The Legacy of the Cold War Dec 15 2021 The unexpected end of the protracted conflict has been a sobering experience for scholars. No theory had anticipated how the Cold War would be terminated, and none should also be relied upon to explicate its legacy. But instead of relying on preconceived formulas to project past developments, taking a historical perspective to explain their causes and consequences allows one to better understand trends and their long-term significance. The present book takes such perspective, focusing on the evolution of security, its substance as well as its perception, the concurrent development of alliances and other cooperative structures for security, and their effectiveness in managing conflicts. In The Legacy of the Cold War Vojtech Mastny and Zhu Liqun bring together scholars to examine the worldwide effects of the Cold War on international security. Focusing on regions where the Cold War made the most enduring impact—the Euro-Atlantic area and East Asia—historians, political scientists, and international relations scholars explore alliances and other security measures during the Cold War and how they carry over into the twenty-first century.

Revelation May 08 2021 With the fate of the galaxy hanging in the balance, Jaina Solor, Ben Skywalker, and Luke Skywalker all contemplate previously unthinkable strategies in order to take down the tyrannical Sith Lord Jacen Solo.

Tempest: Star Wars Legends (Legacy of the Force) Jan 16 2022 Forty years after the Battle of Yavin a dangerous new era in the Star Wars epic begins– the revelations are shocking, the stakes desperate, and the enemy everywhere. As civil war threatens the unity of the Galactic Alliance, Han and Leia Solo have enraged their families and the Jedi by joining the Corellian insurgents. But the Solos draw the line when they discover the rebels’ plot to make the Hapan Consortium an ally– which rests upon Hapan nobles murdering their pro-Alliance queen and her daughter. Yet the Solos’ selfless determination to save the queen cannot dispel the inescapable consequences of their actions, that will pit mother against son and brother against sister in the battles ahead. For as Jacen Solo’s dark powers grow stronger under the Dark Jedi Lumiya, and his influence over Ben Skywalker becomes more insidious, Luke’s concern for his nephew forces him into a life-and-death struggle against his fiercest foe, and Han and Leia Solo find themselves at the mercy of their deadliest enemy . . . their son. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Exile Mar 18 2022 As Jacen Solo continues his victorious campaign against the Corellian rebels, Han and Leia Solo and Luke and Mara Skywalker begin to suspect that someone has been manipulating the war, and unless the enemy can be stopped, galactic peace will be impossible.

Civil War Legacy in the Shenandoah Dec 23 2019 After four bloody years of Civil War battles in the Shenandoah Valley, the region's inhabitants needed to muster the strength to recover, rebuild and reconcile. Most residents had supported the Confederate cause, and in order to heal the deep wounds of war, they would need to resolve differences with Union veterans. Union veterans memorialized their service. Confederate veterans agreed to forgive but not forget. And each side was key to the rebuilding effort. The battlefields of the Shenandoah, where men sacrificed their lives, became places for veterans to find common ground and healing through remembrance. Civil War historian and professor Jonathan A. Noyolas examines the evolution of attitudes among former soldiers as the Shenandoah Valley sought to find its place in the aftermath of national tragedy.

The Legacy of the Civil War Mar 06 2021 In this elegant book, the Pulitzer Prize-winning writer explores the manifold ways in which the Civil War changed the United States forever. He confronts its costs, not only human (six hundred thousand men killed) and economic (beyond reckoning) but social and psychological. He touches on popular misconceptions, including some concerning Abraham Lincoln and the issue of slavery. The war in all its facets “grows in our consciousness,” arousing complex emotions and leaving “a gallery of great human images for our contemplation.”

Legacy of the Jedi / Secrets of the Jedi Jun 09 2021 The first story follows four generations of Jedi, including Dooku, Qui-Gon Jinn, Obi-Wan Kenobi, and Anakin Skywalker; and, when Obi-Wan and Siri fall in love, their relationship has unforeseen consequences for generations to come.

