball of a planet, billions of miles from her young daughter. She has no money or resources, and there are no transports heading to Perun, her former home and the last imperial stronghold. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 20.0px 'Helvetica Neue'; -webkit-text-stroke: #000000} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 20.0px 'Helvetica Neue'; -webkit-text-stroke: #000000; min-height: 24.0px} span.s1 {font-kerning: none} But she has a plan. Steal a dilapidated and malfunctioning freighter from a junkyard full of lawless savages. Slightly suicidal, but she believes she can do it. Her plan, however, does not account for the elite cyborg soldier squatting in the freighter, intending to use it for his own purposes. As an imperial soldier, he has no love for Alliance pilots. In fact, he's quite fond of killing them. Alisa has more

problems than she can count, but she can't let cyborgs, savages, or ancient malfunctioning ships stand in her way. If she does, she'll never see her daughter again. Fans of Firefly and Star Wars should enjoy this fun, fast-paced new series from USA Today best-selling author, Lindsay Buroker.

Relic of Sorrows Dec 04 2020 Captain Alisa Marchenko finally has a lead on finding her daughter, but her passengers want her to take them on their quest instead. Even though the Star Nomad is her ship, they have power she cannot fight, and she finds herself with no choice but to accept another detour. But the ancient relic they seek has the ability to destroy worlds and is coveted by many. The path leading to it is riddled with competitors and littered with the dead, and even a cyborg and a Starseer may not be strong enough to fight the obstacles in the way. Swept up in a fate she never chose, Alisa must find a way to survive against impossible odds, knowing that if her passengers succeed, they will change the course of history—maybe not for the better.

Soulblade (Dragon Blood, Book 7) Nov 15 2021 It's been a week since the dragon Morishtomarc fell, and Sardelle is not convinced that Ridge is truly gone. With a companion who thinks he's a god and a soldier who would happily kill her, she heads back to the mountains to look for signs that Ridge survived. What they uncover threatens to destroy their country and all they care about. Meanwhile, the Cofah emperor is furious with Iskandia over the loss of its airships and still has a bounty on Tolemek's head. King Angulus sends Tolemek, Cas, and Kaika on a daring mission that could solve both problems... or leave them all dead.

Balanced on the Blade's Edge Sep 25 2022 Colonel Ridge Zirkander isn't the model of military professionalism—he has a tendency to say exactly what's on his mind, and his record has enough demerits to wallpaper the hull of an airship—but as the best fighter pilot in the Iskandian army, he's used to a little leniency from his superiors. Until he punches the wrong diplomat in the nose and finds himself issued new orders: take command of a remote prison mine in the inhospitable Ice Blades Mountains. Ridge has never been in charge of anything larger than a flier squadron—what's he supposed to do with a frozen fortress full of murderers and rapists? Not to mention the strange woman who shows up right before he arrives... Sardelle Terushan wakes from three hundred years in a mage stasis shelter, only to realize that she is the last of the Referatu, the sorcerers who once helped protect Iskandia from conquerors. Their subterranean mountain community was blown up in a treacherous sneak attack by soldiers who feared their power. Everyone Sardelle ever knew is dead, and the sentient soulblade she has been bonded to since her youth is buried in the core of the mountain. Further, what remains of her home has been infested by bloodthirsty miners commanded by the descendants of the very soldiers who destroyed her people. Sardelle needs help to reach her soulblade—her only link to her past and her last friend in the world. Her only hope is to pretend she's one of the prisoners while trying to gain the commander's trust. But lying isn't her specialty, especially when the world has changed so much in the intervening centuries, and if Colonel Zirkander figures out who she truly is, he'll be duty-bound to sentence her to the only acceptable punishment for sorcerers: death.

The Emperor's Edge Mar 19 2022 "Imperial law enforcer Amaranthe Lokdon is good at her job: she can deter thieves and pacify thugs, if not with a blade, then by toppling an eight-foot pile of coffee canisters onto their heads. But when ravaged bodies show up on the waterfront, an arson covers up human sacrifices, and a powerful business coalition plots to kill the emperor, she feels a tad overwhelmed. Worse, Sicarius, the empire's most notorious assassin, is in town. He's tied in with the chaos somehow, but Amaranthe would be a fool to cross his path. Deathmaker Jan 17 2022 When Lieutenant Caslin Ahn joined Wolf Squadron, she was prepared for the reality that she might one day be killed in the line of duty. She was less prepared for being shot down, assumed dead by her own people, and dragged off to the Cofah Empire as a prisoner of war. As if being thrust into a dungeon and interrogated wasn't bad enough, the sadistic commandant decides to give her a cellmate: the notorious pirate Deathmaker. Given the crimes he's committed against Iskandia, Cas owes it to her people to try and kill him. Part warrior and part scientist, Tolemek "Deathmaker" Targoson has not only slain thousands with his deadly concoctions, but he has a special loathing for Iskandian pilots. It was Ahn's commander, Colonel Zirkander, who ruined his military career, forcing him to leave his country in shame and join a pirate organization. Years later, he uses his dreadful reputation like a shield to keep people away; all he wants is to be left alone to work in his laboratory. But when fate lands him in a cell with Zirkander's protégé, he sees a chance for revenge. Why kill the lieutenant when he can use her to get to his old nemesis? There's just one problem: it's hard to plot against your enemies when you're in prison with them. Cas and Tolemek will have to work together if they hope to escape the Cofah dungeon. In the process, they may find that neither is what the other expects, and that they have far greater problems to worry about than ensnaring each other... *Deathmaker* is a full-length 85,000-word novel. It is set after the events in *Balanced on the Blade's Edge*, but it can be enjoyed even if you haven't read the first book.

