The Teenager's Guide to the Real World Jun 22 2019 "Provides in-depth guidance on making the transition into adulthood and laying a foundation for success."--Page 4 of cover.

Perfect Prepositions Dec 29 2019 As high frequency words, prepositions are one of the most dynamic parts of speech. Perfect Prepositions shows the meanings and usage of prepositions in Modern English. Used in unstressed syllables and pronounced fast and softly in oral speech, prepositions are often barely distinguishable to the listener. Prepositions can also pose communication problems for English learners and even native speakers. Author Galina Kimber provides general and specific information on the meanings of prepositions as well as ideas on usage as they are applied today. Living languages constantly evolve over time, and reference books like Perfect Prepositions reflect these changes. Perfect Prepositions details different ways of defining the meanings of almost one hundred prepositions written in semantic categories and subcategories that are easy to understand and use in daily life. It's a useful resource for those desiring to improve their communication skills.

Real-Life Discipleship Jan 10 2021 The one BIG question: How do you disciple another man? Men in thousands of churches across the world know there is more to faith than just attending church — they know there is the potential to walk in Christ's image, live in Christ's image, and work to spread Christ's word. But the one big question they are all asking is how? The Spirit of God is compelling them to seek the answer. This book is the gateway to answering that question. The authors spent years struggling to build a life of meaning before realizing their depravity and asking the questions: [What does it mean to be a godly man, and how can I become one?] The Spirit answered by sending men into their lives to disciple them, not with disdain or judgment, but with love and compassion, a gospel-centered focus. These men walked alongside them in the messiness of life, helping them to apply Biblical truths and spiritual disciplines in a challenging world. From their own personal journeys, out of the abyss, the authors have written this book. Here you will learn to: — BUILD a one-on-one relationship — CREATE a culture of men who support each other — LOOK TO CHRIST and find what obstacles are blocking you — TRANSFORM your life seeing the Gospel advance through the discipling of other men. Real-Life Discipleship: The Ordinary Man's Guide to Disciple-Making offers a gateway from confusion to clarity, from struggle to transformation.

[Using English Expressions for Real Life: A Guide for Advanced ESL Learners](#) Feb 08 2021 English is full of expressions that convey slang meanings, sarcastic meanings, informal meanings, and other meanings that are not immediately apparent by defining the single words in an expression. This book was written for the advanced ESL learner who wants to explore the next level of English proficiency: understanding how English native speakers communicate daily needs, feelings and desires using expressions.

[Get Your Life Together\(ish\)](#) Mar 12 2021 Achieve your goals no matter how big or small with these 50 simple challenges that actually fit into your life, using this accessible and self-paced approach to self-improvement. Looking to improve your relationships? Be more confident at work? Eat less sugar? However you want to be better, Get Your Life Together (ish) is here to help with fifty simple, actionable challenges to self-improvement. With reward-based challenges ranging from easy to hard, this book will be with you every step of the way in your journey to the person you want to be. Try an easy level challenge that can be completed in a single day like waking up fifteen minutes early to give yourself a little morning lime-time. Or work up to a harder challenge that you'll tackle over the course of a month like signing up for a weekly yoga class and making a commitment to attend every single one. Learn from easy-to-follow, step-by-step instructions and track your goals and successes with interactive worksheets. And with manageable, realistic timelines for each challenge, you'll find it easy to make changes in your daily life without any added pressure! With this book in hand, you'll discover everything from how to start saving money to how to develop a cleaning routine, to creating an emergency fund and avoiding burnout at work. Whatever changes you're looking to make in your life and in yourself, there's a plan for you here. Start to change your life one challenge at a time!

