Ford Madox Ford and the Misfit Moderns Feb 06 2021 Ford Madox Ford is a major modernist writer, yet

many of his works do not conform to our assumptions about modernism. Examining ways in which he, alongside other 'misfit moderns', undermines 'stabilities' we expect from novels and memoirs, this book poses questions about the nature of narrative and the distinction between modernism and modernity.

**Preacher's Pearl** Sep 13 2021 The last of the single men of Pistol Ridge - A woman doctor trying to find home - A town that welcomes both. Laura Malburn is fresh out of medical college when she is offered a job taking over her uncle's office. She heads to Pistol Ridge, a place out west where doctors of the female gender are tolerated. Pierson Radcliff, or better known as Preacher, is the last single man in the small group of heroes in Pistol Ridge. He thinks he has a reputation to uphold as a charmer, but when a new doctor arrives, everything changes. When things go awry, as it tends to do in Pistol Ridge, will these two hearts beat as one, or will evil prevail? Will the folks of Pistol Ridge be able to stand up once again to keep their town clean? Pistol Ridge is a small remote mining town near Nevada City, Montana Territory, where a dirty sheriff had held the town hostage by ordering his thugs to steal a percentage of their earnings to keep law and order. But, the women, holding a secret society, went looking for a hero. They found him and cleaned up the town with the help of seven men who fought in the war to help their former commander. Now, seven men are looking for somewhere to hang their hats. Will Pistol Ridge be the place to find reprieve for their weary souls? This is Pierson Radcliff's story - also known as Preacher

**The Path of the Pole** Nov 15 2021 Hapgood's tour de force is back in print! This riveting account of how earth's poles have flipped positions many times is the culmination of Hapgood's extensive research of Antarctica, ancient maps and the geological record. This amazing book discusses the various pole shifts in earth's history -- occurring when earth's crust slips in the inner core -- and gives evidence for each one. It also predicts future pole shifts: a planetary alignment will cause the next one on 5 May 2000! Packed with illustrations, this book is the reference other books on the subject cite over and over again. With millennium madness in full swing, this is just the book to generate even more excitement at the unknown possibilities.

A Guide to Responsible Undersea Exploration Oct 02 2020 A Guide to Responsible Undersea Exploration (RUE) was written to help educate divers who may happen upon what they believe to be undiscovered treasure or artifacts. It is not just university-trained archeologists that make discoveries; it is everyday people like you that may happen across wondrous events that were hitherto lost in time. The proper documentation of your find gives it meaning and historical context. This book tells you how. The author arms you with the tools and knowledge to proceed into areas of the unknown where true explorers may find themselves.
