**The News** Jul 28 2022 Alain de Botton explores our relationship with 'the news' in this book full of his trademark wit and wisdom. Following on from his bestselling Religion for Atheists, Alain de Botton turns now to look at the manic and peculiar positions that 'the news' occupies in our lives. We invest it with an authority and importance which used to be the preserve of religion - but what does it do for us? Mixing current affairs with philosophical reflections, de Botton offers a brilliant illustrated guide to the precautions we should take before venturing anywhere near the news and the 'noise' it generates. Witty and global in reach, The News will ensure you'll never look at reports of a celebrity story or political scandal in quite the same way again. Praise for Religion for Atheists: 'Smart and stimulating . . . a sensitive analysis of the deeply human needs that faith meets' Financial Times 'A serious and optimistic set of practical ideas that could improve and alter the way we live . . . energetic and on the side of the angels' Jeanette Winterson, The Times 'Packed with tantalising goads to thought and playful prompts to action' Independent Alain de Botton's bestselling books include Religion for Atheists, How Proust Can Change Your Life, The Art of Travel, and The Architecture of Happiness. He lives in London and founded The School of Life ([www.theschooloflife.com](http://www.theschooloflife.com)) and Living Architecture ([www.living-architecture.co.uk](http://www.living-architecture.co.uk)). [The User Manual of Me](#) Feb 20 2022 We all have heard of and used "user manuals." A user manual is a document to assist a user in using and working with a piece of equipment or software product. They are developed to guide the user so that they will have less problems and be more successful in using the product. What if every person came with a user manual? A guide that explains who they are and how to work with them? A few words that would provide insight into who they are and what you can do to connect with them better. The opportunity for creating greater understanding and opening productive, and transformational, conversations then becomes more possible. Better conversations lead to better relationships. Better relationships allow an environment of innovation and productivity. Trustful relationships in teams are at the foundation of psychologically safe work places. The latest research shows a direct correlation between trust and performance.The User Manual of Me is an online tool and companion workbook's purpose is to assist you in a personal brand statement to help others understand who you are, what you value, and how you like to work. It shows you how to construct a personal leadership brand statement according to the latest neuroscience research that has been proven to connect with people better.A well-crafted leadership band statement's purpose is to evoke positive emotions, thoughts, and images in people. To help you connect with others on a personal level and open the channels of communication about what is important and valuable in working better together.

Your User's Manual Sep 29 2022 What is the point? What is the purpose of life? Why must I suffer the stress, and anxiety that comes with it? Why does it all seem so hard and so unfair? If you have asked yourself any of these questions, then you have found the book you are looking for. There are answers to all of these questions and Anderson Silver has compiled teachings from Stoicism and other schools of thought in Your User's Manual. This refreshing collection not only gives the reader much sought after answers, but also provides the tools for finding purpose, and living an anxiety-free life in the modern world. Meant as a light read that the reader can come back to and meditate on periodically, Anderson has done a wonderful job of condensing fundamental teachings, making Your User's Manual a straightforward read in answering life's most pressing questions and recognizing what is truly important.

*Planning for Power Advertising* Nov 27 2019 This book is a step-by-step guide to producing a sound foundation for advertising: one that will serve as the springboard to inspire powerful creative expression. Rich in cases from the evolving Indian context, Planning for Power Advertising offers an understanding of how strategic advertising is created. It takes the reader through cases and analyses of what worked or did not work in the marketplace. Anand Halve involves the reader throughout in exercises with Action Points at the end of most chapters—an approach that brings alive the concepts within, and helps readers discover the theory in practice. For advertising professionals, this is a manual to create a robust advertising brief. For students of advertising and marketing, Planning for Power Advertising is a simulation exercise from which they will learn how to apply the principles that will help them in their future careers. And for professionals in areas related to advertising—such as media, event management and PR—this book provides an insight into how the strategic underpinning of advertising is built.

**Mastering the Nikon** Sep 25 2019 Mastering the Nikon D810 by Darrell Young provides a wealth of experience-based information and insights for owners of the new D810 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment. This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step-by-step setting adjustments; color illustrations; and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner, with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions, while feeling as if a friend dropped in to share his knowledge. The information in this book goes beyond the camera itself and also covers basic photography technique.

