**From Nowhere to Somewhere** Oct 08 2020 I wrote a personal story motivated by the urge to chronicle what struck me as a unique and unusual developmental social and professional life. I hope the story will interest the readers. I certainly relished the nostalgia and recollections of the past from the humble beginnings, and reaching the top with success in a manner from which the origins cannot be told or surmised. The purpose is not to glorify poverty nor encourage social upbringing in an environment devoid of parental support, but to indicate the inherent resilience of a human being. It is possible to survive and succeed despite adverse circumstances, if among other factors, one gets lucky breaks or your journey enjoys fortunate events. In my case, success was certainly almost entirely the result of lucky strokes and unexplained events which came to the rescue at the right time and in the correct manner. The morrow was miraculously shaped without concerted planning. Assistance that came from various unsolicited quarters, testified to inherent good nature of people. In many a situation similar to mine, the environment can be a fatal and destructive derailment. One had to have the ability to learn quickly and to have the potential to avoid pitfalls.

**Greetings from Nowhere** Aug 30 2022 Aggie isn't expecting visitors at the Sleepy Time Motel in the Great Smoky Mountains. Since her husband died, she is all alone with her cat, Ugly, and keeping up with the bills and repairs has become next to impossible. The pool is empty, the garden is overgrown, and not a soul has come to stay in nearly three months. When she reluctantly places a For Sale ad in the newspaper, Aggie doesn't know that Kirby and his mom will need a room when their car breaks down on the way to Kirby's new reform school. Or that Loretta and her parents will arrive in her dad's plumbing company van on a trip meant to honor the memory of Loretta's birth mother. Or that Clyde Dover will answer the For Sale ad in such a hurry and move in with his daughter, Willow, looking for a brand-new life to replace the one that was fractured when Willow's mom left. Perhaps the biggest surprise of all is that Aggie and her guests find just the friends they need at the shabby motel in the middle of nowhere. From an author long recognized for her true Southern voice and heartfelt characters, *Greetings from Nowhere*, with its four intertwining stories, brings Barbara O'Connor's work to a new level of sophistication. Never Far From Nowhere Aug 06 2020 A passionate and perceptive story full of the pain and the humour of growing up, from Andrea Levy, author of the Orange Prize winning *SMALL ISLAND* and the Man Booker shortlisted *THE LONG SONG*. *NEVER FAR FROM NOWHERE* is the story of two sisters, Olive and Vivien, born in London to Jamaican parents and brought up on a council estate. *News from Nowhere - William Morris* Dec 30 2019 *News from Nowhere* is a classic work combining utopian socialism and soft science fiction written by the artist, designer and socialist pioneer William Morris. It was first published in serial form in the *Commonweal* journal beginning on 11 January 1890. Up at the League, says a friend, there had been one night a brisk conversational discussion, as to what would happen on the Morrow of the Revolution, finally shading off into a vigorous statement by various friends of their views on the future of the fully-developed new society. Says our friend: Considering the subject, the discussion was good-tempered; for those present being used to public meetings and after-lecture debates, if they did not listen to each others opinions (which could scarcely be expected of them), at all events did not always attempt to speak all together, as is the custom of people in ordinary polite society when conversing on a subject which interests them. For the rest, there were six persons present, and consequently six sections of the party were represented, four of which had strong but divergent Anarchist opinions. One of the sections, says our friend, a man whom he knows very well indeed, sat almost silent at the beginning of the discussion, but at last got drawn into it, and finished by roaring out very loud, and damning all the rest for fools; after which befel a period of noise, and then a lull, during which the aforesaid section, having said good-night very amicably, took his way home by himself to a western suburb, using the means of travelling which civilisation has forced upon us like a habit. As he sat in that vapour-bath of hurried and discontented humanity, a carriage of the underground railway, he, like others, stewed discontentedly, while in self-reproachful mood he turned over the many excellent and conclusive arguments which, though they lay at his fingers ends, he had forgotten in the just past discussion. But this frame of mind he was so used to, that it didnt last him long, and after a brief discomfort, caused by disgust with himself for having lost his temper (which he was also well used to), he found himself musing on the subject-matter of discussion, but still discontentedly and unhappily. If I could but see a day of it, he said to himself; if I could but see it!