The Jesuit Guide to (Almost) Everything Oct 26 2019 NEW YORK TIMES BESTSELLER. WINNER OF THE CHRISTOPHER AWARD. The Jesuit Guide to (Almost) Everything by the Reverend James Martin, SJ (bestselling author of Jesus: A Pilgrimage) is a practical spiritual guidebook that shows you how to manage relationships, money, work, prayer, and decision-making, all while keeping a sense of humor. Inspired by the life and teachings of St. Ignatius of Loyola, the founder of the Society of Jesus, this book will help you realize the Ignatian goal of [finding God in all things.] Filled with relatable examples, humorous stories, and anecdotes from the heroic and inspiring lives of Jesuit saints and average priests and brothers, The Jesuit Guide to Almost Everything will enrich your everyday life with spiritual guidance and history. Inspired by the life and teachings of St. Ignatius of Loyola, the founder of the Society of Jesus and centered around the Ignatian goal of [finding God in all things,] The Jesuit Guide to Almost Everything is filled with user-friendly examples, humorous stories, and anecdotes from the heroic and inspiring lives of Jesuit saints and average priests and brothers. The Jesuit Guide to Almost Everything is sure to appeal to fans of Kathleen Norris, Richard Rohr, Anne Lamott, and other Christian Spiritual writers.

Real Life 101 Jul 28 2022 Discusses the practical facts in life in order to live on one's own. Examines: renting an apartment, buying a car, managing money, and taking care of oneself.

Reel Life, Real Life Jan 22 2022 REEL LIFE - REAL LIFE is a video guide with a difference. Whether you are looking for a movie that will help you probe the mysteries of love & sex, appreciate the demands & rewards of striving for personal fulfillment or face the challenges of serious illness, you will find guidance in these pages. The four authors, life-long film buffs, have pooled their professional experience in social work, education, & journalism to prepare more than 700 penetrating reviews of feature films. Including classics of the early cinema & the latest video releases, these movies provide valuable insights into 17 major life issues & situations, from aging to substance abuse. Other chapters include Family, Marriage & Divorce, Homosexuality, Friendship, Coming of Age, Prejudice, Violence & Rape, Feisty Women, Single Life, Taking a Stand, Mental Illness & War. The authors also offer their personal selection of "popcorn" movies - movies that promise pure entertainment for those moments when everyone longs to be transported by laughter, fantasy or adventure. Call Mary Ann Horenstein at 800-900-REEL for information or send a check for \$12.95 plus \$2.50 mailing costs to Fourth Write Press, P.O. Box 156, Kendall Park, NJ 08824-0156. Quantity discounts available.

Real-Life Rules Apr 24 2022 Raise happy, confident, and resilient children—engaging activities that explore the life lessons that make for a well-rounded upbringing. As our children journey into adolescence, their social worlds begin to expand. While we can't protect them from what other people say or do, or paint them a picture of a perfect world, we can teach them how to handle themselves and difficult situations from the inside out. Teens and tweens crave more autonomy, but they need guidance more than ever. By equipping children with a variety of methods for dealing with different scenarios, we can give them the tools they need to navigate through life. This book offers insights, practical advice, and concrete activities that will serve children well as they begin to find their way independently in the world, while at the same time helping parents to provide them with scaffolding to be safe, happy, and successful. With chapters that focus on: · cultivating positive qualities such as gratitude, courage, integrity, and generosity · understanding health and nutrition · mastering simple etiquette · connecting with others, resolving conflict, and empathy · exploring fiscal responsibility · best practices for social media and navigating the digital world · and more! Through hands-on projects, vivid graphic printables, and interactive activities, Real-Life Rules brings the whole family to the table, offering opportunities to explore, discuss, and experience both the concrete and abstract concepts that are critical for living a meaningful, thoughtful life.

