This Dangerous Long Tall Texans 37 Diana Palmer, as one of the most involved sellers here will unconditionally be along with the best options to review.

Merciless Dec 24 2019 Tall, dark and eligible? That's all that matters to the women of Jacobsville when it comes to handsome and aloof FBI agent Jon Blackhawk. But if it were up to him, he would never settle down. Luckily, Jon has a gatekeeper: his efficient and reliable assistant, Joceline Perry. Without her help, he'd be at the mercy of husband hunters—but the more he comes to rely on her, the more he notices how invaluable she really is.... While Joceline can't deny that her boss is attractive, as a single mother with responsibilities she's determined to be professional. But when Jon is accosted by a criminal seeking revenge, she comes to his aid—fueling the spark that is growing between them. As the danger to Jon's safety grows, Joceline stands by his side. But when the smoke clears, will the man who avoided love realize that all he ever needed was right there all along?

The Alcalde Sep 20 2019 As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."

Two for Texas Sep 01 2020 In the early 1800s, nineteen-year-old Son Holland is falsely accused of stealing a purse and condemned to ten years in a brutal Louisiana prison camp. Determined not to spend the next decade behind bars, Son teams up with a fellow inmate and a beautiful Native American woman, and the trio flees. Killing a guard in the process, however, ensures they'll face a punishment far worse than the chain gang if they're caught. They realize their best chance for escape is seeking cover in the violent storm of revolution led by General Houston and James Bowie. Soon they find themselves in the midst of historic battles, attempting to secure not only their own freedom but that of the Republic of Texas. -- Back cover

Long, Tall Texans: Regan & Second Chance Cowboy Aug 24 2022 Fall in love with those LONG, TALL TEXANS in REGAN from New York Times bestseller Diana Palmer, originally published as REGAN'S PRIDE in 1994, and SECOND CHANCE COWBOY from New York Times bestseller B.J. Daniels, originally published in 2008. Two sexy cowboys, two second chances at a happily ever after. In REGAN, Ted Regan has a second chance with his first love—if his pride will allow him to forgive a mistake she made long ago. And in SECOND CHANCE COWBOY, Hank Monroe could be the one cowboy in Whitehorse, Montana, who can track down Arlene Evans missing daughter—which could be complicated when his own past comes knocking. These rough-riding men might have storied pasts, but when it comes to protecting the women they love, nothing is going to stand in their way. First published as REGAN'S PRIDE by Silhouette Romance in 1994 First published as SECOND CHANCE COWBOY by Harlequin Intrigue in 2008

Long, Tall Texans Vol. II: Tyler & Sutton Jul 23 2022 TYLER If a man took only a cursory glance at Nell Regan, he could easily miss the beauty in her shy face, or the sexy figure hidden beneath her shapeless clothes. Nell has learned the hard way that she doesn't have anything to offer a man. Her future is here in Arizona, running her dude ranch, by herself...until Tyler Jacobs arrives. But Nell's not about to mistake kindness for love. Not again. Yet could denying her own desire destroy her one chance for happiness? SUTTON With one glance of his piercing black eyes, rancher Quinn Sutton makes an indelible mark on Amanda Callaway, and she finds herself increasingly fascinated by her new neighbor. She quickly learns that the gruff single father isn't only devastatingly handsome, but he also insists on having his ranch run according to his rules—it's Sutton's way or the highway. But Amanda has her own secrets and plans to keep her distance. If only she weren't falling for her unlikely hero....

Texas Women Writers Mar 07 2021 Texas Women Writers: A Tradition of Their Own is a sweeping account of a rich yet largely ignored

literary history covering over 160 years of women's writing in the Lone Star State. Their writings vary widely in theme, setting, and voice; nevertheless, these writers share a distinct tradition that is in part defined by their isolation due to both geography and gender and is wholly different from that of their male counterparts. The introductory essay by the editors covers the history of women writers in Texas from the pioneers to the postmodernists, providing the context and theme for the survey. Critical-biographical portraits of the lives and careers of individual writers both major and minor follow: from novelists, dramatists, and poets, to writers of short stories, children's books, and creative nonfiction. Other essays examine the developmental history of major genres in the region and chronologically review each generation and the particular challenges of time and place that shaped their work. The careers of African-American and Tejana writers are also examined as part of newly emerging literary traditions.

