Thats something that will guide you to comprehend even more something like the globe, experience, some places, following history, amusement, and a lot more?

It is your unconditionally own get older to undertaking reviewing habit. in the course of guides you could enjoy now is**Paper Donkey Face Mask** below.

The Wisdom of Donkeys Dec 15 2021 A literary ode to peace, presence, and fulfillment inspired by a walk taken with a most surprising creature. "The demon of speed is often associated with forgetting, with avoidance . . . and slowness with memory and confronting," observes Milan Kundera in his novel *Slowness*. With that purpose in mind-a search for slowness and tranquility, Andy Merrifield sets out on a journey of the soul with a friend's donkey, Gribouille, to walk amid the ruins and spectacular vistas of southern France's Haute-Auvergne. As Merrifield contemplates literature, science, truth, and beauty amid the French countryside, Gribouille surprises him with his subtle wisdom, reminding him time and again that enlightenment is all around us if we but seek it.

Blood and Silk Dec 23 2019 FASCINATING NOVEL EXPLORES JESUS AND MARY'S CONTROVERSIAL BOND THROUGH THE LENSES OF CULTURAL, SOCIAL, POLITICAL AND HISTORICAL CONTEXTS. Mary Magdalene and Jesus of Nazareth's mysterious, legendary connection can only be realized by revisiting their story through its Greco-Roman, Mediterranean cultural context. Early theologians censored details about theater, literature, dress, cuisine, wedding rituals, glass manufacturing, silk trade, politics and architecture of Mary Magdalene's time when they did not fit dogma and doctrine. Cultural Historian Carol Aldenhoven McKay retrieves these lost frameworks as the story line follows McKay's meticulous reconstruction of a formerly forgotten way of life. *Blood and Silk: The Hidden Love Story of Mary Magdalene and Jesus of Nazareth* is a novel fifteen years in the making.

Lucy's Mask Jul 10 2021 Masks are everywhere. What do kids think about that? When Lucy finds out her mom is making her a special mask she's excited. Lucy loves masks! She dives into her toy box full of costumes and opens a world of imagination and make-believe adventure, far beyond the walls of her room. Of course, she doesn't realize that the mask her mom is making is not part of a costume but one that will keep her safe and make her a real-life superhero. This book is not a science lesson about germs and protection. It's a simple fun story that helps make mask-wearing more relatable and less scary. Parents and educators have found it to be a wonderful tool to start a conversation about germs, viruses, the pandemic, and what families have to do to keep themselves and others safe. For children heading to schools that will require them to wear masks, and for parents, grandparents and teachers looking for stories that give comfort and reassurance to kids about the changes around them, *Lucy's Mask* is a welcome addition to reading time. *Lucy's Mask* was a Finalist in the 2021 Next Generation Indie Book Awards.

Smiley Eyes, Smiley Faces Oct 13 2021 Have fun with face masks in this lift-the-flap, out-and-about adventure! Toddlers today are growing up in a world where adults wear face masks outside the house. Everyone is wearing them, from the bus driver to the shop assistant! In *Smiley Eyes, Smiley Faces*, their can take an interactive journey through the town, meeting different adults along the way. Toddlers can then lift the mask-shaped flaps to reveal the smiley faces underneath the bright, colourful masks. They can even lift their own mask at the end of the day with the surprise mirrored finale! Zoe Waring's bright artwork and charming characters encourage interaction and play as small children engage with the new world around us. (Please refer to the WHO guidelines for advice on children and the wearing of face masks.) This novelty Ladybird title: Introduces the world Boosts motor skills Recommended for children aged 2+

Masks and Masking in Medieval and Early Tudor England Apr 26 2020 Drawing on broad research, this study explores the different social and theatrical masking activities in England during the Middle Ages and the early 16th century. The authors present a coherent explanation of the many functions of masking, emphasizing the important links among festive practice, specialized ceremonial, and drama. They elucidate the intellectual, moral and social contexts for masking, and they examine the purposes and rewards for participants in the activity. The authors' insight into the masking games and performances of England's medieval and early Tudor periods illuminates many aspects of the thinking and culture of the times: issues of identity and community; performance and role-play; conceptions of the psyche and of the individual's position in social and spiritual structures. *Masks and Masking in Medieval and Early Tudor England* presents a broad overview of masking practices, demonstrating how active and prominent an element of medieval and pre-modern culture masking was. It has obvious interest for drama and literature critics of the medieval and early modern periods; but is also useful for historians of culture, theatre and anthropology. Through its analysis of masked play this study engages both with the history of theatre and performance, and with broader cultural and historical questions of social organization, identity and the self, the performance of power, and shifting spiritual understanding.