The Real-Life MBA Sep 17 2021 The business titans and #1 New York Times and Wall Street Journal bestselling authors of Winning return with a modern, essential guide for everyone in business today—and tomorrow—that explores the most pressing challenges related to creating winning strategies, leading and managing others, and building a thriving career. In the decade since their blockbuster international bestseller Winning was published, Jack and Suzy Welch have dug deeper into business, traveling the world consulting to organizations of every size and in every industry, speaking before hundreds of audiences, working closely with entrepreneurs from Mumbai to Silicon Valley, and, in 2010, starting their own fully accredited online MBA program, which now has approximately 1,000 students enrolled. Over the same time frame, Jack has advised more than seventy-five companies through private equity, and dozens more in a senior advisory role at IAC. Now, Jack and Suzy Welch draw on their experiences to address the biggest problems facing modern management—and offer pragmatic solutions to overcome them. Going beyond theories, concepts, and ideologies, they tackle the real stuff of work today. When you get down to it, they argue, winning in business is all about mastering the gritty, inescapable, make-or-break, real-life dilemmas that define the new economy, the old economy, and everything in between. Work is a grind. We just got whacked. My boss is driving me nuts. I'm stuck in career purgatory. My team has lost its mojo. IT is holding us hostage. Our strategy is outdated the day we launch it. We don't know what our Chinese partners are talking about. We're just not growing. These are some of the day-to-day issues the Welch's take on. Coupled with Jack's years of iconic leadership and Suzy's insights as former editor of the Harvard Business Review, their new database of knowledge infuses The Real Life MBA with fresh, relevant stories and equally powerful solutions that every manager at any level can use right now.

Amazing Things Will Happen Oct 07 2020 Work hard, be kind, and amazing things will happen Amazing Things Will Happen offers straightforward advice that can be put into action to improve your life. Through personal anecdotes from the author's life, and interviews of successful individuals across several industries, this book demonstrates how to achieve success, in all aspects of life, through hard work and acts of kindness. Split into five sections, this book details how to begin the self-improvement journey. Explains how to cope with the situation you are currently in, and how to make the most of it until you can break free Shares exercises and practices that can help define your goals and how to set realistic tasks to reach them Helps you to navigate the seas of doubters and obstacles to get to where you want to be Ensures that you help others, once you have reached your goals Each of us has different goals in life, but everyone wants to succeed, and have as much fun as possible along the way. Amazing Things Will Happen shows how to get on this path to success.

[The Real World Guide to Psychotherapy Practice](#) Jun 02 2020 Managed care has radically reshaped health care in the United States, and private long-term psychotherapy is increasingly a thing of the past. The corporatization of mental health care often puts therapists in professional quandaries. How can they do the therapeutic work they were trained to do with clients whom they may barely know, whose care is intruded upon by managed care administrators? With unrelenting pressure to substitute medications for therapy and standardized behavior protocols for individualized approaches, what becomes of the therapist-client relationship? Unflinchingly honest, The Real World Guide to Psychotherapy Practice offers both compelling stories and practical advice on maintaining one's therapeutic integrity in the

managed care era. Resisting a one-size-fits-all approach, the authors focus on the principles of forming relationships with patients, and especially patients likely to be under-served (e.g., the uninsured poor) or difficult to treat. *The Real World Guide to Psychotherapy Practice* gives voice to therapists' frustrations with the administrative constraints under which they work. But it accepts the reality and offers guidance and inspiration to committed therapists everywhere.

The Real World Guide to Psychotherapy Practice May 02 2020 Private long-term psychotherapy is increasingly a thing of the past, but the corporatization of mental health care often puts therapists in professional quandaries. Unflinchingly honest, this guide offers both compelling stories and practical advice on maintaining one's therapeutic integrity in the managed care era.

A Real-life Guide to Organizational Change Dec 21 2021 George Blair and Sandy Meadows - themselves battle-hardened veterans of the change process - take a refreshingly different approach to most of the new books, videos, seminars and gurus emerging to tell managers how to cope with change. They encourage the reader to start from the reality of his or her own organization and have the courage to design the programme that will work in real life. Drawing both on proven systems and their own extensive experience, they chart the way forward from strategy to implementation. With the aid of checklists, illustrations and case studies, they show how to diagnose existing problems, how to construct the appropriate plans and how to deal with the politics. They examine the various options, including empowerment, TQM and re-engineering, set out the criteria for selecting the best mix for your own circumstances and then explain the techniques involved in implementation. Unlike many other books on change, they pay due attention to the need for a reward strategy to support the aims of the change programme.