Exile: Star Wars Legends (Legacy of the Force) Feb 17 2022 In the Star Wars galaxy, evil is on the move as the Galactic Alliance and Jedi order battle forces seen and unseen, from rampant internal treachery to the nightmare of all-out war. With each victory against the Corellian rebels, Jacen Solo becomes more admired, more powerful, and more certain of achieving galactic peace. But that peace may come with a price. Despite strained relationships caused by opposing sympathies in the war, Han and Leia Solo and Luke and Mara Skywalker remain united by one frightening suspicion: Someone insidious is manipulating this war, and if he or she isn’t stopped, all efforts at reconciliation may be for naught. And as sinister visions lead Luke to believe that the source of the evil is none other than Lumiya, Dark Lady of the Sith, the greatest peril revolves around Jacen himself. . . . Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Star Wars: Legacy of the Force I - Betrayal Oct 25 2022 This is the era of Luke Skywalker's legacy: the Jedi Master has unified the order into a cohesive group of powerful Jedi Knights. However, as this era begins, planetary interests threaten to disrupt this time of relative peace and Luke is plagued by visions of an approaching darkness. Melding the galaxy into one cohesive political whole after the savage war with the Yuuzhan Vong is not the easiest task, and already some worlds are chafing under the demands of the new government. Civil war may be brewing, and the Skywalker-Solo clan find that they might not all be on the same side. Meanwhile, evil is rising again--out of the best intentions--and it looks like the legacy of the Skywalkers may come full circle...

Inferno: Star Wars Legends (Legacy of the Force) Aug 11 2021 Luke Skywalker wanted to unify the Jedi order and bring peace to the universe. Instead his wife Mara lies dead at the hands of an unknown assassin, his wayward nephew Jacen has seized control of the Galactic Alliance, and the galaxy has exploded in all-out civil war. With Luke consumed by grief, Jacen Solo works quickly to consolidate his power and jumpstart his plan to take over the Jedi. Convinced he's the only one who can save the galaxy, Jacen will do whatever it takes, even ambush his own parents. With the Rebel confederacy driving deep into the Core to attack Coruscant and the Jedi under siege, Luke must reassert his position. Only he can lead the Jedi through this crisis, but it means solving the toughest problem Luke's ever faced. Does he fight alongside his nephew Jacen, a tyrant who's illegally taken over the GA, or does he join the rebels to smash the Galactic Alliance he helped create?

The Military Legacy of the Civil War Nov 02 2020 This pioneering study focuses on the experiences and writings of the surprisingly large number of Prussian, British, and French military observers who witnessed the Civil War firsthand. Luvaas's fascinating account reveals why they came, what they wrote, what their armies learned (or failed to learn) from their reports, and how their writings influenced later European military theorists. For this edition, Luvaas has added a thoughtful introduction that analyzes why some "military lessons" are learned and others ignored and examines the extent to which such lessons can be applied to subsequent conflicts.

Memory, the City and the Legacy of World War II in East Central Europe Jul 30 2020 After the Second World War, millions of people across Eastern Europe, displaced as a result of wartime destruction, deportations and redrawing of state boundaries, found themselves living in cities that were

filled with the traces of the foreign cultures of the former inhabitants. In the immediate post-war period these traces were not acknowledged, the new inhabitants going along with official policies of oblivion, the national narratives of new post-war regimes, and the memorializing of the victors. In time, however, and increasingly over recent decades, the former "other pasts" have been embraced and taken on board as part of local cultural memory. This book explores this interesting and increasingly important phenomenon. It examines official ideologies, popular memory, literature, film, memorialization and tourism to show how other pasts are being incorporated into local cultural memory. It relates these developments to cultural theory and argues that the relationship between urban space, cultural memory and identity in Eastern Europe is increasingly becoming a question not only of cultural politics, but also of consumption and choice, alongside a tendency towards the cosmopolitanization of memory.

Conquerors' Legacy Jan 24 2020 Hugo Award-winner and #1 New York Times bestselling author Timothy Zahn returns to complete his original, acclaimed SF trilogy. As both humans and the alien Zhirrh prepare for all-out galactic war, a handful of individuals from both sides are stunned to discover that the explosive catalyst for the impending battle is a misunderstanding both tragic and profound. Determined to avoid mutual extinction for both their races, this band now becomes the focus of the subtle and dangerous force whose goal it is to annihilate and destroy.

The Weapons Legacy of the Cold War Jul 18 2019 First published in 1997, this volume builds its discussion on a technological base along with policy implications, and constitutes a review of the current situation in international security created by the Cold War, and how the end of the Cold War is likely to change the situation. As the close of the Cold War created a multitude of changes in international security, resulting in a broad range of topics tackled in this collection. It features specialists in military technology, physics, political science, public and international affairs.

