The emphasis throughout is on how understanding macroeconomic policies, and the institutional f.  
[Mary Emmerling's American Country West](#) May 27 2022 Collects examples of traditional cowboy

and Indian arts and crafts and discusses the culture of the West  
**The West Country** Mar 25 2022 The English West Country is a land of exceptional landscapes: many miles of wild, unspoilt coastline and vast expanses of wild moorland; great cities such as Exeter, Plymouth, Bath and Bristol; and market towns, villages and hamlets. Farming, mining, quarrying, fishing and trade are the traditional industries of the counties of Wiltshire, Somerset, Dorset, Devon and Cornwall. On one level, the West Country is the most English of all English regions, home of clotted cream, thatch, church spires, folksong, hobby horses and Cecil Sharp. Yet the area was trading with Mediterranean Europe before the Romans. For many years Bristol was the centre

of the slave trade, and many of its great mansions were built on the proceeds of slavery. Great swathes of land in Dorset, Wiltshire and Devon are still used by the military and are off-bounds to visitors. And within the West Country is the special case of Celtic Cornwall, and the even more remote Isles of Scilly. People lived in the West Country long before Britain, or England, were invented. From the great stone circles of Avebury and Stonehenge in Wiltshire to the menhirs of Cornwall, and the wealth of prehistoric remains on the Isles of Scilly, this has always been an inhabited landscape, crafted by men and women working closely with nature and natural forces. John Payne explores this culturally rich and varied region, revealing many facets of its distinctive and much-loved identity. *Immigration from Countries of the Western Hemisphere* Jan 29 2020

**Description of the Antiquities Discovered in the Western Country** Dec 10 2020

**Johnny Kingdom's West Country Tales** Oct 20 2021 There are few people better acquainted with the West Country than Johnny Kingdom. His knowledge of local wildlife is second to none, but he's also a fount of knowledge when it comes to all the old stories that get passed down from generation to generation. West Country Tales is a charming collection of these local myths and legends, interwoven with many more anecdotes from Johnny himself and his forbears and friends. The atmospheric West Country landscape lends itself perfectly to dramatic tales of eerie hauntings and ghostly happenings, daring smugglers and dashing highwaymen, and many have heard of - or might even have seen - the modern-day legend that is the Beast of Exmoor. But what about the Flying Fish of Exmoor, a slippery catch of Johnny's that sailed up and over a bridge into the back seat of a passing open-top car, never to be seen again? Gently humorous and wonderfully evocative, it's only a matter of time before some of Johnny's own tales weave their way into West Country lore.

**Yankee Twang** Nov 28 2019 Merging scholarly insight with a professional guitarist's keen sense of the musical life, Yankee Twang delves into the rich tradition of country & western music that is played and loved in the mill towns and cities of the American northeast. Clifford R. Murphy draws on a wealth of ethnographic material, interviews, and encounters with recorded and live music to reveal the central role of country and western in the social lives and musical activity of working-class New Englanders. As Murphy shows, an extraordinary multiculturalism informed by New England's kaleidoscope of ethnic groups created a distinctive country and western music style. But the music also gave--and gives--voice to working-class feeling. Yankee country and western emphasizes the western, reflecting the longing for the mythical cowboy's life of rugged but fulfilling individualism. Indeed, many New Englanders use country and western to comment on economic disenfranchisement and express their resentment of a mass media, government, and Nashville music establishment they believe neither reflects nor understands their life experiences.

*A Dirty Death* Mar 01 2020 When irascible farmer Guy Beardon meets a very dirty death in his own farmyard, at first it seems like an accident - despite the fact that he was widely disliked. Only his daughter Lilah is prepared to defend his memory. And when, slowly, Lilah begins to suspect foul play, no one is eager to help her investigate. Suspicion becomes certainty when two more deaths occur - and both of them are unmistakably murder. The difficulty lies in discovering who, among Guy's many enemies, hated him enough to want him dead - and who went on killing to conceal the truth. There is certainly no shortage of suspects and it falls to local policeman Den Cooper to investigate the mysterious deaths.

