Holding Their Own V: The Alpha Chronicles May 02 2020 Word of Alpha's recovery spreads throughout the region. The news is welcomed by most - but not all. Some see the small Texas town as a threat, others want to dominate the prosperous community. Often, it's difficult to discern friend from foe, and miscommunication can be deadly. The legendary range wars of the early American West were brutal, bloody affairs. Water was often an excuse for the skirmishes, but rarely was it the true root of conflict. Political competition, an unquenchable thirst for power, and poor communications were the real catalysts for these violent struggles. In the post-apocalyptic world of Bishop and Terri, circumstances are ripe for history to repeat. Electricity replaces water as the point of contention, the new world on the brink of falling into violent chaos, just like in the past. The issues run in tandem, human nature apparently unchanged in 200 years. Join the citizens of post-collapse West Texas as they struggle to rebuild and improve their lives. It's a journey filled with the joy of success and fraught with the peril of defeat.

The Love of a Lycan Nov 27 2019 Download Webnovel and chereads to read The Love of a Lycan A year ago Raine was discharged from mental institution and had to live in the orphanage. It wasn't the best place. At least not for someone like her. Until one faithful night she met him. *** He stopped the car. The clutched on the blanket tightened as Raine wonder if she did something wrong. She could feel it when Torak reached out his hand at her. Will he hit me? Raine shivered with that thought. Torak pulled back the hoodie off her head and gently tucked her hair behind her ear. "Don't." He said firmly, "I want to see you, don't hide yourself..." ***** "The spirit of the guardian angel will breathe new life into human child. Three guardian angels will be born into terrestrial world once again and the three of you will be their protectors." "Protectors!?" Jedrek snapped. In the end, he stopped walking and turned his back to look at the moon goddess from far distance away, his eyes glistening red with anger. His wolf was livid. "Why do you think we will help?" Kace asked while narrowing his black obsidian eyes, his wolf took control of him. He was the youngest among the three and the less temperamental among them. The three of them were cursed by Selene because of their ferocious action to gain supreme power and authority. The moon goddess didn't bless them with a mate as a punishment of their atrocious way and forced them to involve in this deadly war with the demons. "You will turn us into a slave for those sickly creatures!?" Torak asked incredulously. "Aren't you afraid that we will snap them into two?" The guardian angel was so fragile and they as lycanthropes didn't appreciate the weaknesses. "No, you will not." Selene said patiently. "You will not be their slave nor hurt them, you will cherish them in every way possible." Jedrek laughed menacingly upon hearing this, they didn't care about the resurrected of the beast, once they crossed their territory, with or without the guardian angel he would tear their body apart. "I will be the last person they will see, once I find them." He was referring to both the guardian angel and the demon. But, the next voice from Selene was laced with mirth when she spoke. "You will not hurt your mate." ===== Session 1 (chapter 1 - 394) : Torak Donovan - Raine (completed). Alpha City Jan 28 2020 How London was bought and sold by the Super-Rich, and what it means for the rest of us Who owns London? Today, the city is the epicentre of the world's financial markets, an elite cultural hub, and a place to hide one's wealth. In Alpha City, Rowland Atkinson tells the story of eager developers, sovereign wealth, and grasping politicians, all of which paved the way for the plutocratic colonisation of the cityscape. Atkinson moves through the gated communities and the mega-houses of the urban elite, charting how the rich live and their influence on the disturbing rise in evictions and displacements from the city. The book, fully updated, also looks at the capital's prospects in the aftermath of Brexit and the pandemic, showing how the super-rich may capitalise on the crisis, increasing inequality and hardship.

