Concealed Carry Class Jan 13 2021 Your Ultimate Resource for Practical Personal Protection
Concealed Carry Class: The ABCs of Self-Defense Tools & Tactics is a comprehensive guide to recognizing, avoiding and surviving violent confrontations. It covers everything from situational-awareness skills that can be honed to help keep you and your loved ones out of potentially dangerous scenarios; to the mental discipline it takes to carry a concealed weapon every day; to evaluating and selecting concealed-carry hardware, including handguns and calibers, holsters and clothing; to training drills you can use to become proficient with a handgun, and remain proficient through regular practice. Author Tom Givens has more than four decades of experience as a firearms instructor, has carried a gun professionally in one form or another for 50 years, and spent 25 years in various aspects of law enforcement and specialized security work, with stints in street patrol and investigations. Givens also owned and operated a firing range and training center for more than 18 years. During that time, he oversaw the firing of about 1.5 million handgun rounds each year, with all types of handguns. He trained about 2,500 students each year, including private citizens, security personnel and police officers, military police, intelligence units and Special Forces detachments. He has been involved in armed confrontations both as a police officer and as a private citizen, and has seen firsthand how decent people, with proper training, can fight back and overcome criminal attacks. Tom Givens calls on decades of firearms and law-enforcement experience to put together this practical collection of tips and tactics anyone can use for the safe, responsible and legal carrying of a concealed weapon.

Female and Armed Sep 28 2019 In *Female and Armed* Lynne Finch offers an information-packed follow-up to her first book, *Taking Your First Shot*. Based on questions and requests from readers, this book addresses more advanced techniques for personal defense as well as range drills to help readers practice and hone those skills. It's important to know how to defend yourself, and Finch provides the building blocks necessary to successfully navigate some dangerous, real-life scenarios. Be it a carjacking, robbery, or home invasion, readers will learn how to protect themselves and their family. *Female and Armed* introduces readers to more advanced situational awareness techniques and builds upon their previous shooting experience by teaching them how to responsibly handle and carry a concealed handgun. Finch covers the advances in female holsters and discusses the various ways to carry, as well as the importance of having a primary carry method. In addition to this, topics include handgun retention, defensive draw stroke and defensive reloading, shooting from an unstable platform, and shooting from within a car. Knowing how to handle yourself can make all the difference in a stressful and dangerous situation. This guide also includes defensive tactics when confronted by an assailant armed with a gun or knife. Brimming with full-color photos, this approachable guide is written in Finch's distinctive conversational and nonthreatening style. It is great for the novice shooter looking to advance and for the more experienced shooter looking for tips to improve her shooting.

Concealed Carry Bible May 29 2022 Concealed Carry Bible A Complete Self Defense Guide A to Z There are too many books about self-defense and handguns, I know. I see them and read a few of