Legacy of Iraq Dec 03 2020 'The Legacy of Iraq' critically reflects on the abject failure of the 2003 intervention to turn Iraq into a liberal democracy, underpinned by free-market capitalism, its citizens free to live in peace and prosperity. It argues that mistakes made by the coalition and the Iraqi political elite set a sequence of events in motion that have had devastating consequences for Iraq, the Middle East and for the rest of the world. Today, as the nation faces perhaps its greatest challenge in the wake of the devastating advance of the Islamic State of Iraq and Syria (ISIS) and another US-led coalition undertakes renewed military action in Iraq, understanding the complex and difficult legacies of the 2003 war could not be more urgent. Ignoring the legacies of the Iraq war and denying their connection to contemporary events could mean that vital lessons are ignored and the same mistakes made again.

Star Wars: Legacy of the Force V - Sacrifice Jun 21 2022 SACRIFICE is the fifth book in the 9-book Legacy of the Force series, a bold new Star Wars story arc for fans of the New Jedi Order and the

franchise's most popular characters: Luke, Han, and Leia. This is the middle book in the series and the second of three hardcovers. The adventure continues, and one of our storylines comes to a crucial and shocking climax. Things come to a head in the galaxy of the Skywalker and Solos when Jacen Solo makes a horrifying decision from which there is no going back. For Luke, Han and Leia, nothing will ever be the same again...

The Jakarta Method Nov 21 2019 NAMED ONE OF THE BEST BOOKS OF 2020 BY NPR, THE FINANCIAL TIMES, AND GQ The hidden story of the wanton slaughter -- in Indonesia, Latin America, and around the world -- backed by the United States. In 1965, the U.S. government helped the Indonesian military kill approximately one million innocent civilians. This was one of the most important turning points of the twentieth century, eliminating the largest communist party outside China and the Soviet Union and inspiring copycat terror programs in faraway countries like Brazil and Chile. But these events remain widely overlooked, precisely because the CIA's secret interventions were so successful. In this bold and comprehensive new history, Vincent Bevins builds on his incisive reporting for the Washington Post, using recently declassified documents, archival research and eye-witness testimony collected across twelve countries to reveal a shocking legacy that spans the globe. For decades, it's been believed that parts of the developing world passed peacefully into the U.S.-led capitalist system. The Jakarta Method demonstrates that the brutal extermination of unarmed leftists was a fundamental part of Washington's final triumph in the Cold War.

Haunting Legacy Aug 19 2019 The United States had never lost a war [?]that is, until 1975, when it was forced to flee Saigon in humiliation after losing to what Lyndon Johnson called a "raggedy-ass little fourth-rate country." The legacy of this first defeat has haunted every president since, especially on the decision of whether to put "boots on the ground" and commit troops to war. In Haunting Legacy, the father-daughter journalist team of Marvin Kalb and Deborah Kalb presents a compelling, accessible, and hugely important history of presidential decisionmaking on one crucial issue: in light of the Vietnam debacle, under what circumstances should the United States go to war? The sobering lesson of Vietnam is that the United States is not invincible [?]it can lose a war [?]and thus it must be more discriminating about the use of American power. Every president has faced the ghosts of Vietnam in his own way, though each has been wary of being sucked into another unpopular war. Ford (during the Mayaguez crisis) and both Bushes (Persian Gulf, Iraq, Afghanistan) deployed massive force, as if to say, "Vietnam, be damned." On the other hand, Carter, Clinton, and Reagan (to the surprise of many) acted with extreme caution, mindful of the Vietnam experience. Obama has also wrestled with the Vietnam legacy, using doses of American firepower in Libya while still engaged in Iraq and Afghanistan. The authors spent five years interviewing hundreds of officials from every post war administration and conducting extensive research in presidential libraries and archives, and they've produced insight and information never before published. Equal parts taut history, revealing

biography, and cautionary tale, Haunting Legacy is must reading for anyone trying to understand the power of the past to influence war-and-peace decisions of the present, and of the future.