I lost control, not only claiming her, but also marking her, and leaving her pregnant with my wolfpup. I won't keep her prisoner, as much as I'd like to. I allow her to escape to the safety of her brother's pack. But once marked, no she-wolf is ever really free. I will follow her to the ends of the Earth, if I must. Sedona belongs to me. Better than Alpha: Three Steps to Capturing Excess Returns in a Changing World Oct 07 2020 A powerful new approach for giving up the ghost of alpha—and building an investing portfolio that meets your objectives The concept of beating markets is just a lot of hype. Successful investors don't find "alpha," they find value?and that's what this book helps you do. Better Than Alpha provides the perspective, insights, and tools you need to retrain your focus away from searching for alpha and toward actions that produce superior investment outcomes. Chris Schelling explains why strategies based on "beating the markets" are doomed to failure and provides a simple three-step framework for making better investment decisions: Behavior (smart thinking), Process (smart habits), Organization (smart governance). He explains why the search for alpha is destined to fail, the major role behavioral finance plays in so much wasted time, effort, and money, and, most important, how to avoid common mistakes and maximize your efforts. You'll gain a deeper understanding of what drives investment returns, how superstar investment managers generated excess returns in the past, and why strategies that worked in the past don't necessarily make sense today. Whether you're responsible for generating revenue streams for pensions, endowments, or foundations; mitigating insurance losses; serving as an investment consultant; or any other institutional-level investing, Better Than Alpha walks you through the process of minimizing the impacts of behavioral biases and making decisions that create a higher probability of meeting your objectives?whatever they may be.

The Alpha's Mate (Huntsville Pack Book 1) Sep 25 2019 What reader's say about Michelle Fox's werewolves: "I love how well the characters are developed and rounded out - I feel like I know about these characters before they jump in the sack - which for me is a HUGE deal!" "Fox adeptly weaves several enchanting love scenes into her romance framework. Best of all, they actually add to the story." "This is the third shifter story I've read from this author, and I love the edge of humor, the way she introduces the problems of the pack, and the wolfish behavior that sneaks into the human interaction." Chosen by Fate, Rejected by the Alpha Oct 31 2022 Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

The Alpha Series Workbook Apr 12 2021 What is the Alpha Series? Is it a program? Is it a religion? The simplest answer is that the Alpha Series explains the gospel of Jesus Christ in a way that ordinary people can understand and apply it to themselves. What makes the Alpha Series effective as a counseling model, discipleship course, training curriculum, or recovery tool is the fact that it is a practical application of the gospel which is "the power of God unto salvation to everyone that believeth..." (Romans 1: 16). People are hungry for the gospel of grace but turned off by religion. Because the Alpha Series is not religious but biblical in nature most people will be receptive to the teaching regardless of their background and life experience. Religion is man's attempt to manipulate deity by what he says or does. Biblical Christianity is a personal relationship with God based on believing in what He has done for us in Christ that we could not do for ourselves. The Alpha Series is simply an explanation of what the Bible says that God has done to make us worthy as persons. Whenever the gospel is taught it is the power of God that changes the lives of all who believe it. The Alpha Series is constructed in three main parts. Part one describes the manner in which personal and relational problems develop from the core emotions of fear of rejection and fear of failure due to low self esteem. The insight gained in understanding how problems develop sets the stage for the application of the gospel of Jesus Christ as the only workable solution. Part two provides a biblical foundation on which to build a healthy self-image based entirely upon our new identity in Christ. The good news of our union with Christ is applied to the daily task of allowing ourselves to be transformed by the renewing of the mind. Part three carries the gospel of our new identity in Christ to the logical end of ministering to the needs of others. Having been assured of our personal security in all that God has done for us in Christ, we have the confidence and power to concern ourselves with helping others. True recovery is not complete until we learn to minister rather than manipulate. For additional information on the Alpha Series and its application visit the Alpha Ministries website at www.alphaministries.org.

The Alpha Formula Aug 05 2020 The Alpha Formula is a combination of:Quantitative Investment Strategies,Behavioral Finance, andApplying First Principles to portfolio constructionIn this book we will touch on a handful of the most pervasive behavioral biases that befall investors and how they can lead to certain, predictable, repeatable market behavior. We will then use this market behavior to construct four minimally correlated trading strategies, complete with rules and historical test results. Each strategy attacks a First Principle, or self-evident truth, about the market. This results in strategies that are inherently different and uncorrelated. Finally, combining our four strategies leads us to The Alpha Formula portfolio.

