*The Hurricane Girls* Aug 05 2020 As seen on BBC and Sky News. \_\_\_\_\_ Celebrating the lives of the magnificent women, the ATA girls, who courageously flew Spitfires, Tiger Moths, Lancaster Bombers and many other aircraft during World War Two. These extraordinary women, Mary Ellis, Jackie Moggridge and Pauline Gower are just a few of the remarkable stories inside . . . Since the invention of aeroplanes, women have taken to the skies. They have broken records, performed daredevil stunts and faced such sexism and prejudice that they were effectively barred from working as pilots. That changed in the Second World War. Led by firebrand Pauline Gower, an elite group of British women were selected as ferry pilots to fly for the Air Transport Auxiliary. They risked their lives flying munitions and equipment for the boys on the front line. Flying day and night without radio; dodging storms, barrage balloons and anti-aircraft fire; and with only a map, compass and their eyesight to guide them, they navigated the treacherous wartime skies. \_\_\_\_\_ *The Hurricane Girls* is the thrilling, moving and inspirational story of the female air force who once ruled our skies.

*Authentic, Inspired, Inerrant and True* Jun 22 2019 From the beginning of time Satan has attempted to make us question God's Holy Word. Part of Satan's plan is to prevent us from believing in the accuracy, inerrancy, truth and inspired nature of God's Word. It's easier to look at The Bible as a story book or piece of literature rather than know the Word of God is true. Thus many people think of the Bible as a story book or a book of historical literature - therefore whether it is true or not is immaterial. Many people say they believe in some parts and not others. We know that the

Bible is the true, inspired and inerrant, accurate Word of God, if part is true, all is true. If it is all true we must face the truth about our moral character. Thus, through independent research and with the goal of Scripture proving Scripture rather than relying on what man says about Scripture, this book gradually came together exploring such topics as: What God Says Statistical Proof Historical and Archeological Evidence Prophecy And finally a look at how the various versions of The Bible came about and a candid discussion of how accurate or inaccurate they are. Let Dr. West-Stellick lead you on an exciting journey that lays the foundation and then covers 3,500 years of writing, translations, discoveries and more. Authentic, Inspired, Inerrant and True will bring you to the fact based conclusion - The Bible is God's Word to us.

Not My Will Apr 12 2021 On the voyage of life we're often fearful, confused, and question the Lord's dealings with us. Ghislaine Spence—a wife, mother and grandmother, has felt the same. Not My Will is Spence's autobiographical account of her journey on the pathway of life. Beginning with her early childhood in Quebec, it traces her upbringing, relationships, life experiences, and times of grief and tragedy. It also chronicles the struggles that ultimately carried her and her husband to a prison ministry. An incredibly inspiring story, it shows how the Lord sends adversity in our lives—not only to reshape us, but also to teach us the enjoyment of His love, fellowship and peace that can only come through submission to His will. “..Who teacheth like him?” (Job 36:22).

*Kids Off the Block* Aug 29 2022 "What can I do?" That was the question Diane Latiker asked of herself as she watched the teens in her Chicago neighborhood succumb at an alarming rate to gangs and gun violence. Her answer started small, inviting ten kids into her living room to talk about their struggles and dreams. But over the years it grew. With the help of God, her family, and many other people along the way, Diane's Kids Off the Block morphed from a personal crusade to do what she could into a nationally known program that has helped more than 3,000 at-risk Chicago teens. In this powerful, energizing book, she tells her incredible story to men and women who are sick of sitting behind their keyboards watching the world crumble and are ready to do something to make a difference. Through doubt, financial strain, and deep grief over lives lost, Diane has never lost her faith that God called her to this life-transforming work. In these pages she'll show you that God is calling you to do something too. Maybe something that feels small . . . definitely something that will change the world.

*Ian Fleming's Inspiration* Mar 12 2021 James Bond is possibly the most well known fictional character in history. What most people don't know is that almost all of the characters, plots and gadgets come from the real life experiences of Bond's creator - Commander Ian Fleming. In this book, we go through the plots of Fleming's novels explaining the real life experiences that inspired them. The reader is taken on a journey through Fleming's direct involvement in World War II intelligence and how this translated through his typewriter into James Bond's world, as well as the many other factors of Fleming's life which were also taken as inspiration. Most notably, the friends who Fleming kept, among whom were Noel Coward and Randolph Churchill and the influential people he would mingle with, British Prime Ministers and American Presidents. Bond is known for his exotic travel, most notably to the island of Jamaica, where Fleming spent much of his life. The desk in his Caribbean house, Goldeneye, was also where his life experiences would be put onto paper in the guise of James Bond. As the island was highly influential for Fleming, it features heavily in this book, offering an element of escapism to the reader, with tales of a clear blue sea, Caribbean climate and island socialising. Ian Fleming might have died prematurely aged 53, but so much of him lives on to this day through the most famous spy in the world, James Bond.