Star Wars Jan 04 2021 As legion of Sith have conquered what was left of the Empire and the Jedi have fled into hiding, renounced Jedi Cade Skywalker must reluctantly live up to the Skywalker legacy and his destiny of saving the universe.

Bloodlines: Star Wars Legends (Legacy of the Force) Sep 24 2022 A new era of exciting adventures and shocking revelations continues to unfold, as the legendary Star Wars saga sweeps forward into astonishing new territory. Civil war looms as the fledgling Galactic Alliance confronts a growing number of rebellious worlds—and the approaching war is tearing the Skywalker and Solo families apart. Han and Leia return to Han's homeworld, Corellia, the heart of the resistance. Their children, Jacen and Jaina, are soldiers in the Galactic Alliance's campaign to crush the insurgents. Jacen, now a complete master of the Force, has his own plans to bring order to the galaxy. Guided by his Sith mentor, Lumiya, and with Luke's young son Ben at his side, Jacen embarks on the same path that his grandfather Darth Vader once did. And while Han and Leia watch their only son become a stranger, a secret assassin entangles the couple with a dreaded name from Han's past: Boba Fett. In the new galactic order, friends and enemies are no longer what they seem. . . . Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Revelation: Star Wars Legends (Legacy of the Force) Jul 22 2022 During this savage civil war, all efforts to end Jacen Solo's tyranny of the Galactic Alliance have failed. Now with Jacen approaching

the height of his dark powers, no one—not even the Solos and the Skywalkers—knows if anything can stop the Sith Lord before his plan to save the galaxy ends up destroying it. Jacen Solo’s shadow of influence has threatened many, especially those closest to him. Jaina Solo is determined to bring her brother in, but in order to track him down, she must first learn unfamiliar skills from a man she finds ruthless, repellent, and dangerous. Meanwhile, Ben Skywalker, still haunted by suspicions that Jacen killed his mother, Mara, decides he must know the truth, even if it costs him his life. And as Luke Skywalker contemplates once unthinkable strategies to dethrone his nephew, the hour of reckoning for those on both sides draws near. The galaxy becomes a battlefield where all must face their true nature and darkest secrets, and live—or die—with the consequences. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

*Agonistic Memory and the Legacy of 20th Century Wars in Europe Sep 19 2019 This book discusses the merits of the theory of agonistic memory in relation to the memory of war. After explaining the theory in detail it provides two case studies, one on war museums in contemporary Europe and one on mass graves exhumations, which both focus on analyzing to what extent these memory sites produce different regimes of memory. Furthermore, the book provides insights into the making of an agonistic exhibition at the Ruhr Museum in Essen, Germany. It also analyses audience reaction to a theatre play scripted and performed by the Spanish theatre company Micomicion that was supposed to put agonism on stage. There is also an analysis of a Massive Open Online Course (MOOC) designed and delivered on the theory of agonistic memory and its impact on the memory of war. Finally, the book provides a personal review of the history, problems and accomplishments of the theory of agonistic memory by the two editors of the volume. Stefan Berger is Professor of Social History and Director of the Institute for Social Movements at Ruhr-Universitaet Bochum, Germany. He is also executive chair of the Foundation History of the Ruhr and Honorary Professor at Cardiff University, UK. He has published widely on the history of memory, the history of deindustrialization, industrial heritage, the history of social movements and labour movements, the history of historiography, historical theory and the history of nationalism and national identity. Wulf Kansteiner is Professor of Memory Studies and Historical Theory at Aarhus University, Denmark. His research interests include the methods and theories of memory studies; the role of visual media--TV, film, digital culture--in the formation of cultural memory; post-narrativist historical theory; and Holocaust history, memory, and historiography. His recent publications include 'Prime Time Nationalism: Patterns of Prejudice in TV Crime Fiction' in *National Stereotyping, Identity, Politics, European Crises* (2021) and 'Media and Technology,' in *The Twentieth Century*, vol. 6 of *A Cultural History of Memory* (2020).*

Star Wars Legacy - Outcasts of the Broken Ring Oct 21 2019 This title continues the story of the 'Star Wars Legacy' series, set 138 years after Luke destroys the Death Star

Star Wars Legacy Vol. 2 Mar 26 2020 Collects Star Wars: Legacy (2006) #20-36, 41. A century after the death of Darth Vader, the Sith have returned and the galaxy is on the brink of war. The one hope for stopping the Sith lies with ex-Jedi and would-be pirate Cade Skywalker, the last of the Skywalker lineage. But Cade has plans of his own . . .