Long, Tall Texans Collection Volume 4 Sep 25 2022 Don't miss three classic Long, Tall Texan tales of Lone Star passion from New York Times bestselling author Diana Palmer, plus a bonus story of cowboy passion from New York Times bestseller B.J. Daniels! *Long, Tall Texans: Emmett* (originally published in 1992 as *Emmett*) Single dad Emmett Deverell knew that moving to Jacobsville, Texas would give him lots of quality time to spend with his young children. But he soon realizes that he's no match for his three wild ones on his own; they could use a tender touch. Emmett needs help—stat—and the only person he can turn to is Melody Cartman. Sparks fly, but can secrets and trust issues get in the way of this ready-made family from finding a happily-ever-after? *Long, Tall Texans: Regan* (originally published in 1994 as *Regan's Pride*) Years ago, Coreen Tarleton fell head over cowboy boots for sexy millionaire cowboy Ted Regan. But his rough rejection sent her running into the arms of another man, a decision Ted could never forgive. But now Ted has a second chance with widow Coreen. She has grown into a beautiful woman, far from the naïve girl she was long ago, but her heart still belongs to her rogue rancher. What's standing in their way? Regan's pride... That Burke Man Todd Burke has no intention of marrying anyone, even if that means completing the family his daughter has always wanted. For Todd, one feisty female under his roof is just plenty. But his little girl absolutely adores pretty Jane Parker. And all the single father can do is keep on telling himself that he doesn't want Jane in his life for good. **FREE BONUS STORY INCLUDED IN THIS VOLUME!** *Second Chance Cowboy* Hank Monroe has just about every woman in Whitehorse dreaming of being his match. But the rancher also has the opportunities to set Arlene Evans' heart on fire—and her world to rights after her pregnant daughter disappears. She will do anything to get to the bottom of one tall, masculine, Montana mystery; their lives are on the line, but nothing in this rough 'On' tumble world can tear Hank and Arlene apart.

Semantik / Semantics Feb 24 2020 During the past 20 years the investigation into meaning of natural languages has emerged into one of the most active disciplines in theoretical linguistics. The different traditions of linguistics, philosophy of language and philosophical logic converged in the paradigm of truth conditional semantics, which now plays a central role in the cognitive sciences. From empirical research in particular languages more principal questions arise of how the speaker succeeds in expressing particular types of meaning by use of formal combination of signs. The theories developed to cope with the question assume that for a hearer, the meaning of a complex expression must be "computable", and therefore, modern theoretical semantics uses formal algebraic methods to construct the meaning compositionally in view of syntactic structure. Furthermore, meaning need to be "anchored" in the experience available to hearer. In order to deal with this, theoretical semantics extensively uses the concept of truth conditions, which roughly explain how a world must be structured in order to be matched by certain linguistic expressions. Semantic analyses are complemented by context theory and the theory of speech acts. Thus, linguistic meaning must be related to human cognitive capacities, and therefore, theoretical semantics is tightly connected with philosophical logic as well as cognitive sciences in general. The aim of this handbook is to represent the body of theoretical knowledge which has evolved in the international research of the last two decades. Some of the theories can now be termed "classical" in that they belong to the commonly accepted base of theoretical semantics. Other theories are still disputed, and there are problems still to be solved - as normal in a more developed science. The authors, who are leading experts in the field of semantics, try to balance the accepted and the questionable results. It goes without saying that each author hold a particular position in this respect. Some articles are written in English, some in German. Since semantics is considered to be a subfield of linguistics, the articles are arranged due to linguistic points of view. In the first 5 chapters (comprising 15 articles) the common principles of semantics are presented: ontological foundations of semantics, composition of meaning, problems of use (context, speech acts, and lexical base of meaning. The next 5 chapters (comprising 25 articles) are concerned with semantic phenomena, theories and problems which are specific for a particular class of linguistic expressions. These are arranged according to parts of speech: nouns, functional categories, verbs, adjectives and so on. This division does not reflect a theoretical position by itself, however it allows one to recognize problems connected with one another. Some more general questions are discussed in more than one article, in different perspective and vicinity. The Handbook is complemented by a service article on formal methods in semantics, followed by a comprehensive bibliography including about 1700 entries, and both a subject and a name index. This handbook is indispensable for all research in linguistics and neighboring disciplines (philosophy of language, cognitive sciences). Some of the articles can serve as basic literature for classes of advanced students.