The Definitive Donkey Aug 19 2019

ELUDA I Nov 14 2021 A poignant tale of one woman's journey through plight and triumph Eluda: a woman of faith Set in Souffle, a small yet calm and beautiful town in Dominican Republic, this narrative revolves around a unique girl, Eluda. She grew up strong, like her two brothers and always had a cheerful aura emanating from her. After being separated from her mother however, her world turned upside down. She was forced to marry a man who owned vast lands, an older man who did not look at her as a wife, but as a slave. Since then, Eluda was no longer was the young person who had the opportunity to smile for it was impossible. One year passed after another, and although she was generally sad, Eluda was able to grasp a tinge of joy from managing every aspect of the farm. Later, she began every day with strength, confidence, and determination to live a conviction that, in the end, turned out triumphant. Gripping and well-written, *Eluda: a woman of faith* explores the depths of one's own minds, hearts, and souls. It is an account of hope, determination, and faith that will leave you inspired and grateful.

Peter Schumann's Bread and Puppet Theatre Sep 19 2019 A book on the cultural and revolutionary florescence of the American Theatre, circa 1963-1973

Masks in Modern Drama Dec 03 2020

Who's Afraid of Agatha Christie May 20 2022 First Published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

Housebound Sep 24 2022 An agoraphobic housewife is taken hostage by a reluctant villain. As the desperate moments tick by, an uneasy rapport develops between the unlikely companions, which is tense, touching and very funny. *Housebound* is a perfect play for entry into a festival or as part of an evening of entertainment. Winner of The Best New Play Award at the 2013 Cambridge Drama Festival, the Adjudicator said; "Rarely do I laugh out loud at a script. Direction was tight, the casting spot-on and the acting superb""

Donkey Baseball & Other Sporting Delights Jul 18 2019

Shakespeare Plays the Classroom Nov 02 2020 Bringing Shakespeare to the Sunshine State, this book gathers together a talented group of teachers, choreographers, directors, set designers, musicians, costumers, actors, and artists to discuss how they have adapted the bard's monologues in Miami, assassinated Julius Caesar on the steps of Tallahassee's Capitol, trained students to duel in Florida's Panhandle, placed Shylock on trial in Orlando, and transformed Gainesville into Puck's magical forest. This guide for teachers and lovers of literature and theater is an original collection of essays exploring the idea that Shakespeare's plays are best approached playfully through performance. Based on their wide-ranging experience as theater professionals and teachers in Florida, New York, London, and Stratford, the authors celebrate Shakespeare's continuing appeal to our complex, diverse culture. The essays include reflections on acting by the Royal Shakespeare Company's longest-serving member. And there's practical advice on acting; directing; staging fights; designing costumes; and integrating music, dance, masks, and puppets into performances from teachers and others who have refined their methods by performing Shakespeare in the classroom.

Making Masks for School Plays May 08 2021

Taking Scope Oct 25 2022 A novel view of the syntax and semantics of quantifier scope that argues for a "combinatory" theory of natural language syntax. In *Taking Scope*, Mark Steedman considers the syntax and semantics of quantifier scope in interaction with negation, polarity, coordination, and pronominal binding, among other constructions. The semantics is "surface compositional," in that there is a direct correspondence between syntactic types and operations of composition and types and compositions at the level of logical form. In that sense, the semantics is in the "natural logic" tradition of Aristotle, Leibniz, Frege, Russell, and others who sought to define a psychologically real logic directly reflecting natural language grammar. The book reunites the generative-transformational tradition initiated by Chomsky--which views the formal syntactic component as entirely autonomous---with the older, strongly lexicalist, construction-based tradition, which has sought to define a more linguistically transparent theory of meaning representation. Steedman offers a logical formalism that relates directly to the surface form of language and to the process of inference and proof that it must support. Such a natural logic, although formal by definition, should be allowed to grow organically from attested language phenomena rather than be axiomatized a priori in terms of any standard logic. Steedman also considers the application of natural semantic interpretations to practical natural language processing tasks, emphasizing throughout the elimination of traditional quantifiers from semantic formalism in favor of devices such as Skolem terms and structure-sharing among representations in processing.