Betrayal: Star Wars Legends (Legacy of the Force) Feb 05 2021 This is the era of Luke Skywalker’s legacy: the Jedi Master has unified the order into a cohesive group of powerful Jedi Knights. But as the new era begins, planetary interests threaten to disrupt this time of relative peace, and Luke is plagued with visions of an approaching darkness. Evil is rising again—out of the best intentions—and it looks as if the legacy of the Skywalkers may come full circle. Honor and duty will collide with friendship and blood ties as the Skywalker and Solo clans find themselves on opposing sides of an explosive conflict with potentially devastating repercussions for both families, for the Jedi order, and

for the entire galaxy. When a mission to uncover an illegal missile factory on the planet Adumar ends in a violent ambush—from which Jedi Knight Jacen Solo and his protégé and cousin, Ben Skywalker, narrowly escape with their lives—it's the most alarming evidence yet that sparks of political unrest are threatening to ignite into total rebellion. The governments of numerous worlds are chafing under the strict regulations of the Galactic Alliance, and diplomatic efforts to enforce compliance are failing. Fearing the worst, the Alliance readies a preemptive display of military might in a bid to bring the rogue worlds in line before an uprising erupts. The designated target of this exercise: planet Corellia—renowned for the brash independence and renegade spirit that have made its favorite son, Han Solo, a legend. Something of a rogue himself, Jacen is nevertheless duty bound as a Jedi to stand with his uncle, Jedi Master Luke Skywalker, on the side of the Galactic Alliance. But when the wary Corellians launch a counterstrike, the Alliance's show of force—and a secret mission to disable Corellia's crucial Centerpoint Station—give way to an armed skirmish. Once the smoke clears, the battle lines are drawn. Now the specter of full-scale war looms between a growing cadre of defiant planets and the Galactic Alliance that some fear is becoming a new Empire. And even as both sides struggle to find a diplomatic solution, mysterious acts of treachery and sabotage threaten peace efforts at every turn. Determined to root out those behind the mayhem, Jacen follows a trail of cryptic clues to a dark rendezvous with the most shocking of revelations . . . while Luke grapples with something even more troubling: dream visions of a shadowy figure whose Force power and ruthlessness remind him of Darth Vader—a lethal enemy who strikes like a dark spirit on a mission of doom. An agent of evil who, if Luke's visions come to pass, will bring untold pain to the Jedi Master . . . and to the entire galaxy. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Legacy of War is a nail-biting story of courage, bravery, rebellion and war from the master of adventure fiction.

Invincible: Star Wars Legends (Legacy of the Force) May 20 2022 No war can last forever. Now, in the long and punishing battle between the defiant champions of the New Jedi Order and the juggernaut that is the Galactic Alliance, the endgame is finally at hand. With so much lost—and nothing less than the course of the future still at stake—there can be no turning back. No matter the consequences. The rebel cause is losing ground under the twin blows of Admiral Gilad Pellaeon's assassination and the death of Mara Jade Skywalker. At the same time, having gained the support of the Imperial Remnant and its ruthlessly efficient forces, the Galactic Alliance, with the extraordinary power and dark brilliance of newly ascendant Sith Lord Darth Caedus at its helm, may be unstoppable. Tormented and torn between the call of duty and the thirst for vengeance, Luke has searched the Force and beheld an unspeakable vision of the galaxy enslaved under tyranny more monstrous than even Palpatine's. Now it seems that the last, best hope lies in mobilizing the scattered Jedi for one decisive search-and-destroy mission. The objective: eliminate Darth Caedus. It's a plan that will be as difficult and dangerous to execute as it is daring. For Caedus is a scion of both the Skywalker and Solo bloodlines whose command of the Force surpasses even that of his grandfather Darth Vader. There is only one who is bound by destiny to stand against him in what will surely be a duel to the death, only one with an outside chance of bringing down the dark lord who was once Jacen Solo. Failure is not an option. The furious final moments between power and peace are here, and whoever confronts Darth Caedus will decide the outcome—and the fate of those left standing. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!
