Nectar #21 Nov 05 2020 The profound and revered religious and spiritual pathways of Judaism, Buddhism, Tantra, and Vedanta all grace the pages of this issue of Nectar of Nondual Truth with their simultaneously sententious yet congenial teachings, revealing anew and for our highest benefit the time-honored principle of Universalism. As my own guru has stated via powerful discourse, also contained within these pages: "The harmony of religions cannot be preached by any teacher who is exclusive, who is dualistic in frame of mind and in philosophy of life." Therefore, with the advent of Advaita Vedanta in the West, mainly due to the work and presence of beings like Swami Vivekananda, it is time for the message of Universalism to be proposed, accepted, practiced, and realized on a wider scale so that true Peace will descend and enter the hearts and minds of living beings. Solace and Samadhi will be the welcome outcomes. Nectar of Nondual Truth leans decidedly towards a religious pluralism free of both the hypocritical sense of superiority and the problem of a complacent religious discernment. That is, equality based upon nonduality, combined with a tenacious scrutiny and inspection of all wisdom teachings, will ensure the vision and purity of the allimportant spiritual realm. Thus, the peoples of the world will forthwith be able to steer clear of the mistakes of the past springing from a lack of, distortion of, or misunderstanding of essential and eternal spiritual principles.
