Playing the Millionaire Feb 09 2021 I had six rules I lived by:1. Know your mark.2. Listen and never look bored.3. Never reveal your true self.4. Never stay in one place too long.5. Exit as smoothly as you entered.6. Never fall in love. I was a charmer, a seducer, and the woman that men were hungry to get their hands on. Rich men never should have trusted me, but they did. It was stupidity on their part. Things were going well and I was doing what I was supposed to do, until I ripped off the wrong millionaire. A millionaire who came after me with a vengeance. My name is Kate Harper and this is my story.I was the CEO of Quinn Hotels, one of the largest hotel chains in the world. I met Kate Harper on an airplane back from Seattle to New York. She was captivating and had my attention the moment I laid eyes on her. But she was far from the person she said she was. After parting ways at JFK airport, I discovered she ripped me off. I never thought I'd see her again, but fate stepped in and we crossed paths. This time I wasn't letting her go until her debt to me was paid. She was every kind of wrong, but that didn't stop the feelings that emerged while I kept her in my possession. My name is Gabriel Quinn and this is my story.

Dying for Love Mar 13 2021 Dr. John Yelenic was a successful dentist in a small Pennsylvania town. When he met Michele Kamler, he thought he'd finally found the woman of his dreams. She was beautiful, intelligent, and seemed to want all the same things out of life as he did. Michele married Yelenic in 1997. But by 2002, the relationship fell apart...and what followed was a bitter, three-year-long battle in which Michele made demands for Yelenic's money and even accused him—falsely, it would later be shown—of sexual abuse. Michele began dating Kevin Foley, a Pennsylvania State Trooper. When, in 2006, Yelenic was found murdered—slashed to death in his own home—Foley was the prime suspect. At the time of Yelenic's death, Michele was listed as beneficiary on more than \$1 million in insurance benefits. Did Foley believe Michele stood to inherit this money? Or did this well-known hot-head act alone? This is a shocking true story of greed, corruption, and cold-blooded murder.

The Millionaire Fastlane Aug 06 2020 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.