Gateways to Readable Books Oct 22 2019

The Case of the Missing Secretary Jun 22 2022 Logan Deverell has infuriated Kit Morris for the last time. She's had enough of her boss's temper, his ingratitude and, most of all, his complete oblivion to her feelings for him. But she certainly manages to get his attention when she quits and joins the Lassiter Agency as their newest detective. Once he gets over his initial anger, Logan feels lost and miserable without Kit. Realizing what he needs to do, Logan vows to get Kit back...but he'll have to offer a lot more than a job—he'll have to give her his heart.

Renegade Dec 16 2021 "Diana Palmer knows how to make the sparks fly." --Publishers Weekly on *Renegade* From New York Times and USA TODAY bestselling author Diana Palmer comes this compelling classic of love, loss and sweet salvation Newly appointed police chief Cash Grier makes it his personal mission to keep law and order in the streets of Jacobsville. As a true renegade, Cash has learned never to take anything at face value--especially not his gorgeous sworn enemy, "Georgia Firefly" Tippy Moore. But Tippy is no longer a spoiled Hollywood starlet, just an unassuming beauty who has almost as many skeletons in her closet as Cash. Now the hard-edged Texan

finds himself powerless to resist their explosive chemistry. Just as Cash is about to believe that Tippy might be the one for him, an unforgivable betrayal leads to despair, deceit—and unexpected danger. Now all roads lead to this one pivotal moment that will test the very fabric of a love that had once known no bounds... Time of the Rangers Jan 05 2021 The second installment of a no-holds-barred look at the history of the famed Texas Rangers from western author Mike Cox Following up on his magnificent history of the 19th century Texas Rangers, Mike Cox now takes us from 1900 through the present. From horseback to helicopters, from the frontier cattle days through the crime-ridden boom-or-bust oil field era, from Prohibition to World War II espionage to the violent ethnic turbulence of the '50s and '60s--which sometimes led to demands that the Texas Rangers be disbanded. Cox takes readers through the modern history of the famed Texas lawmen. Cox's position as a spokesperson for the Texas department of Public Safety allowed him to comb the archives and conduct extensive personal interviews to give us this remarkable account of how a tough group of horse-borne lawmen--too prone to hand out roadside justice, critics complained--to one of the world's premier investigative agencies, respected and admired worldwide. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Regan's Pride (Long, Tall Texans, Book 11) Jan 25 2020 At twenty, Coreen Tarleton had fallen hard for sexy millionaire cowboy Ted Regan. But his rejection had sent her running into the arms of another man, a decision she'd always regretted and an action Ted could never forgive.

Long, Tall Texans Vol. III: Ethan & Connal Nov 15 2021 ETHAN Arabella Craig was eighteen when Ethan Hardeman first opened her eyes to passion...and then turned around and married another woman. Four years later, tragedy brings Ethan, still just as tall and handsome, but newly divorced and bitter, back into her life. He runs his family's cattle empire with an iron hand, yet he refuses to loosen his grip on the reins holding back his heart. But Arabella is determined not to let this Long, Tall Texan escape her again! CONNAN For years, Penelope Mathews worshipped the elusive C. C. Tremayne from afar. Until one night, when, trying to protect the mysterious loner from landing in jail after drinking a little too much, Pepi seeks refuge in a wedding chapel—and winds up emerging as Mrs. Connal Cade Tremayne! When C.C. realizes what happened, he's outraged and plans to end their "arrangement" immediately. Yet the more time he spends with Pepi, the more he realizes he doesn't want their marriage to end...

Leadership in the Library and Information Science Professions Sep 13 2021 Safely guide your library into the new millennium! Like so much else in the information professions, leadership styles are being forced to change to meet the demands of technological innovation. Leadership in the Library and Information Science Professions is among the first books to focus on this increasingly important job qualification. It offers practical advice for developing strong, flexible, and creative leadership skills in yourself and your staff. This fascinating volume stresses the leadership needed to manage change. The essential skills taught here will help you update library services at a reasonable pace while preserving valuable low-tech alternatives. As one chapter recommends, "Every librarian at every level should have ready an answer-multiple answers-to the ubiquitous questions: Why do we still need libraries when everything is on the Web? How can you justify an expanding budget in the Internet Age?" Leadership in the Library and Information Science Professions offers fresh ideas for developing and using leadership skills, including: recruiting tips for identifying potential leaders staff training and development restructuring the organization to encourage full staff participation budget strategies for successful leaders issues of gender and ethnic diversity evaluating and assessing leadership Leadership in the Library and Information Science Professions is an essential resource for library administrators and staff. By developing your leadership skills and those of your staff, you can confidently face the hectic pace of change in the information sciences.

