Your Forever Love Oct 16 2021 I know what people say about me. Eric Callahan, 'The Shark'. I own it. I'm a powerful man. My sharp business sense earned me that nickname. My façade is my armor. Underneath is where I keep the devotion I have for my daughter. Since her mother died, I've devoted my life to her. Expanding my business on the West Coast is one way to ensure I build the legacy she deserves. And that's all I plan to do for our three months in San Francisco. Until I meet Pippa Bennett. I swear, I didn't mean to start flirting with her. It was a complete accident. So was continuing. I can't resist the pull between us any more than I can change the tides in the Bay. We have the same sense of humor, we have chemistry for days, and she's as kind and sweet with my daughter as my family is. This is fast spiraling out of control. She's a divorcee, I'm a widower. Neither of us was prepared to take a chance on love again. Besides, we always had a time limit. But as it grows closer, I can't help but wonder—can I let her go, or could this one be forever?

When You're Mine Jun 12 2021 Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that—not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

Before long, I'm willing to do anything for one more kiss, one more night together. But with my future up in the air, can I promise Sienna anything more than an unforgettable Christmas season?

On my eighteenth birthday, when I asked him to kiss me, I never imagined it would change my life so completely. I gave Jack everything that night. In order to move on, we had to go our separate ways and pretend like nothing happened... as though it wasn't the greatest moment of my life. But even that wasn't as heartbreaking as the secret we were forced to keep. I've tried not to think about how much I still love him. How I long to be back in his strong arms or the way his hazel eyes make my heart race. Until he kisses me again. And this time there's no turning back. This time I know what it means. We belong together and there's no use denying it any longer. But our feelings aren't the only thing that won't stay buried, our past resurfaces and threatens to destroy our second chance at happiness. When our love is tested once again, will we be strong enough to stand together?

Your Fierce Love Feb 20 2022 They say Blake Bennett is downright irresistible. They're mostly right. I've never had to work too hard to fill my bed. One smile is usually all it takes. Our family has treated her like one of our own for years. After spending her life in group homes, we've given her a place to belong. Now, the only thing she wants is two weeks of uninterrupted peace and quiet with absolutely no men in sight. Or can Dillon turn this two-week stand into more than an unexpected holiday fling, convincing West that romance does exist after all? **Your Endless Love** Apr 10 2021 I can already see the headlines: "Alexander Westbrook Buries Sorrows In Charity Work." No thanks. I don't want to be another one of those Hollywood actors, all PR and no heart. For me, giving back is the best part of fame, and to use my trip to the group home to get good press would taint that. Besides, my sister's been bugging me nonstop to find something—or someone—to distract me from the failed engagement to my former co-star. Enter Summer Bennett, volunteer at St Anne's and certified believer in happy endings. Spending time with her out of the spotlight is a sweet relief from my typical tabloid-ready life back in Los Angeles. The idea of spending the next two weeks with her is too good to turn down. Her entire body responds to a simple smile from me, and mine is helpless to resist her either. I can't risk my career for a girl. My studio contract doesn't allow it anyways. But I can't keep my hands to myself. Our secret kisses and whispered conversations have sparked a fire we're powerless to extinguish. How can I possibly turn our two weeks into something endless?

One Night in London Sep 03 2020 Have sex with a stranger in a foreign country. It was on my list. It was something I'd never done before and I wasn't sure if I could go through with it. But I did. Don't tell him anything about yourself. No names. No personal information. Nothing. It's all about the thrill. The mystery man. Keep him a stranger. That one night was the best night of my entire life. He was sexy, intense, and made me feel things I had never felt before. The next morning, the thrill was over and he was gone before I woke up. What happened in London should have stayed in London, but it didn't. I was never supposed to see him again, but the universe had other plans and now my happy little world was turned upside down by a man named Sebastian Bennett. She refused to tell me her name. Normally, I wouldn't care. But something inside me needed to know who she was. She was stunningly beautiful and a name would complete her. It didn't matter anyway. In the morning, I'd be gone before she woke up and I'd never see her again. It was probably for the best anyway. I would hurt her and she would ultimately hate me. It's what I did. It's all I knew. I was never supposed to see her again, but I did, and my desire for her was stronger than before. I had money, looks, and a heart made of pure stone. She deserved better than me and I knew it, but I couldn't stay away. Chloe Kane left an imprint on my soul and now my life would never be the same all because of One Night in London.

Skye Winchester is bold, sensual and I just can't keep my distance. I'm determined to make her mine. But once I've touched her, I want more. I want to worship her all night long. As a business owner herself, Skye's got enough on her plate. I was expecting her to run in the opposite direction when she realizes how complicated my life is. Instead, she does the opposite: making my sister laugh, charming my niece... She completely wins me over. Neither of us expected our attraction to grow until it obscures everything but each other. And neither of us can afford to allow that. But how can we stop now?

At Any Price Oct 24 2019 "This is one of 13 romance novels that should be on every woman's bucket list."--Bustle.com I had the craziest idea when I decided to auction my virginity online. I have reasons for it. Good reasons. My mom's hospital bills, for one. My medical school tuition, for another. By day, I'm a student and popular gaming blogger, but my dream is to become a doctor. This auction could free me from a crushing pile of debt and give me the cash I need to make my dreams a reality. And honestly, I'm also looking forward to cashing in that troublesome V-card. Win, win. My rules are set in stone: One night, then no further contact with the auction winner. Enter Adam Drake, the brilliant gaming company CEO and multimillionaire. He won my auction. He's young, driven, and so damn sexy. It's frightening how attracted I am - though I'd never admit it. And it's clear I'll need to protect my heart. But Adam is used to making the rules and before I can catch it, he's found a loophole. Every stipulation I made to protect myself is getting tossed by the wayside. I can't help but wonder...