80 Recipes For Beauty Face Masks Jun 21 2022 In this book I tried to create a useful guide where you will find not only a list of face mask recipes, but also all the information you need to create your own.That's right! No one can actually cover all the combinations, they are probably unlimited. Wouldn't it be much more convenient to combine ingredients and make your own recipes? This is why I included two lists at the end of the book. The first one is a list of several skin problems and needs; at least the most common. Next to each skin issue, you will find some

ingredients with the suitable properties. For example: Puffy eyes: cucumber, chamomile, avocado. This way, you can easily find what meets your special needs. Next, follows another list, which includes the ingredients that have been used in the recipes in this book. Next to each ingredient you will find some of their most beneficial nutrients, as well as how they benefit the skin; Easy, quick, economic and most of all: natural and safe! After all, could you apply on your face something safer than your food?

Vantage Point Oct 01 2020 The highly anticipated fourth instalment in the critically acclaimed MacNeice Mysteries series finds MacNeice and his team on the hunt for a sophisticated serial killer who draws his inspiration from classic works of art — perfect for fans of Dan Brown’s mysteries with a historical twist. Two bodies have been found in the master bedroom of a mansion in Dundurn’s old-money neighbourhood under the mountain. Howard Terry and his son, Matthew, have both been shot twice in the chest. Under Matthew’s body is a doll with blood-red cotton wadding spilling out of its head. Nearby, a mannequin in a nightshirt lies on its back, with two bullet holes in the chest. On the other side of town, a body is discovered below the Devil’s Punchbowl waterfall. Leaning against an enormous rock is a man in a cotton nightshirt wearing a papier mâché donkey’s head. Two rounds in the chest. Something about the way the bodies have been arranged suggests the murders are connected and triggers a memory in Detective Superintendent MacNeice of an image he saw years before...

Dare to Be a Green Witch Aug 31 2020 Discover the joys of embracing a more earth-friendly, natural lifestyle with this extraordinary guide to becoming a green witch. Written by a mother and daughter who both embody this holistic path, Dare to be a Green Witch provides everything you need to get started, including dozens of recipes and remedies, entertaining stories from the authors, and the history of these practices. Join Ehris Urban and Velya Jancz-Urban on a journey into the green witch's world, where you'll explore herbal infusions, fermentation techniques, pantry essentials, natural body and facial care, and more. You'll also learn the many uses of fire cider, tonics, essential oils, collagen, and bone broth. From creating an herbal sleep pillow to energy cleansing, Dare to be a Green Witch shows you how to use nature's gifts and enjoy holistic wellness.

THE CLINICAL COMPANION OF DONKEY DENTISTRY Apr 19 2022 This handbook has been produced as the first book in a series of in depth handbooks that will complement The Clinical Companion of the Donkey. It is a comprehensive and easy reference handbook on diagnosis, treatment and procedures for donkeys with dental conditions. It includes a chapter on nutrition to support the donkey with a dental condition and also a chapter on the important topic of prevention and routine care. With illustrations and images from our vast libraries and also from the collections of the authors, this handbook will be valuable to all those carrying out dental work on donkeys across the globe. It starts with a handy list of definitions of the important dental conditions in donkeys, all illustrated with colour photos.

Portrait of the King May 28 2020

Two Fields that Face and Mirror Each Other Jan 04 2021 An innovative new novel by the author of The Library of Thomas Rivka.