Wake Up, Alpha Aug 17 2021 Pen I've seen firsthand the monsters that men turn into when they're hit with the virus. I've been at their bedside in the ER when the Task Force comes and hauls them away. I've heard the stories of women getting kidnapped right off the street, never to be seen again. What I'm unprepared for is the day my best friend Mal goes missing, only to turn up upstate in a mansion, claiming one of the Awakened beasts is her "mate". When I find her, I'm equally unprepared for the broken and brooding alpha male she warns me away from. The one so deranged that the pack's "enforcer" has to regularly drag him home, wrapped up in chains so he doesn't kill someone. He's clearly insane, but there's a fire in his eyes that calls to me, a deep and primal power that tugs at my soul. There's just one other problem. His only memory is of beautiful blue eyes. Blue eyes he can't stop thinking about. Blue eyes that aren't my own - even as our connection grows. I shouldn't let him touch me, but I can't stop. My presence drives him to the very edges of his frayed sanity, and I'm terrified to find out what happens when his restraint finally snaps. Wake Up, Alpha is the second book in the Alpha Compound series, by Anna Fury. This dystopian MF omegaverse romance features a firecracker heroine and destroyed alpha finding their own HEA.

I'm the Vampire, That's Why Jul 24 2019 Sink your teeth into the first novel in New York Times bestselling author Michele Bardsley's Broken Heart series. Broken Heart is the city with the highest rate of divorce and highest percentage of single parents in Oklahoma. And I, Jessica Matthews, have been a member of that club ever since my husband dumped me for his twenty-something secretary and then had the gall to die in a car accident. Now I'm not just a single mother trying to make ends meet in this crazy world... I'm also a vampire. One minute I was taking out the garbage; the next I awoke sucking on the thigh of superhot vampire Patrick O'Halloran, who'd generously offered his femoral artery to save me. But though my stretch marks have disappeared and my vision has improved, I can't rest until the thing that did this to me is caught. My kids' future is at stake—figuratively and literally. As is my sex life. Although I wouldn't mind finding myself attached to Patrick's juicy thigh again, I learned that once a vampire does the dirty deed, it hitches her to the object of her affection for at least one hundred years. I just don't know if I'm ready for that kind of commitment...

The White Wolf Feb 29 2020 The White Wolf is a four book series of racy gay werewolf erotica drenched in BDSM goodness. As one wolf falls, another must rise to take his place. Jackson is on the hunt to replace his downed comrade, and he has his eyes set on a deliciously handsome farm boy. Little does Richard know that he's being targeted as the new recruit for Jackson's pack. Even worse, that the process of becoming a werewolf is rigorous in ways he could have never imagined. Being a werewolf sucks, especially when you have no choice in the matter. Richard finds himself filled with new desires as the wolf virus begins to consume his body with lust, but no matter how hard Jackson tries to control Richard, he will not submit. There's something lurking in Richard's blood that makes him different from the other werewolves. Will Jackson be able to figure it out before it's too late, or will the boy's awakening destroy everything he worked so hard to build? Content warning: This is not your typical gay shifter romance. It is incredibly spicy with elements of BDSM, violence, and multiple pairings. However, this series does have an HEA ending.

Pregnant By The Alpha Dec 29 2019 The alpha gave me a baby. While snorkeling in the Caribbean, I got lost. I washed up on a remote island, only to be confronted by a very handsome, but utterly pissed alpha male. Tom is sullen, stormy, and gorgeous. He's got piercing blue eyes, a square jaw, and six pack abs that make my mouth water. Evidently, he's the caretaker for this private island and sees me as nothing more than a pain in the ass ... until one fateful night. To say that there were fireworks is putting things lightly. But then, the secrets begin coming out. Tom's not just the caretaker. He owns this island. In fact, he's an actor. A famous one. He's even won an Academy Award! Is it my fault that I never watch TV or movies? I'm stunned, but I have my own secret too because now I'm expecting his child. But will the alpha male ever know? After all, the island keeps its secrets ... and my pregnancy is only the beginning. This is a secret baby second chance romance where our sassy heroine is filled with spirit and fire.