Yet a few years ago, things couldn't have been any more different. Rejected as a teenager by his boyhood club, Jamie thought his chance was gone. But from playing pub football and earning £30 a week at Stocksbridge Park Steels, while still working in a factory, his off-the-cuff performances saw him rise. Jamie had a wild and turbulent youth, but football became his saving grace and, once he filled his boots with goals at FC Halifax Town and Fleetwood Town, he moved to Leicester City. **The House from Nowhere** Jul 05 2020 Time-travel continues to exercise its mesmeric fascination upon writers, readers and editors of science fiction alike. Probably because almost all of us, at one time or another, have longed greatly to visit either the future or the past. Perhaps, in view of the dangerous paradoxes such travel must involve, it is a good thing that such horological journeys have to date been confined to the printed page. New neighbors are always exciting. But the anachronistic MacDonalds offered a bit too much.

But Nishfar soon realises that this journey may not be as straightforward as he first thought. As the war intensifies, getting his daughter off world could be the greatest challenge of his life.

**Out of Nowhere** Nov 28 2019 This charming and timeless tale of a beetle searching for a missing

Beetle sets out on a long journey through the forest, but Caterpillar is nowhere to be seen. Beetle's just about to give up when a friendly (and rather familiar) butterfly appears out of nowhere. *Goodbye from Nowhere* Dec 22 2021 Sara Zarr, author of the National Book Award finalist *Story of a Girl*, returns with an intimate, exquisitely crafted novel of the courage it takes to see those we love for who they are. Kyle Baker thought his family was happy. Happy enough, anyway. That's why, when Kyle learns that his mother has been having an affair and his father has been living with the secret, his reality is altered. He quits baseball, ghosts his girlfriend, and generally checks out of life as he's known it. With his older sisters out of the house and friends who don't get it, the only person he can talk to is his cousin Emily—who is always there on the other end of his texts but still has her own life, hours away. Kyle's parents want him to keep the secret of his mother's affair from the rest of the family until after what might be their last big summer reunion. As Kyle watches the effects of his parents' choices ripple out over friends, family, and strangers, and he feels the walls of his relationships closing in, he has to decide what his obligations are to everyone he cares for—including himself.

*We are Everywhere* Nov 08 2020 *We Are Everywhere* is a whirlwind collection of writings, images and ideas for direct action by people on the frontlines of the global anticapitalist movement. This is a movement of untold stories, because those from below are not those who get to write history, even though we are the ones making it. *We Are Everywhere* wrenches our history from the grasp of the powerful and returns it to the streets, fields and neighbourhoods where it was made.

*Close Up at a Distance* Jun 23 2019 Maps poised at the intersection of art, architecture, activism, and geography trace a profound shift in our understanding and experience of space. The maps in this book are drawn with satellites, assembled with pixels radioed from outer space, and constructed from statistics; they record situations of intense conflict and express fundamental transformations in our ways of seeing and of experiencing space. These maps are built with Global Positioning Systems (GPS), remote sensing satellites, or Geographic Information Systems (GIS): digital spatial hardware and software designed for such military and governmental uses as reconnaissance, secrecy, monitoring, ballistics, the census, and national security. Rather than shying away from the politics and complexities of their intended uses, in *Close Up at a Distance* Laura Kurgan attempts to illuminate them. Poised at the intersection of art, architecture, activism, and geography, her analysis uncovers the implicit biases of the new views, the means of recording information they present, and the new spaces they have opened up. Her presentation of these maps reclaims, repurposes, and discovers new and even inadvertent uses for them, including documentary, memorial, preservation, interpretation, political, or simply aesthetic. GPS has been available to both civilians and the military since 1991; the World Wide Web democratized the distribution of data in 1992; Google Earth has captured global bird's-eye views since 2005. Technology has brought about a revolutionary shift in our ability to navigate, inhabit, and define the spatial realm. The traces of interactions, both physical and virtual, charted by the maps in *Close Up at a Distance* define this shift.