A Real-World Guide to Restorative Justice in Schools Aug 05 2020 This book is designed to help you navigate the challenges and joys of building and maintaining a healthy restorative ecosystem in your school, while providing concrete tools and real-world stories to guide you through the process. Traditional methods of discipline are commonly found to be ineffective, and this book shows how restorative justice can benefit schools in a huge variety of ways, such as decreasing the need for suspensions, increasing academic outcomes, and improving the health of your whole school community. Written by the founder and the education director of the National Center for Restorative Justice, each and every chapter is packed with expertise on everything from carrying out the stages of a restorative circle to understanding the importance of conflict. The authors pull no punches in showing that this work is not always easy, but their passion for restorative justice shines out of every page, demonstrating just how valuable this approach can be in bringing the absolute best out of your students and school.

The Gaming Overload Workbook Sep 05 2020 Essential skills and strategies for managing your gameplay and creating a well-balanced life. Do you spend hours on end playing video games? Do marathon gaming sessions cause you to lose much-needed sleep? Have your grades suffered as a result of neglecting schoolwork in favor of more game time? Has your physical health declined due to extended periods of inactivity? Have you tried unsuccessfully to limit the time you spend playing? Gaming can be a fun, challenging, and rewarding activity, but when it begins to interfere with other essential aspects of life, it might be time to set some limits. The *Gaming Overload Workbook* will help you explore your use of video games in a thoughtful, nonjudgmental way. This isn't a workbook for giving up on gaming. This is a guide to help you set your own limits on screen time, and apply your interest and enthusiasm for gaming to a wider variety of activities, like connecting with friends and family, excelling in school or sports, and just spending more time outdoors. If you're ready for some healthy balance between gaming, school, family, physical activity, and social relationships, this book will provide the key to winning at the game of life!

Working in Social Work Feb 20 2022 This text provides graduate students going into the social work field with real world and practical information about what it is really like to work as a social worker. Each chapter presents a true picture of what to expect as a front-line social worker in the given practice setting.

The Real Life Guide to Accounting Research Aug 29 2022 This book provides rare, insider accounts of the academic research process, revealing the human stories and lived experiences behind research projects; the joys and mistakes of a wide range of international researchers principally from the fields of accounting and finance, but also from related fields in management, economics and the social studies of science.

Public Relations Ethics May 14 2021 This book is a pragmatic, case-rich guide to how current and future public relations practitioners can apply ethical principles and the industry's codes of ethics to their day-to-day work. Authors Trevor Morris and Simon Goldsworthy draw on their years of industry and academic experience to illustrate key ethical issues and ground them in reality, all within an international frame of reference. *Public Relations Ethics* incorporates interviews with industry practitioners, offering contrasting perspectives as well as recent examples of real-life complaints and disciplinary issues. Provocative questions and exercises help readers grapple with ethical dilemmas and review the key scenarios and challenges that PR people face. The book is ideal at the undergraduate, postgraduate and continuing education levels as a core text for public relations ethics courses and a supplementary text for general public relations survey courses. Accompanying the text are online resources for both students and instructors, including lecture slides and links to further resources.

