Australian Finance Law May 02 2020 "Australian Finance Law, 7th Edition provides comprehensive coverage of Australian finance law, including the regulation of the Australian financial system, capital markets, debt finance, taxation and insolvency law. It has been written and compiled by Partners, Consultants and Associates of King & Wood Mallesons. This well-regarded work combines both legal analysis and its practical application to financing transactions. It is designed for general and specialist advisers, combining both fundamental and more complex legal and practical analysis. It is also an important resource for students of Australian financial and commercial law. Although it has been written from a primarily Australian context, a number of the chapters have a more international application, either because of the global nature of finance, or because of the similarity in legal concepts between common law jurisdictions." --Publisher's website.