**A Thousand Miles from Nowhere** Jan 23 2022 A Virginia Book Award Finalist "A beautiful, haunting novel."--Tom Franklin "John Gregory Brown is a writer I've long admired, and this new novel is his best book yet. *A Thousand Miles from Nowhere* is a marvelous depiction of one man's stumbling journey from despair toward a hard-won redemption."--Ron Rash "You have lost everything, yes?" Everything? Henry thought; he considered the word. Had he lost everything? Fleeing New Orleans as Hurricane Katrina approaches, Henry Garrett is haunted by the ruins of his marriage, a squandered inheritance, and the teaching job he inexplicably quit. He pulls into a small Virginia town after three days on the road, hoping to silence the ceaseless clamor in his head. But this quest for peace and quiet as the only guest at a roadside motel is destroyed when Henry finds himself at the center of a bizarre and violent tragedy. As a result, Henry winds up stranded at the

ramshackle motel just outside the small town of Marimore, and it's there that he is pulled into the lives of those around him: Latangi, the motel's recently widowed proprietor, who seems to have a plan for Henry; Marge, a local secretary who marshals the collective energy of her women's church group; and the family of an old man, a prisoner, who dies in a desperate effort to provide for his infirm wife. For his previous novels John Gregory Brown has been lauded for his "compassionate vision of human destiny" as well as his "melodic, haunting, and rhythmic prose." With *A THOUSAND MILES FROM NOWHERE*, he assumes his place in the tradition of such masterful storytellers as Flannery O'Connor and Walker Percy, offering to readers a tragicomic tour de force about the power of art and compassion and one man's search for faith, love, and redemption.

**Girl from Nowhere** May 15 2021 Red Sparrow meets One of Us Is Lying in this action-packed, romance-filled YA debut about a girl trying to outrun her past. Ninety-four countries. Thirty-one schools. Two bullets. Now it's over . . . or so she thinks. Sophia Hepworth arrives in Montana with the promise of a normal American high school experience. But after a turbulent few years abroad with her diplomat parents, forgetting the past is easier said than done. After all, "normal" high school students aren't fluent in multiple languages or trained in several forms of combat. Then Sophia meets a group of friends she can really trust and finds herself drawn more and more to mysterious Aksel--who she maybe shouldn't trust but can't stop thinking about. But it's not long before Sophia's past catches up with her and she learns who she really is, and all that she is capable of in the name of love and survival. Full of heart-stopping action and breath-taking romance, this cinematic debut features a girl willing to risk everything to save the life that she built for herself.

**News from Nowhere** May 03 2020 The book explores a number of aspects of this society, including its organisation and the relationships which it engenders between people. Morris cleverly fuses Marxism and the romance tradition when he presents himself as an enchanted figure in a time and place different from Victorian England. As Morris, the romance character, quests for love and fellowship--and through them for a reborn self--he encounters romance archetypes in Marxist guises. Old Hammond is both the communist educator who teaches Morris the new world and the wise old man of romance. Dick and Clara are good comrades and the married lovers who aid Morris in his wanderings. The journey on the Thames is both a voyage through society transformed by revolution and a quest for happiness. The goal of the quest, met and found though only transiently, is Ellen, the symbol of the reborn age and the bride the alien cannot win. Ellen herself is a multidimensional figure; a working class woman emancipated under socialism, she is also a benign nature spirit as well as the soul in the form of a woman.[1] The book offers Morris' answers to a number of frequent objections to socialism, and underlines his belief that socialism will entail not only the abolishment of private property but also of the divisions between art, life, and work.

**News from Nowhere** Sep 06 2020 One of the most literary and readable of utopian novels, News from Nowhere chronicles the impressions of a nineteenth-century visitor to the twenty-second century, who finds England transformed into a socialist paradise. Morris' idyllic society echoes themes from the writings of Ruskin and Marx but forms a distinctive expression of the author's own egalitarian views. A distillation of Morris' mature reflections on politics, art and society, this work was regarded as an exercise in sentimentality upon its 1890 publication. Modern readers, however, are likely to find resonance in its critique of state socialism and its proposals for an alternative society.

The Girl From Nowhere Jun 03 2020 My mother was a prostitute. My grandmother and great-grandmother were prostitutes. Maybe I should have given the family business a chance. To Westerners, being Romani means being wild, romantic and free. To Eliska Tanzer, it means being rented out to dance for older men. It means living without running water. It means not being allowed a job or an education. It means being stuffed into a bare room with all your aunts and cousins, fighting over the thin, stained blanket the way you fight over the last piece of half-mouldy bread. It means joining the family prostitution ring when you're still a child. But Eliska is given a way out after her mother scrapes together the money to smuggle her out of the country to a new life. Arriving in England in a washing-machine box, she thinks she has made it. But as a young girl alone in a new country, Eliska soon sees her dream turn into a nightmare when she is forced to live and work under unbearable abuse as she tries to forge her way alone. Drawing on the struggles of her Romani ancestors, Eliska is inspired with the strength to carry on. She eventually starts a successful business and becomes an accomplished writer and dancer. The Girl from Nowhere is a triumphant story of family, persistence and the meaning of freedom.

