Seals and Sealing in the Ancient World Aug 05 2020 Studies of seals and sealing practices have traditionally investigated aspects of social, political, economic, and ideological systems in ancient societies throughout the Old World. Previously, scholarship has focused on description and documentation, chronology and dynastic histories, administrative function, iconography, and style. More recent studies have emphasized context, production and use, and increasingly, identity, gender, and the social lives of seals, their users, and the artisans who produced them. Using several methodological and theoretical perspectives, this volume presents up-to-date research on seals that is comparative in scope and focus. The cross-cultural and interdisciplinary approach advances our understanding of the significance of an important class of material culture of the ancient world. The volume will serve as an essential resource for scholars, students, and others interested in glyptic studies, seal production and use, and sealing practices in the Ancient Near East, Egypt, Ancient South Asia and the Aegean during the 4th-2nd Millennia BCE.

Luck is the Hook Apr 12 2021 Imtiaz Dharker was born in Pakistan, grew up a Muslim Calvinist in a Lahori household in Glasgow, was adopted by India and married into Wales. Her main themes are drawn from a life of transitions: childhood, exile, journeying, home, displacement, religious strife and terror, and latterly, grief. She is also an accomplished artist, and all her collections are illustrated with her drawings, which form an integral part of her books. *Luck Is the Hook* is her sixth book from Bloodaxe. In these poems, chance plays a part in finding or losing people and places that are loved: a change in the weather, a trick of language, a bomb that misses its mark, six pomegranate seeds eaten by mistake; all these events cast long shadows and raise questions about who is recording them, about believing, not believing, wanting to believe. A knot undone at Loch Lomond snags over Glasgow, a seal swims in the Clyde, a ghost stalks her quarry at a stepped well, an elephant and a cathedral come face to face on the frozen Thames, a return ticket is thrown into the tide of Humber, strangers wash in. Even in an uncertain world, love tangles with luck, flights show up on the radar and technology keeps track of desire. Imtiaz Dharker was awarded the Queen's Gold Medal for Poetry 2014 for *Over the Moon* and for her services to poetry.

Embrace the Suck May 14 2021 Get into the Navy SEAL mindset with this raw, brutally honest, in-your-face self-help guide that will teach you how to thrive on adversity. During the brutal crucible of Navy SEAL training, instructors often tell students to "embrace the suck." This phrase conveys the one lesson that is vital for any SEAL hopeful to learn: lean into the suffering and get comfortable being very uncomfortable. In this powerful, no-nonsense guide, Navy SEAL combat veteran turned leadership expert Brent Gleeson teaches you how to transform every area of your life—the Navy SEAL way. Can anyone develop this level of resilience? Gleeson breaks it down to a Challenge-Commitment-Control mindset. He reveals how resilient people view difficulties as a Challenge, where obstacles and failures are opportunities for growth. Next, they have a strong emotional Commitment to their goals and are not easily distracted or deterred. Finally, resilient people focus their energy on the things within their Control, rather than fixating on factors they can't impact. Embrace the Suck provides an actionable roadmap that empowers you to expand your comfort zone to live a more fulfilling, purpose-driven life. Through candid storytelling, behavioral science research, and plenty of self-deprecating humor, Gleeson shows you how to use pain as a pathway, reassess your values, remove temptation, build discipline, suffer with purpose, fail successfully, transform your mind, and achieve more of the goals you set

The Road Mar 31 2020 The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. Hold on to Your Kids May 02 2020 'Maté's book will make you examine your behaviour in a new light' Guardian 'bold, wise and deeply moral. [Maté] is a healer to be cherished' Naomi Klein, author of *No Logo* and *The Shock Doctrine* Children take their lead from their friends: being 'cool' matters more than anything else. Shaping values, identity and codes of behaviour, peer groups are often far more influential than parents. But this situation is far from natural, and it can be dangerous – it undermines family cohesion, interferes with healthy development, and fosters a hostile and sexualized youth culture. Children end up becoming conformist, anxious and alienated. In *Hold on to Your Kids*, acclaimed physician and bestselling author Gabor Maté joins forces with Gordon Neufeld, a psychologist with a reputation for penetrating to the heart of complex parenting. Together they pinpoint the causes of this breakdown and offer practical advice on how to 'reattach' to sons and daughters, establish the hierarchy at home, make children feel safe and understood, and earn back your children's loyalty and love. This updated edition also addresses the unprecedented parenting challenges posed by the rise of digital devices and social media. By helping to reawaken our instincts, Maté and Neufeld empower parents to be what nature intended: a true source of contact, security and warmth for their children.

The Hour I First Believed Nov 27 2019 New York Times Bestseller The profound and compelling story of a personal quest for meaning and faith from Wally Lamb, #1 New York Times bestselling author of *She's Come Undone* and *I Know This Much Is True* “The beauty of *The Hour I First Believed*, a soaring novel as amazingly graceful as the classic hymn that provides the title, is that Lamb never loses sight of the spark of human resilience. . . . Lamb’s wonderful novel offers us the promise and power of hope.” —Miami Herald When 47-year-old high school teacher Caelum Quirk and his younger wife, Maureen, a school nurse, move to Littleton, Colorado, they both get jobs at Columbine High School. In April 1999, Caelum returns home to Connecticut to be with his aunt who has just had a stroke. But Maureen finds herself in the school library at Columbine, cowering in a cabinet and expecting to be killed, as two vengeful students go on a murderous rampage. Miraculously she survives, but at a cost: she is unable to recover from the trauma. Caelum and Maureen flee Colorado and return to an illusion of safety at the Quirk family farm back east. But the effects of chaos are not so easily put right, and further tragedy ensues. In *The Hour I First Believed*, Wally Lamb travels well beyond his earlier work and embodies in his fiction myth, psychology, family history stretching back many generations, and the questions of faith that lie at the heart of everyday life. The result is an extraordinary tour de force, at once a meditation on the human condition and an unflinching yet compassionate evocation of character.

The Daily Show (The Book) Feb 08 2021 The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, Steve Carell, Lewis Black, Jessica Williams, John Hodgman, and Larry Wilmore-plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader

behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program hosted by Craig Kilborn to Jon Stewart's long reign to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, Jon Stewart's emotional monologue in the wake of 9/11, his infamous confrontation on *Crossfire*, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, the *Indecisions*, *Mess O'Potamia*, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Charmed by the Bartender Jun 02 2020 Who knew sleeping with the enemy could be this fun? Was the one night stand a good idea? Well, no. Probably not in retrospect. In my defense I had just moved back into my grandparent's house, I'd lost my dream job, and a guy on Tinder had stood me up. It was like life had suddenly stamped 'LOSER' on my forehead. So when the guy behind the bar started giving me THE look...you know, the one that promised I'd be screaming his name into the wee hours of the morning? When that guy also has the perfect amount of scruff on his chiseled chin, biceps bulging out of his t-shirt, and a cocky grin you knew he'd earned in the sack...when he gives you that look, you don't bother to figure out what your six degrees of separation are. You jump on that horse and ride it! Pun fully and completely intended. And accurate by the way. I fully admit to feeling sorry for myself and acting impulsively, but by the time I'd figured out WHO the bartender was, I was already falling for him. A romcom from a secret duo of USA Today Bestselling Authors, comes the first COMPLETE STANDALONE in the Modern Love Series.