*David Busch's Canon EOS R7 Guide to Digital Photography* Mar 31 2020 David Busch's Canon EOS R7 Guide to Digital Photography is your all-in-one comprehensive resource and reference for the exciting new APS-C format Canon EOS R7. Enthusiasts will appreciate this 33-megapixel camera's superior low-light performance and action-friendly 30 frames-per second continuous shooting capabilities. Image stabilization built into the R7's body integrates with lens-based stabilization found in many lenses. Three available adapters make it easy to supplement your RF-mount lenses with a broad selection of legacy Canon EF and EF-S optics. The R7 also has two memory card slots, wireless connectivity to computers and smart devices, and high-definition 4K and Full HD movie-making capabilities. With this book in hand, you can quickly apply all these advanced features to your digital photography, while boosting your creativity to take great photographs with your Canon EOS R7. Filled with detailed how-to steps and full-color illustrations, David Busch's Canon EOS R7 Guide to Digital Photography covers all this upscale camera's features in depth, from taking your first photos through advanced details of setup, exposure, lens selection, lighting, and more, and relates each feature to specific photographic techniques and situations. Also included is the handy "roadmap" chapter, an easy-to-use visual guide to the cameras' features and controls. Learn when to use each option and, more importantly, when not to use them, by following the author's recommended settings for every menu entry. With best-selling photographer and mentor David Busch as your guide, you'll quickly have full creative mastery of your camera's capabilities, whether you're shooting on the job, as an advanced enthusiast, or are just out for fun. Start building your knowledge and confidence, while bringing your vision to light with the Canon EOS R7.

*APPLE TV MANUAL* Jan 28 2020 This book shows you exciting tips and in-depth tutorials you need to know about Apple Tv features and the TvOS-13 user interface. The Apple TV app was first introduced in the year 2016 for the iPad, iPhone, and Apple TV to offer a one-stop-shop where users can find media contents bought in the iTunes store, Television shows, and lots more. The Apple TV app gives you access to channels like Showtime, HBO, and Starz, not forgetting the Apple TV Plus. With the launch of the Apple TV+ channel service on November 1, you now have unlimited access to original content regardless of your device. Apple TV is the latest Tv in the Apple lineup. It offers several unique features to make the users more active and better monitor and stream their favorite shows and movies and several other great features for humanity. The information presented in this book is targeted at kids, teens, adolescents, and adults who are probably a beginner or dummies, seniors, or experts with the use of Apple Tv in a simple to understand and follow steps....

**Global Mobile Satellite Communications Theory** Jun 02 2020 This book discusses current theory regarding global mobile satellite communications (GMSC) for maritime, land (road and rail), and aeronautical applications. It covers how these can enable connections between moving objects such as ships, road and rail vehicles and aircrafts on one hand, and on the other ground telecommunications subscribers through the medium of communications satellites, ground earth stations, Terrestrial Telecommunication Networks (TTN), Internet Service Providers (ISP) and other wireless and landline telecommunications providers. This new edition covers new developments and initiatives that have resulted in land and aeronautical applications and the introduction of new satellite constellations in non-geostationary orbits and projects of new hybrid satellite constellations. The book presents current GMSC trends, mobile system concepts and network architecture using a simple mode of style with understandable technical information, characteristics, graphics, illustrations

and mathematics equations. The first edition of Global Mobile Satellite Communications (Springer, 2005) was split into two books for the second edition—one on applications and one on theory. This book presents global mobile satellite communications theory.

Basic TV Reporting Jun 26 2022 Basic TV Reporting is a practical, easy to read guide to the skills needed to become a successful television reporter - arguably the most demanding and glamorous job in journalism. The book describes the role in detail, how reporters fit into the editorial team and where their duties begin and end. Basic TV Reporting is a practical, easy to read guide to the skills needed to become a successful television reporter - arguably the most demanding and glamorous job in journalism. The book describes the role in detail, how reporters fit into the editorial team and where their duties begin and end. The late Ivor Yorke has enjoyed a wealth of experience to pass on to aspiring broadcast journalists, having spent more than 20 years as a writer, reporter, producer and editor, before becoming Head of Journalist Training, BBC News and Current Affairs. He was also a freelance training consultant. He is the author of Television News (now in its third edition) and co-author with the late Bernard Hesketh of An Introduction to ENG, also published by Focal Press. Reviews: 'This is a short, well-constructed book which is of as much value to the interviewed as to the interviewer. It is practical and down-to-earth ('keep off the gin, and stick to the tonic') and delightfully easy to read.' British Journal of Educational Technology. 'Easy to read guide to the skills needed to become a successful TV reporter.' Voice of the Listener