Texans in Revolt Apr 20 2022 The first comprehensive history and analysis of the Siege of Béxar in early nineteenth-century Texas. While the battles of 1836—the Alamo, Goliad, and San Jacinto—are well-known moments in the Texas Revolution, the battle for Béxar

in the fall of 1835 is often overlooked. Yet this lengthy siege, which culminated in a Texan victory in December 1835, set the stage for those famous events and for the later revolutionary careers of Sam Houston, James Bowie, and James W. Fannin. Drawing on extensive research and on-site study around San Antonio, Alwyn Barr completely maps the ebbs and flows of the B exas campaign for the first time. He studies the composition of the two armies and finds that they were well matched in numbers and fighting experience—revising a common belief that the Texans defeated a force four times larger. He analyzes the tactics of various officers, revealing how ambition and revolutionary politics sometimes influenced the Texas army as much as military strategy. And he sheds new light on the roles of the Texan and Mexican commanders, Stephen F. Austin and Mart n Perfecto de Cos. As this excellent military history makes clear, to the famous rallying cry “Remember the Alamo!” “Remember Goliad!” should be added: “And don't forget San Antonio!” “Will most likely remain for some time the standard work on this battle. Outstanding scholarship and research are reflected in the book, including on-site study of the locale. . . . This is an important military history, and as such, it should be in all Texana collections.”—Review of Texas Books “This is a significant contribution to the study of Texas history. Texans in Revolt will be the standard work on this campaign.”—Ralph A. Wooster, Associate Vice President and Regents Professor, Lamar University

Structural Analysis and Design of Tall Buildings Aug 12 2021 As software skills rise to the forefront of design concerns, the art of structural conceptualization is often minimized. Structural engineering, however, requires the marriage of artistic and intuitive designs with mathematical accuracy and detail. Computer analysis works to solidify and extend the creative idea or concept that might have started o

Heartless Mar 27 2020 As a teenager, Gracie worshipped her stepbrother, Jason, a strong, silent young cowboy who left home early to seek his fortune.

Tall Texas Teen Tales Oct 26 2022 As a poor kid growing up, it was a challenge to have fun and not cost much, if anything. This book is specifically designed to let everybody know that fun doesn't have a price tag on it if an imagination and a warped sense of humor is part of the equation. Anybody can have a ton of fun, and make lifelong memories without getting into too much trouble. O.K. some of these stories are stretched to the borders of reality, but.....so what? Put yourself in the 60's and remember some of the stuff you pulled. As we go through the elementary school years, then junior high and high school, the fun gets more sophisticated. This will not be done though without having the “goofy and stupid” element ever present. If the warped sense of humor offends you in anyway, please accept this apology, and consider the source. The magic of the 1960's along with a small West Texas group of kids is an experience. Please consider the times compared to today's technology, and society. Back then, parents were to be loved, respected and feared, Nowadays, nobody knows the difference from beating a kid, and spanking a kid. What a shame. Also, there is a section about some of the cars back then. the 50's and 60's was the absolute pinnacle of power and beautiful design. Without the 60's, the muscle cars of the 70's would not have been born. Without the 60's, our music of the 70's and future decades would not have the roots to grow. Hippies, draft dodgers, moon walks, and the whole culture of youth changed drastically then. Teens came out of their controlled environment and grew in many directions. Some good, some not so good. many of the top performers were over-dosing on drugs. But, somehow, we made it through the 60's no worse for the wear. On the lighter side of growing up, you can now enjoy this era. Either by reading about it first hand, or bringing your own memories and comparing them. Either way, it will be fun, a lot of fun. GET READY TO LAUGH!!!

Long, Tall Texans - Bentley Jan 17 2022 Don't miss this fan-favourite tale of love on the range from New York Times bestselling author Diana Palmer, originally published as Tough to Tame in 2010. Gruff Dr Bentley Rydel tends some of the sickest animals in Jacobsville, Texas. Working for the ruggedly handsome doctor allows Capella "Cappie" Drake a peek inside Bentley's closed-off heart - but the last thing she needs is a man in her life. The innocent insists she's not ready for a man like Bentley, but the sizzling attraction between them is impossible to resist. But can both Cappie and her irresistible boss let down their guards for the love of a lifetime?