*Motor Tours in the West Country* Jul 17 2021 This work is a part of the Motor Tour Series by Mrs. Rodolph Stawell. Like the other books of

Motor Tours, this enjoyable volume is specifically written for those who appreciate knowing something about the history and antiquities of the locations through which they pass and those who are fans of stunning scenery. At the same time, all the main roads of Devon and Cornwall are examined in exceptional detail, and even though Somerset is not thoroughly dealt with in this work, there are two chapters on that county. A summary of distances precedes each chapter. The book contains forty-eight illustrations by R. DE S. Stawell and an index and map of the pathways. Contents include: A Run Across Somerset The Heart of Devon The South Coast of Devon South Cornwall North Cornwall North Devon Through Somerset Again Once Upon A Time In The West...Country Dec 30 2019 You can take the man out of the city, but is the countryside ready for him? Comedian and born and bred townie, Tony Hawks is not afraid of a challenge - or indeed a good bet. He's hitchhiked round Ireland with a fridge and taken on the Moldovan football team at tennis, one by one. Now the time has come for his greatest gamble yet - turning his back on comfortable city life to move to the wilds of the West Country. With his partner Fran in tow and their first child on the way, he embraces the rituals of village life with often absurd and hilarious results, introducing us to an ensemble of eclectic characters along the way. One minute he's taking part in a calamitous tractor run, the next he's chairing a village meeting, but of course he still finds time for one last solo adventure before fatherhood arrives - cycling coast to coast with a mini pig called Titch. In the epic battle of man vs countryside, who will win out?

*Great People, Great Country, Nigeria the Beautiful* Aug 25 2019 East or West, home is the best. Nigeria, with the greatest concentration of black people on earth, is the best. In 2006, International Social Scientists rated Nigeria as the happiest nation worldwide. The Nigerian rebranding campaign which was launched by Professor Dora Akunliyi, Minister of Information and Communications on March 17, 2009 was fantastic and unprecedented. Abundantly blessed with oil, gas, bitumen, and iron ore, Nigeria is beloved within the international community for being among seven of the world's largest producers of gas and oil. Academically

and professionally, Nigerians are outstanding globally. Unprecedented influxes of Asian, European, and American investments envision Nigeria becoming an economic power by 2020. Nigeria is beautified by the Atlantic Ocean and the Rivers Niger and Benue, Olumo Rock, Forest Reserves, Lake Chad, Zoos, Lagos Marina Beach and Tinapa Holiday Resort, ranked among the best worldwide. As an African peace and power broker, Nigeria made militants free hostages: Americans, British, Italians, and Japanese, resolved Nigerian/Cameroonian Bakassi disputes diplomatically, and then changed three decades of brutal dictatorship to American-like democratic governance. Great People, Great Country, Nigeria the Beautiful paints a very powerful portrait of this beautiful and proud African nation.

**Lost Lanes West Country** Jul 05 2020 Jack Thurston, best-selling author of Lost Lanes series and presenter of the internationally acclaimed Bike Show, takes you on a freewheeling tour of the lost lanes and forgotten byways of Cornwall, Devon, Dorset, Somerset and Wiltshire. Enjoy 36 of the best rural rides in the region: Ride on traffic free lanes from the seashore into the heart of the west country. Stunning photography, downloadable GPX, handmade maps. Discover car-free routes through the grand estates of Longleat, Stourhead, Lanhydrock and Ashton Court. Escape to ancient trackways of Wessex's chalk downs, passing the prehistoric remains of Avebury, Silbury Hill and Stonehenge. Ride traffic free paths along the River Dart, River Camel and River Exe stopping for river swims and picnics in sun-dappled woodlands. Climb to the windswept heights of Dartmoor and Exmoor and descend beneath the towering crags of Cheddar Gorge.

Country & Western Dance Oct 08 2020 Discusses the uniquely American history of country and western dance, from the 1920s to the present.