them. But one thing I noticed lacking is how a gun can protect you in a self-defense situation. Most experts tell you what guns to buy, how to train with them, how to load them and how to shot them, but is that all you need to know? How do you find out when the time comes you will be able to pull the trigger? When I teach people about self-defense, I teach them about the ins and outs of handguns that are popular, how they work and what and how to fix common issues. But I hope that is not why you would read this book, I want to prepare you mentally, and physically and I want you to know all the laws that may affect you along with making you a master of concealed carry where you are comfortable, confident and will know when and how to use it if the time ever comes. I never thought my education and training would be put to test until one fateful day when I found myself in the middle of a gang related shoot out situation where I did have to draw my gun and use it. Let's just say I was little faster. That situation taught me a lot about the legal system and the abuse that goes on in the government everyday basis. But the important thing is I survived through it, and it made me a better person both as a human being and as an instructor who teaches self-defense through concealed carry. Regardless what you hear about declining crime rate, just remember the world population is growing at a much faster rate than the resources we survive on. When this happens you can imagine, more people will fight over the same resources than before. It won't surprise me if there will be a day when it will be "survival of the fittest" law meaning who has more strength, and power will win and have access to the resources. I am not trying to scare you; we are not there yet, it may never happen, but what if it does? Should we be ready? I believe we do. So if you can learn some basic self-defense handgun skills and learn to protect yourself and your family, it won't be such a bad thing would it? I tell my students, 97% of the people who carry guns will never have to use them on anyone, but it is there in case they ever need it. In my opinion, there is no harm in learning a new skill, specialty, if that skill can save lives. In This Book I Show You: The 50 State Laws for Concealed Carry Concealed carry and Ethics of Violence History of Concealed Carry in the USA What do you need to get ready for concealed carry How to Pick the Right Gun & Ammo Revolver Vs. Semi-Auto Pistol How to choose the right Caliber Using Laser Sights or not 3 Ways to Stop an Aggressor 6 Ways to Concealed Carry Top 10 Concealed Carry Firearms The ABC's of Shooting a firearm 14 Proper Shooting Checklist 5 Trigger Actions Common Gun Malfunction & Maintenance 5 Ways to Clearing Malfunctions What is Proper training for Concealed Carry 13 Concealed Carry Drill You Need to Master 12 Concealed Carry guidelines Legal Considerations You Should Know Using Deadly Force in Self Defense 10 Keywords to remember Know your 21 Foot Rule 20 Common Mistakes to Avoid 4 Must-Follow Rules for Concealed Carry while Travelling 11 Physical Handgun safeties What is Situational Awareness Be Safe.

The NRA Step-by-Step Guide to Gun Safety Oct 29 2019 Having shaped our nation since its birth, guns are an integral part of American life. As more and more Americans choose to own firearms, it becomes increasingly important to educate them on proper shooting and handling techniques. Drawing on the National Rifle Association's more than two centuries of shooting experience, as well as the collected knowledge of more than 55,000 certified instructors, The NRA Step-by-Step Guide to Gun Safety offers key—and life-saving—advice on using, caring for, and storing handguns, rifles, and shotguns. Packed with essential information and resources, including details on how propellants burn in cartridges, shooting etiquette on and off the range, and where to find a certified NRA shooting instructor, The NRA Step-by-Step Guide to Gun Safety will help reinforce the importance of safe gun-handling habits. Included is information on: The safest and most effective way to store and transport pistols, rifles, and shotguns The anatomy of the many kinds of guns available The proper way to reload any firearm The best way to clean your gun Proper use of eye and ear protection The correct clothing to wear while hunting Whether you are an experienced shooter or haven't shot a round in your life, The NRA Step-by-Step Guide to Gun Safety will provide new and enlightening information that will make you, and your family, safer gun owners. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on

deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

FIREARM SAFETY CERTIFICATE - M Jan 31 2020 The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..

The Gun Owners Guide to Insurance for Concealed Carry and Self-Defense Apr 15 2021 This is the first and only guide available for Gun Owners on the different insurance products and policies available that will provide coverage for a Self-Defense incident. The truth is most insurance carriers exclude coverage for "Intentional Injuries and Intentional Acts" and leaves them on their own in a Self-Defense shooting. The Gun Owner's Guide to Insurance for Concealed Carry and Self-Defense will take you through why Gun Owners need insurance and what coverage is available. Buy a copy for you and anyone you know who owns a gun today!