The Third Witch Apr 08 2021 Rebecca Reisert's mesmerizing first novel re-imagines *Macbeth*, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath....Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. *The Third Witch* is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

Dragon Storm May 09 2021 Born with a secret power he must hide... Telryn "Trip" Yert has always been a little odd, with hunches that are too accurate to explain. Magic is feared and forbidden in Iskandia, so he's struggled his whole life to hide his eccentricities. As a boy, he was forced to watch his mother's execution. Her crime? Witchcraft. Understandably, Trip wants nothing to do with the power that lurks within him, always threatening to reveal itself. Instead, he dedicates himself to serving as an officer in the king's army, to battling pirates and imperial conquerors. He longs to become a soldier as respected and renowned as the legendary General

Zirkander. But his country is in need of more than a soldier. After disappearing for over a thousand years, dragons have returned to the world. A few of them are willing to be allies to mankind, as they were millennia before, but far more want to destroy or enslave humans and claim the world for themselves. There are few people left with the power to fight dragons. For reasons he doesn't understand, Trip may be one of those people. But if he chooses to learn more about his heritage and the power he can wield, he risks losing everyone he loves and everything he longs to be.

Oaths Aug 12 2021 General Ridgewalker Zirkander is getting married. Sardelle—the woman who's battled dragons, shamans, and countless enemy soldiers at his side—has accepted his proposal, and it's the perfect time for a wedding. It's been two months since any dragons or sorceresses attacked the city, the Cofah haven't come after their kidnapped emperor, and King Angulus has stopped yelling at Ridge for his inadvertent role in destroying the castle. Yes, it's the perfect time for a wedding. Never mind that the resident dragon who thinks he's a god is pressuring Ridge to build a temple for him, or that the pirate-turned-scientist Tolemek has disappeared. Or that Ridge's mother is on the verge of discovering that magic exists and her future daughter-in-law is a sorceress. These are small hiccups, and the wedding will go smoothly. Ridge is sure of it. Really.

Eye of Truth Jan 05 2021 After ten years at war, Jev Dharrow looks forward to hanging up his sword, relaxing with a cool mug of ale, and forgetting that the love of his life married another man while he was gone. But when his ship sails into port, a beautiful woman wearing the garb of an inquisitor from one of the religious orders waits to arrest him. His crime? He's accused of stealing an ancient artifact with the power to start another war. Jev would gladly hand over the artifact to stop more suffering, but he has no idea where it is or even what it looks like. The inquisitor woman definitely has the wrong person. Inquisitor Zenia Cham grew up with nothing, but she has distinguished herself as one of the most capable law enforcers in the city, and she's next in line to become archmage of the temple. All she has to do is find the Eye of Truth, and her superiors are certain that Jev has it. He tries to charm her with his twinkling eyes and easy smile, but she's not letting any man get between her and her dreams. Especially not a thief. If Jev can't convince Zenia they're on the same side, find the artifact, and clear his name, his homecoming will turn into a jail sentence. Or worse.

Secrets of the Sword 2 Aug 20 2019 For ten years, I've been using a magical sword that I won in battle to ruthlessly slay enemies, break evil artifacts, and open stubborn pickle jars, but I don't know much about it. That's about to change. Thanks to the fact that I'm dating a powerful dragon, I can get a ride to the dwarven home world, and we're going to research the sword's roots. Not that I care much about its history, mind you, but several allies and enemies have suggested it can do a lot more than whack things. Considering the magical bad guys I fight are always stronger, faster, and more powerful than I am, I need every advantage I can get. There's just one problem: a half-dwarf thief has shown up and says she's the rightful heir to the sword. I want to believe it's a scam and can't possibly be true, but I didn't get the sword in the most legitimate manner. If I have to give it up, I might not be able to do my job anymore, and just as bad, I'll be a target for all the bad guys who have been waiting for an opportunity to take me down.

Crossfire Aug 24 2022 For the first time in his life, roboticist Casmir Dabrowski is headed to another star system as an advisor for the Kingdom space fleet.