The P-STAT User's Manual Aug 17 2021

PASCAL User Manual and Report May 26 2022 A preliminary version of the programming language Pascal was drafted in 1968. It followed in its spirit the Algol-60 and Algol-W line of languages. After an extensive development phase, a first compiler became operational in 1970, and publication followed a year later (see References 1 and 8, p.14). The growing interest in the development of compilers for other computers called for a consolidation of Pascal, and two years of experience in the use of the language dictated a few revisions. This led in 1973 to the publication of a Revised Report and a definition of a language representation in terms of the ISO character set. This booklet consists of two parts: The User Manual, and the Revised Report. The Manual is directed to those who have previously acquired some familiarity with computer programming, and who wish to get acquainted with the language Pascal. Hence, the style of the Manual is that of a tutorial, and many examples are included to demonstrate the various features of Pascal. Summarising tables and syntax specifications are added as Appendices. The Report is included in this booklet to serve as a concise, ultimate reference for both programmers and implementors. It defines standard Pascal which constitutes a common base between various implementations of the language.

Speedlites Handbook Oct 26 2019 For those new to flash photography—or for anyone who has previously given up out of frustration—Speedlites Handbook, Second Edition, is a revelation. Follow along as photographer Syl Arena takes you on a journey that begins with an exploration of light and color, moves through a comprehensive discussion of the Canon Speedlite family and all of the accessories and equipment available to the Speedlite, and finally, explores crafting great light in one photo shoot after another. Whether you want to make a classic portrait, photograph a group, capture an important event, or create dramatic color effects in your images, Speedlites Handbook shows you how. In this fully updated second edition, Syl includes all of the newest Canon gear—including the radio-enabled 600EX-RT Speedlite and ST-E3 Transmitter—to ensure that you are completely up to date on all of the components in the Speedlite system. He also includes a downloadable online supplement on the brand-new 430EX III-RT Speedlite. Plus, he covers his newest best practices and workflows so you can make the most of your Canon gear. In this new edition, you'll learn how to: see the various properties of light itself, as well as the differences between how your camera sees versus how you see use all the buttons and dials of the entire Canon Speedlite family—from the flagship 600EX-RT and the new 430EX III-RT to vintage models like the 550EX understand the basics of on-camera flash . . . and the benefits of getting your Speedlite off the camera beautifully balance flash with the existing ambient light get amazing shots with just one Speedlite, all the way up to a dozen Speedlites use the right Speedlite mode for the job: E-TTL, Manual, Multi, and more use color gels to balance color, as well as create dramatic effects tame the sun—or any really bright light—with high-speed sync use Speedlites when photographing groups and events choose your camera's exposure settings to capture the shot that you truly want and much, much more

Chromecast User Guide Jul 16 2021 Chromecast looks like your average pen driver that only has the Chrome logo, but it is much more than that. It is a digital media streaming device developed by Google that lets you enjoy your favorite YouTube videos and other media from your phone, computer or tablet onto your TV. It serves as a channel to show internet content you want to see on a bigger screen, like your high definition TV. With an inexpensive price of \$35, people might think that Chromecast does not offer as much, but it actually does. It is much more powerful than any Smart TV HDMI dongle available in the market because it is supported by Google and its subsidiaries. "CHROMECAST USER GUIDE: A Step by Step User Manual for Beginners" helps you get started on how to use this device and maximize its usage. Inside this book you'll learn: What the Chromecast is? Why you should get it? Why is it better than Apple TV or Roku? Step by Step Guide on how to set up your Chromecast Apps and websites that work on Chromecast How to watch any web content on your Chromecast Watch restricted access internet video Watch your own movie How to cast your entire computer screen How to cast music, photos, and video from your iOS or Android mobile device How to use your iOS or Android device as a remote control for your Chromecast More ways to use your Chromecast Chromecast tricks And so much more Get a copy and discover what the Chromecast device is all

about and how it can take your entertainment pleasure to the next level!

**Chromecast Device User Guide** Nov 19 2021 Since the internet speeds went above the 500kbps mark, the number of things people can do with their interconnected devices skyrocketed. Automated homes, connected cars, and internet enabled TVs. The latter is what threatens to revolutionize the entertainment world as we know it, do away with cable TV and abolish the need for expensive blue-ray players. Even though smart TVs are so lucrative, most people find them either too costly, or limiting. The alternative would be going for a TV with an HDMI port, a USB port and purchasing a dongle to bring in the power of internet TV. Chromecast is one of the best and cheapest such tools in the market.