The Writer's Guide to Weapons Jan 01 2020 When it comes to writing weapons, most authors shoot from the hip--and miss. The Writer's Guide to Weapons will help you hit your target every time. Firearms and knives have starring roles in a wide range of genres--crime, thriller, war, mystery, Western, and more. Unfortunately, many depictions of weapons in novels and film are pure fiction. Knowing the difference between a shotshell and a slug, a pistol and a revolver, or a switchblade and a butterfly knife is essential for imbuing your story with authenticity--and gaining popularity with discerning readers. Inside you'll find:

- An in-depth look at the basics of firearms and knives: how they work, why they work, what they look like, and how to depict them accurately in your stories.
- The biggest weapons myths in fiction, TV, and film.
- A surefire guide for choosing the correct weapon for your characters, no matter their skill level, strength, or background.
- A review of major gun and knife laws, weapons safety tips, and common police tactics.
- "The Hit List," showcasing the most popular weapons for spies, detectives, gunslingers, gangsters, military characters, and more.
- Examples highlighting inaccurate vs. accurate weapons depictions.
- An insightful foreword by David Morrell, the award-winning creator of Rambo.

Equal parts accessible, humorous, and practical, The Writer's Guide to Weapons is the one resource you need to incorporate firearms and knives into your fiction like a seasoned professional.

Concealed Carry for Women Jun 17 2021 Concealed Carry for Women explains the mindset, skills, equipment and accessories necessary for successful concealed carry, with a focus on challenges unique to women. This book will help you: Decide to carry a gun for self defense The legalities and society's unwritten rules for armed citizens Shooting skills for concealed carry Integrating a concealed handgun into one's life Selecting a handgun How holsters work with the female figure Women's fashions and concealed carry: what works, what doesn't "Over the 18 years I've hosted Tom Gresham's Gun Talk radio show, I've taken calls from women all over the country, asking questions about whether it's smart to get a gun, what kind of gun to get, how to carry and the issues particular to women who carry. "In Concealed Carry for Women, Gila Hayes covers the basics of handgun and equipment choices and techniques of shooting. She also addresses issues unique to

women. Should I? Why? Can I? How do I? What if? What will people think? How can I carry a defensive handgun and still dress like a woman? "Concealed Carry for Women is an easy read of a serious subject. With nearly every turn of the page there is an 'I never thought of that' nugget. This is a work you will reread several times, getting more with each visit." --Tom Gresham, Host of Tom Gresham's Gun Talk radio show

Legally Armed: Carry Gun Law Guide 3rd Edition Jul 07 2020 The newly updated 3rd edition of Legally Armed: Carry Gun Law Guide educates you on nationwide carry laws, highlighting common points of law for each state and the District of Columbia. The opening chapters give a general overview of concealed carry. You'll learn how to interact with law enforcement when carrying concealed, how to handle and store your guns, and the best ways to travel with a firearm. The meat of the book spells out concealed carry laws state by state. Does your state issue permits? Does it recognize permits from other states? Are there restrictions for owning firearms? Selected excerpts from each state's gun laws give additional guidance, and contact information for state authorities are a resource for follow-up questions. For a quick at-a-glance reference, each state is ranked by a "Firearm Friendly" letter grade (from A+ down to F) to indicate the general lenience of its gun laws.

Handgun Buyer's Guide Jul 27 2019 The one-stop-shop for prospective handgun buyers. The market for new handguns is expanding rapidly, and that's good news for consumers. Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun, whether you're a recreational shooter, a concealed carry permit holder, a hunter or a serious competitive shooter. Today's handguns offer superb machining and utilize some of the most technologically-advanced alloys, polymers and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stem from new interest in handguns, primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first-time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing

growth and interest. Pistol competitions have become more popular and more advanced, evolving from slow-fire matches at local gun clubs to modern IPSC, IDPA and 3-gun competitions. Handgun Buyer's Guide will help both the bewildered new shooter find their feet and purchase a handgun, find the best accessories, and locate a place to practice on hone their skills. You'll find all you need for owning a handgun in the Handgun Owner's Guide! Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The Modern Day Gunslinger Nov 30 2019 "Serves the needs of the gun owner; the experienced shooter; those who own a weapon strictly for home-and self-defense; the military member who wants to become a better shooter in defense of our country; the law enforcement officer who risks his or her life going against the thugs of our society; and anyone interested in learning the defensive and tactical training techniques from some of the best and most experiences shooters in the world." -- Cover, p.