Typography Workbook Dec 09 2020 *The Typography Workbook* provides an at-a-glance reference book for designers on all aspects of type. The book is part of Rockport's popular *Workbook* series of practical and inspirational workbooks that cover all the fundamental areas of the graphic design business. This book presents an abundance of information on type - the cornerstone of graphic design - succinctly and to the point, so that designers can get the information they need quickly and easily. Whereas many other books on type are either very technical or showcase oriented, this book offers ideas and inspiration through hundreds of real-life projects showing successful, well-crafted usage of type. The book also offers a variety of other content, including choosing fonts, sizes, and colors; incorporating text and illustrations; avoiding common mistakes in text usage; and teaching rules by which to live (and work) by. /div

The Real Simple Guide to Real Life Oct 31 2022 Created for smart, aspiring young women, *THE REAL SIMPLE Guide to Real Life* offers REAL SIMPLE's clever solutions for navigating adulthood with ease, confidence, and style. This essential handbook helps to simplify (and demystify) landing a job, finding an apartment, decorating on the cheap, cooking for one, dressing for work, organizing a small space, picking a mentor, writing a thank-you note (yes, they're still a thing)-plus all the know-how you need to deal with 401(k)s, kitchen fails, epic hangovers, messy roommates, and even messier breakups. Packed with useful 'Life 101' tips, the book also features essays from bestselling writers (including Cristina Henríquez and J. Courtney Sullivan) and advice from relatable and successful women (like Jessica Alba and Emmy Rossum) about what they wish they had known when they were starting out. *THE REAL SIMPLE Guide to Real Life* is full of wit, wisdom, and practical information—a trusted, must-have resource for making every crazy, colorful day easier. Gift it to a recent graduate or young woman who aspires to have it all or keep for yourself as a reference to help you thrive in the real world.

Real Life Money Oct 19 2021 'Want to finally get a grip on your cash? This is the book for you!' *Cosmopolitan* 'The book everyone should read' *Stylist* 'Packed with encouragement, support and wisdom' *Anna Mathur*, author of *Mind Over Mother* *Real Life Money* is a holistic approach to personal finance that addresses the deeper causes of debt and financial difficulties. Part memoir, part guide, *Real Life Money* takes the reader on a journey that can be adapted to their own pace and circumstances. It covers everything from how to negotiate repayment terms with creditors and setting realistic budgets without punishing yourself, to dealing with money anxiety. The goal is not to get rich overnight, or to pay off debt at the expense of all of life's pleasures, but rather to gain an understanding of why we feel the way we do about money, and how we can use that to change our mindset and our finances for good.

A Girl's Guide to Life Sep 25 2019 Presents advice for teenage girls on how to improve body, mind, and soul as they grow into womanhood.

Real-World Algorithms Nov 07 2020 An introduction to algorithms for readers with no background in advanced mathematics or computer science, emphasizing examples and real-world problems. Algorithms are what we do in order not to have to do something. Algorithms consist of instructions to carry out tasks—usually dull, repetitive ones. Starting from simple building blocks, computer algorithms enable machines to recognize and produce speech, translate texts, categorize and summarize documents, describe images, and predict the weather. A task that would take hours can be completed in virtually no time by using a few lines of code in a modern scripting program. This book offers an introduction to algorithms through the real-world problems they solve. The algorithms are presented in pseudocode and can readily be implemented in a computer language. The book presents algorithms simply and accessibly, without overwhelming readers or insulting their intelligence. Readers should be comfortable with mathematical fundamentals and have a basic understanding of how computers work; all other necessary concepts are explained in the text. After presenting background in pseudocode conventions, basic terminology, and data structures, chapters cover compression, cryptography, graphs, searching and sorting, hashing, classification, strings, and chance. Each chapter describes real problems and then presents algorithms to solve them. Examples illustrate the wide range of applications, including shortest paths as a solution to paragraph line breaks, strongest paths in elections systems, hashes for song recognition, voting power Monte Carlo methods, and entropy for machine learning. *Real-World Algorithms* can be used by students in disciplines from economics to applied sciences. Computer science majors can read it before using a more technical text.

Gerry's Real World Guide to Pharmacokinetics & Other Things Jul 04 2020 Written by an anaesthetist with years of experience, this serious textbook uses a blunt and 'tongue in cheek' approach.