**Traditional Country & Western Music** Jul 29 2022 Traditional Country & Western Music presents historical photographs, memorabilia, and stories about an enduring music genre that took root in America from the late 1920s through the mid-1930s. Although many of our early folk songs originated from the British Isles,

Jimmie Rodgers (the "Father of Country Music") and Gene Autry ("America's Favorite Singing Cowboy") became the foundation of modern country and western music. Many regional styles and variations of country and western music developed during the first half of the 20th century, including hillbilly, bluegrass, honky-tonk, rockabilly, southern gospel, Cajun, and Texas swing. Local artists, live radio shows, and regional barn dance programs provided entertainment throughout the Great Depression, World War II, and into America's postwar years. During the 1950s, country and western music became homogenized with the Nashville sound and the Bakersfield sound. By the end of the 1960s, country music completed its move to Nashville, and "western" was dropped from the equation. This book recalls the golden age of country and western music from the late 1920s through the 1960s. Each of the featured artists and programs in this book were once household names. We celebrate these early legends, live radio and television shows, unsung heroes, and local performers from Maine to California.

**West Country Regiments on the Somme** Aug 18 2021 Previous works have concentrated on the 'Pal' in Britain's northern towns and cities. This book seeks to explore the little appreciated part in the Battle of the Somme played by the Regular and Volunteer Service battalions of two small West Country regiments; the Devonshire Regiment and the Dorset Regiment. These two regiments had five battalions in action on the first day of the battle and were represented in most of the significant attacks during the three and half months of the 1916. The reader will be able to form a clear picture of the battle's development as a whole through the eyes of Westcountry soldiers who fought on the Somme.

*West Country Households, 1500-1700* Dec 22 2021 Essays on the development of the post-medieval house, its contents and decoration.

*The Western Balkans in the World* Apr 25 2022 This book provides a detailed understanding of how different types of engagements impact upon the reform and EU integration of the Western Balkan region. It examines the influence of Russia, China, Turkey and the UAE in the region and analyses the range of existing links.

Contributors offer an academic and multifaceted perspective of the role of external and non-Western actors in the region that goes beyond, on the one hand, the tendency of some Western decision makers to perceive all engagement by third powers as a sinister threat and, on the other, the view of regional governments of all external involvement as a boon coming at a time of Western neglect and reduced foreign investments. By looking at the importance of Russia, Turkey, China and the UAE in the Western Balkans, the book sheds light on one key arena of global competition, offers new insights on the strengths and weaknesses of Euro-Atlantic integration and advances our knowledge of foreign policy and its economic, social and security dimensions for small and medium-sized countries. It will be of interest to academics, postgraduate and research students, and think-tankers with research interest in IR and Southeast European Studies. European decision makers will also gain an insight into the extent of non-Western influence in the region.

**Cuming's Tour to the Western Country** Feb 09 2021 A man travels through the Mid-West and deep South following what seems to be a convoluted route.

**Telling Western Stories** Sep 06 2020 What has the western of literature and film contributed to American culture? Richard Etulain, the leading cultural historian of the West, answers that question by tracing four distinct storytelling traditions and exploring the indelible images each has left in the public's mind over the past 125 years. Our images of cowboys, lawmen, outlaws, and Indians come from a collage of sources, including Buffalo Bill, Frederick Jackson Turner, Calamity Jane, Mary Hallock Foote, Geronimo, Mourning Dove, Owen Wister, Zane Grey, Walter Noble Burns, John Ford, Louis L'Amour, Wallace Stegner, Patricia Nelson Limerick, Leslie Marmon Silko, and Larry

McMurtry. Etulain begins with the dominant image conveyed in Wild West shows and dime novels of the late nineteenth century -- the West as a place of adventure and danger. In the early twentieth century stories by women and Indians appeared, but they were soon overlooked and not rediscovered until the 1970s. The period from the 1920s to the 1950s represents the classic era of western movies and novels -- of cavalry charges to save the day and heroes in white hats. But since the 1960s a counter story has emerged, one of ambiguity and complexity that often turned upside down our notions about what really mattered in how we look at the West. [Where to Stay in the West Country \(Dorset, Somerset, Devon & Cornwall\) ...](#) Aug 30 2022