**Pies from Nowhere: How Georgia Gilmore Sustained the Montgomery Bus Boycott** Apr 01 2020 This stunning picture book looks into the life of Georgia Gilmore, a hidden figure of history who played a critical role in the civil rights movement and used her passion for baking to help the Montgomery Bus Boycott achieve its goal. Georgia decided to help the best way she knew how. She worked together with a group of women and together they purchased the supplies they needed-bread, lettuce, and chickens. And off they went to cook. The women brought food to the mass meetings that followed at the church. They sold sandwiches. They sold dinners in their neighborhoods. As the boycotters walked and walked, Georgia cooked and cooked. Georgia Gilmore was a cook at the National Lunch Company in Montgomery, Alabama. When the bus boycotts broke out in Montgomery after Rosa Parks was arrested, Georgia knew just what to do. She organized a group of women who cooked and baked to fund-raise for gas and cars to help sustain the boycott. Called the Club from Nowhere, Georgia was the only person who knew who baked and bought the food, and she said the money came from "nowhere" to anyone who asked. When Martin Luther King Jr. was arrested for his role in the boycott, Georgia testified on his behalf, and her home became a

meeting place for civil rights leaders. This picture book highlights a hidden figure of the civil rights movement who fueled the bus boycotts and demonstrated that one person can make a real change in her community and beyond. It also includes one of her delicious recipes for kids to try with the help of their parents!

*From Nowhere to Nowhere* Aug 18 2021 Bekim Sejranovic's *From Nowhere to Nowhere* is a subtle yet unforgettable meditation on the factors that shape identity. The novel's unnamed narrator, raised by his grandparents and scattered to the wind from his hometown of Brcko, Bosnia and Herzegovina, during the Yugoslav Wars of the 1990s, travels to Croatia and Norway, trying to reclaim a sense of self he isn't sure he ever possessed in the first place. From his days playing soccer with friends on Unity Street outside his home to Muslim funerals, his job as an interpreter for Balkan refugees, and his fractious relationships with women, a nomadic aesthetic emerges brilliantly rendering what it means to live a life from which you have always been removed.

*News from Nowhere and Other Writings* Jul 29 2022 Poet, pattern-designer, environmentalist and maker of fine books, William Morris (1834-96) was also a committed socialist and visionary writer, obsessively concerned with the struggle to achieve a perfect society on earth. *News From Nowhere*, one of the most significant English works on the theme of utopia, is the tale of William Guest, a Victorian who wakes one morning to find himself in the year 2102 and discovers a society that has changed beyond recognition into a pastoral paradise, in which all people live in blissful equality and contentment. an updated cover and foreword. If you'd like to read Barbara Savage's two-year around the world bicycle trip now, you can order the current version here. Miles from Nowhere is the story of Barbara and Larry Savage's sometimes dangerous, often zany, but ultimately rewarding 23,000-mile bicycle odyssey, which took them through 25 countries in two years. Along the way, these near-neophyte cyclists on their ten-speeds encountered warm-hearted strangers eager to share food and shelter, bicycle-hating drivers who ran them off the road, various wild animals (including an attack camel), rock-throwing Egyptians, overprotective Thai policeman, motherly New Zealanders, meteorological disasters, bodily indignities, and great personal joys. The stress of traveling together constantly tested yet strengthened the young couple's relationship and as their trip ends, you'll find yourself yearning for Barbara and Larry to jump back on their bikes and keep pedaling. Originally published in 1983, Miles from Nowhere has provided inspiration for legions of modern travel-adventurers and writers.

**Miles From Nowhere** Feb 21 2022 Joon is a young Korean immigrant living in the Bronx of the 1980s. Her parents have crumbled under the weight of her father's infidelity and mental illness has rendered her mother nearly catatonic. So Joon, at the age of thirteen, decides she's better off on her own and sets out on a harrowing and sometimes tragic journey, exposing herself to all the pain and difficulty of a life lived on the margins. Joon's years on the streets take her from a homeless shelter to an escort club, through struggles with addiction, to jobs selling newspapers and cosmetics, committing petty crimes, and, finally, towards something resembling hope. Honest, inventive and profoundly moving, Miles From Nowhere is a dazzling debut novel that will haunt and inspire.