The Fish-Faced Mask of Mystery Feb 17 2022 It’s Career Week at Bayport Elementary, and Frank and Joe’s school assembly turns up some interesting guests. One student’s uncle is an animal trainer who brings a chimpanzee. Another girl’s father is an anthropologist who brings in a mask decorated with feathers and shells from a Pacific island. But when the assembly is interrupted by a fire drill, the mask is stolen—and the Hardys spring into action.

No Strings Attached Sep 12 2021 Dr. Karen Hutchins is an anointed woman of God who has overcome such major battles as divorce, death of immediate family members, and major illnesses. Because of her close communion with God and total reliance on His sovereignty, she has thrived through those battles, with a deeper appreciation of the power and love of God. Karen gave her life to the Lord as a child, and pursued Him through leading worship and teaching and preaching in churches in Texas, Washington, and North Dakota. Karen has a bachelor's degree in ministry, a master's degree in theology, and a doctorate in Christian counseling. In her hunger for God's truth, Karen is continually seeking God's heart for the wisdom He wants to impart to His church today. She conveys that wisdom through speaking at women's groups, Bible studies, conferences and retreats, and from the pulpit. She and her husband, Wayne "Hutch," live in North Dakota, where he pastors two churches, with her by his side. Together, they make a powerful team through which God has worked miracles. Her son, Jason Breshears, his wife, Jennifer, and their two daughters, Hayley and Hannah, live outside Houston.

The Clinical Companion of the Donkey Jun 28 2020 International animal welfare charity The Donkey Sanctuary is launching The Clinical Companion of the Donkey, the revised version of The Professional Handbook of the Donkey, which has been the definitive text for clinicians and professionals working in donkey medicine or surgery for over twenty years. Now in an easy-to-read and easy-to-navigate format over its 360 pages, this updated paperback includes current and extra information in a bid to improve the health and welfare of donkeys worldwide by sharing knowledge and providing further education. Without covering the same ground as other excellent textbooks, The Clinical Companion of the Donkey concentrates on those differences in the equine species that are specific to the donkey. A new chapter on donkey behaviour has been included, as this is fundamental to understanding this unique animal and the presentation of clinical signs and requirements for handling, nursing and treatment. Technical colour illustrations have been included using images from the extensive libraries at The Donkey Sanctuary, as well as those private collections that belong to contributors. This book will also be available as translated versions over the following months. Created with heart and keen intelligence, The Clinical Companion of the Donkey has all the attributes of the animal it aims to aid, and will surely be the textbook of professionals involved with donkeys for years to come.

Passion and Poppadoms Jul 30 2020 When Marina sets eyes on gorgeous hotel owner Thomas Harding, she knows her search for a rich and handsome man is at an end. But, how can a loud mouthed Indian girl from the wrong side of the tracks hope to capture his heart?

Healthy Donkey Jun 09 2021 The Healthy Donkey provides a fascinating background to the history of this iconic animal and introduces potential owners to everything they need to know about donkey guardianship, with useful information about diet, bedding and grooming. Those already familiar with donkeys will also find invaluable information about addressing behavioural issues using patience, kindness and bodywork using the Tellington TTouch techniques - a non-invasive system of touch and massage designed to bring about calmness, trust and confidence. Case studies show how these techniques can be used to address a variety of problems. Topics covered include: the history of the donkey; anatomy, physiology and conformation; connecting with nervous and novice donkeys; introducing bodywork; Tellington TTouch and Connected Riding. There are an estimated forty to fifty million donkeys in the world, mostly used as working animals, and its popularity is down to its stamina, and the fact that it utilizes its feed more efficiently and tolerates thirst better than its cousin the horse. Illustrated with 82 colour photographs.

Blackwood's Edinburgh Magazine Mar 06 2021

Pictures of the month Nov 21 2019 Already a well-known representative of the "Arte Povera" movement, in the late 1990s Johann Widmer began to explore the field of abstract, informal painting. His credo was that all the arts (including music and literature) are important pillars of our civilisation and should therefore be made accessible to everyone by various means. In addition to his extensive artistic output, Johann Widmer has always written short stories for young and old. But he avoids the term "writer". He sees himself more as an art mediator and is happy when his books are read. Starting in August 2009, he dedicated a picture to each month, which he accompanied with a matching text. This book is therefore a compilation of the artistic work and the short stories and shows the "monthly pictures" as a collected work. The texts are not intended to influence the viewer's own imagination when looking at the pictures, but they may suggest a way of looking at the picture.