Joe, the Slave Who Became an Alamo Legend Oct 14 2021 "Among the fifty or so Texan survivors of the siege of the Alamo was Joe, the personal slave of Lt. Col. William Barret Travis. First interrogated by Santa Anna, Joe was allowed to depart (along with Susana Dickinson) and eventually made his way to the seat of the revolutionary government at Washington-on-the-Brazos. Joe was then returned to the Travis estate in Columbia, Texas, near the coast. He escaped in 1837 and was never captured. Ron J. Jackson and Lee White have meticulously researched plantation ledgers, journals, memoirs, slave narratives, ship logs, newspapers, personal letters, and court documents to fill in the gaps of Joe's story. "Joe, the Slave Who Became an Alamo Legend" provides not only a recovered biography of an individual lost to history, but also offers a fresh vantage point from which to view the events of the Texas Revolution"--

A Baby Between Friends Apr 27 2020 What Are Best Friends For? More than anything, Summer Patterson wants a baby. What she doesn't want is a husband. Thankfully, her best friend, Ryder McClain, makes the perfect sperm donor. Ryder is loyal, undeniably sexy and the one man she trusts—the only reason she agrees to conceive their baby naturally. When baby-making nights with Summer blaze like the West Texas sun, Ryder feels the heat. He never expected Summer to say yes to sharing his bed. Now he's falling for her—and the prospect of fatherhood—while hiding a secret that could destroy her faith in him forever.

Fahrenheit 451 Nov 22 2019 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Official Wisconsin School Library List Nov 03 2020

Pioneer Jewish Texans Feb 06 2021 With more than 400 photographs, extensive interviews with the descendants of pioneer Jewish Texan families, and reproductions of rare historical documents, Natalie Ornish's Pioneer Jewish Texans quickly became a classic following its original release in 1989. This new Texas A&M University Press edition presents Ornish's meticulous research and her fascinating historical vignettes for a new generation of readers and historians. She chronicles Jewish buccaneers with Jean Lafitte at Galveston; she

tells of Jewish patriots who fought at the Alamo and at virtually every major engagement in the war for Texan independence; she traces the careers of immigrants with names like Marcus, Sanger, and Gordon, who arrived on the Texas frontier with little more than the packs on their backs and went on to build great mercantile empires. Cattle barons, wildcatters, diplomats, physicians, financiers, artists, and humanitarians are among the other notable Jewish pioneers and pathfinders described in this carefully researched and exhaustively documented book. Filling a substantial void in Texana and Texas history, the Texas A&M University Press edition of Natalie Ornish's *Pioneer Jewish Texans* brings back into circulation this treasure trove of information on a rich and often overlooked vein of the multifaceted story of the Lone Star State.

Texas Monthly May 29 2020 Since 1973, *TEXAS MONTHLY* has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, *TEXAS MONTHLY* continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.

Untamed Jul 11 2021 "Untamed will definitely pull at your heartstrings." --*Harlequin Junkie* **THE MOST DANGEROUS MAN IS THE ONLY ONE SHE WANTS...** Stanton Rourke lives life on the edge. The steely mercenary is a menace in every way...especially to Clarisse Carrington's heart. She and Rourke were playmates as children, but she's not the innocent girl he once knew. When tragedy robbed Clarisse of her entire family, her life was changed forever. Besides, she's a grown woman now, and there are secrets that hold her back from succumbing to her pursuer. As she struggles to keep her distance, sparks as hot as a Texas summer fly between them. But danger is following Clarisse, leaving her no choice but to rely on Rourke, even as the old wounds lying dormant between them threaten to flare up again. LBJ and Mexican Americans Apr 08 2021 "Masterfully researched. . . . There is no book like this either in the field of LBJ literature or in the field of Chicano history." —Mario T. García, author of *Mexican Americans: Leadership, Ideology, and Identity, 1930–1960* As he worked to build his Great Society, Lyndon Johnson often harkened back to his teaching days in the segregated "Mexican school" at Cotulla, Texas. Recalling the poverty and prejudice that blighted his students' lives, Johnson declared, "It never occurred to me in my fondest dreams that I might have the chance to help the sons and daughters of those students and to help people like them all over this country. But now I do have that chance—and I'll let you in on a secret—I mean to use it." This book explores the complex and sometimes contradictory relations between LBJ and Mexican Americans. Julie Pycior shows that Johnson's genuine desire to help Mexican Americans—and reap the political dividends—did not prevent him from allying himself with individuals and groups intent on thwarting Mexican Americans' organizing efforts. Not surprisingly, these actions elicited a wide range of response, from grateful loyalty to, in some cases, outright opposition. Mexican Americans' complicated relationship with LBJ influenced both their political development and his career—with consequences that reverberated in society at large.