Beyond the Sling Jun 26 2022 A real-world guide to Attachment Parenting from the Big Bang Theory actress, neuroscientist, and mother Mayim Bialik—a book hailed by Dr. William Sears as '[delightful]' and by Ricki Lake as 'a fantastic guide to birth and parenting that is packed with invaluable wisdom.' Mayim Bialik was the child star of the popular 1990s TV sitcom *Blossom*, but she definitely didn't follow the typical child-star trajectory. Instead, Mayim got her PhD in neuroscience from UCLA, married her college sweetheart, and had two kids. Mayim then did what many new moms do—she read a lot of books, talked with other parents, and she soon started questioning a lot of the conventional wisdom she heard about the 'right' way to raise a child. That's when she turned to Attachment Parenting, a philosophy and lifestyle popularized by well-known physicians like Dr. William Sears and Dr. Jay Gordon. To Mayim, Attachment Parenting's natural, child-led approach not only felt right emotionally, it made sense intellectually and instinctually. She found that when she followed her intuition and relaxed into her role as a mother instead of following some rigid parenting script, both she and her children thrived. Taking into account her experience as a mother (and her scientific background), Mayim presents the major tenets of Attachment Parenting, including: Baby wearing: How to [wear] your baby in a sling or a wrap to foster a closer bond with your child—it's possible even for mamas with bad backs (and with big babies)! Breastfeeding: Learn how to listen to your baby's cues rather than sticking to a rigid schedule—and why people on airplanes love a nursing mother! Gentle discipline: How to get your child to behave without yelling, threats, or time-outs—it really is possible. Co-sleeping: How to avoid [sleep training] and get a great night's sleep for the whole family. Without the pretense and luxuries typical of so many Hollywood actors and parents, Mayim describes the beauty, simplicity, and purposefulness of Attachment Parenting, and how it's become the guiding principle for her family. Much more than a simple how-to parenting guide, *Beyond the Sling* shows us that the core principles underlying Attachment Parenting are universal and can be appreciated no matter how you decide to raise your child.

Product Management in Practice Jan 28 2020 Product management has become a critical connective role for modern organizations, from small technology startups to global corporate enterprises. And yet the day-to-day work of product management remains largely misunderstood. In theory, product management is about building products that people love. The real-world practice of product management is often about difficult conversations, practical compromises, and hard-won incremental gains. In this book, author Matt LeMay focuses on the CORE connective skills—communication, organization, research, execution—that can build a successful product management practice across industries, organizations, teams, and toolsets. For current and aspiring product managers, this book explores: On-the-ground tactics for facilitating collaboration and communication? How to talk to users and work with executives? The importance of setting clear and actionable goals? Using roadmaps to connect and align your team? A values-first approach to implementing Agile practices? Common behavioral traps that turn good product managers bad

Real-World Bug Hunting Jul 24 2019 Learn how people break websites and how you can, too. *Real-World Bug Hunting* is the premier field guide to finding software bugs. Whether you're a cyber-security beginner who wants to make the internet safer or a seasoned developer who wants to write secure code, ethical hacker Peter Yaworski will show you how it's done. You'll learn about the most common types of bugs like cross-site scripting, insecure direct object references, and server-side request forgery. Using real-life case studies of rewarded vulnerabilities from applications like Twitter, Facebook, Google, and Uber, you'll see how hackers manage to invoke race conditions while transferring money, use URL parameter to cause users to like unintended tweets, and more. Each chapter introduces a vulnerability type accompanied by a series of actual reported bug bounties. The book's collection of tales from the field will teach you how attackers trick users into giving away their sensitive information and how sites may reveal their vulnerabilities to savvy users. You'll even learn how you could turn your challenging new hobby into a successful career. You'll learn: How the internet works and basic web hacking concepts How attackers compromise websites How to identify functionality commonly associated with vulnerabilities How to find bug bounty programs and submit effective vulnerability reports *Real-World Bug Hunting* is a fascinating soup-to-nuts primer on web security vulnerabilities, filled with stories from the trenches and practical wisdom. With your new understanding of site security and weaknesses, you can help make the web a safer place—and profit while you're at it.

Real Life Aug 17 2021 A FINALIST for the Booker Prize, the National Book Critics Circle John Leonard Prize, the VCU/Cabell First Novelist Prize, the Lambda Literary Award, the NYPL Young Lions Award, and the Edmund White Debut Fiction Award 'A blistering coming of age story' 'O: The Oprah Magazine Named a Best Book of the Year by The New York Times, The Washington Post, New York

Public Library, Vanity Fair, Elle, NPR, The Guardian, The Paris Review, Harper's Bazaar, Financial Times, Huffington Post, BBC, Shondaland, Barnes & Noble, Vulture, Thrillist, Vice, Self, Electric Literature, and Shelf Awareness A novel of startling intimacy, violence, and mercy among friends in a Midwestern university town, from an electric new voice. Almost everything about Wallace is at odds with the Midwestern university town where he is working uneasily toward a biochem degree. An introverted young man from Alabama, black and queer, he has left behind his family without escaping the long shadows of his childhood. For reasons of self-preservation, Wallace has enforced a wary distance even within his own circle of friends—some dating each other, some dating women, some feigning straightness. But over the course of a late-summer weekend, a series of confrontations with colleagues, and an unexpected encounter with an ostensibly straight, white classmate, conspire to fracture his defenses while exposing long-hidden currents of hostility and desire within their community. Real Life is a novel of profound and lacerating power, a story that asks if it's ever really possible to overcome our private wounds, and at what cost.

Orientation to Graduation, A Real-life Guide to College Success Nov 19 2021

LabVIEW Feb 29 2020 LabVIEW has become one of the preeminent platforms for the development of data acquisition and data analysis programs. Real College Jun 14 2021 Few people have as much experience helping students cope with college life as Douglas Stone, a long-time Harvard residential adviser and coauthor of Difficult Conversations, and Elizabeth Tippett, recent Harvard graduate and founding director of the university's peer mediation program. In Real College, they join forces to help students deal with nightmare roommates, handle academic pressures, make smart choices about alcohol and sex, communicate with parents, and address all the other big issues that can make college as challenging as it is exciting. Stone and Tippett deliver insightful, pragmatic advice with humor and compassion, in a style that parents and students alike will appreciate. This is one book that no college student should be without.

The Joy of Doing Nothing Mar 31 2020 Fight back against busyness and celebrate the pleasure of doing nothing in this new guide that helps relieve stress and increase happiness in your life. In The Joy of Doing Nothing you'll discover how to step away from everything you think you have to do and learn to live a minimalist life. Rachel Jonat shares simple strategies to help you stop overscheduling, find time for yourself, and create moments of calm every day. You'll learn how to focus more on the important aspects of life, such as family and friends, and scale back your schedule to create more time in the day to care for yourself.

EQ, Applied Aug 24 2019 In this age of social media attacks, broken commitments, and rampant corruption, a high emotional intelligence quotient, or EQ, is more important than ever. Justin Bariso brings the concept of emotional intelligence up to date and into the real world, combining scientific research with high-profile examples and personal stories. EQ, Applied teaches you how to channel your strongest feelings in a way that helps, not harms you—or others—enabling you to break down barriers and improve the quality of your relationships. You'll learn how thoughts and habits affect emotions, and how to replace bad habits with healthier ones. You'll see why even negative feedback is a gift, and when being empathetic can actually get you into trouble. Finally, you'll learn how people can use your emotions to manipulate you, and how you can guard yourself against such attempts, leading to greater mental and emotional strength. EQ, Applied gives you a set of practical tools and exercises that inspire you to be more helpful, move past resentment, and develop your more authentic self. By increasing your knowledge about emotions, you'll better understand yourself and make wiser decisions. It's time to put your emotions to work.

Get Real Nov 27 2019