Pretty Sick Mar 26 2020 The ultimate resource to looking your best during and after cancer treatment from a veteran beauty industry insider When beauty editor Caitlin Kiernan received the shattering diagnosis of cancer, she was obviously concerned about her health. But as a working professional, she knew she had to learn, quickly, how to look her best while feeling her worst. Caitlin called on her list of extensive contacts--from top medical doctors to hair stylists, makeup artists, and style mavens--to gather the best and most useful tips to offset the unpleasant effects of treatment. The result is this comprehensive beauty guide for women with cancer, covering every cosmetic issue, from skin care, to hair care, wig shopping, nail maintenance, makeup tricks, and much, much more. Illustrated with charming drawings by Jamie Lee Reardin and peppered with advice from celebrities and cancer survivors, PRETTY SICK will be a welcome and trusted resource, helping women look and feel their best.

The Raven's Price (The Bone Mask Cycle, #5) Aug 11 2021 At last, Notch escapes the city of vipers and starts his quest to find Qu-Sitka, the only mage able to restore Sofia. Yet Casselli and the Prince have other plans for Notch and the mysterious bracers he bears, sending along an Inquisitor to watch his every move. And before he knows it, the power of the bracers begins to change him... Across the sea, Flir finds herself prisoner and servant to the White Witch, where she must protect her friends and keep the witch from finding the bones of the last sea god – yet it is easier said than done. And even for a dilar, Flir knows she is overmatched. Back in Anaskar, Seto is locked in his own struggle with not only a royal imposter sent to replace him but also his own conscience, while Ain finds himself stranded on an island with little clue as to where the Stones of Shali can be found... or if they will even allow him to save the Cloud.

Caring for Your Miniature Donkey Feb 23 2020 A how-to guide for the purchasing, feeding, health care, breeding and training of a miniature donkey.

30 Short Stories Aug 23 2022 These are thirty of the finest short stories selected from the large out put of the master of the craft Dr Ahmed Fagih, to give some insight of the writer and his works.

Children's Christmas Activities Jan 16 2022 Is Christmas just another holiday for you and your family? Do you find yourself doing the same things year after year? Then Children’s Christmas Activities is for you. It can turn those dull Christmases into the holiday of the year. These are just some of the benefits that you will realize: • Children grow in creativity, in self-esteem, and in the knowledge of the Lord. • Family unity is nurtured. • You invest in future generations. • You share Jesus with others. • Jesus is honored—given first place—during his birthday celebration. Children’s Christmas Activities helps children discover the meanings behind different Christmas traditions, including the Christmas tree, Santa, “The Twelve Days of Christmas,” and the candy cane. Then there are specific activities using talent, questions and answers, instruments, music, and dance. Let’s not forget the plays that allow you to meet Jed the donkey; the three aliens, Tock, Orb, and Bob; and even the archangel Gabriel. Children’s Christmas Activities is a must for parents and grandparents. It provides ideas that create the proper setting for your Christmas get-togethers. You pass on your family traditions and memories from generation to generation. So which one of these activities are you going to choose this Christmas? Glenda Kyle is a registered nurse currently affiliated with Breath of Life Maternity Ministries, which helps homeless pregnant women and their babies. She is married and has two children and seven grandchildren. For over thirty Christmases, Glenda has written and narrated children’s activities honoring Jesus. Residing in Round Rock, Texas, with her husband, she serves wherever God leads.

Pocket Book of Hospital Care for Children Oct 21 2019 The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

Dionysian Imagery in Fifth-century Athens Jun 16 2019 Dionysian Imagery in Fifth-Century Athens is a response to the question, 'What can surviving visual sources reveal about fifth-century Attic perceptions of Dionysos?'. In this sequel to his book Dionysian Imagery in Archaic Greek Art (1986), Thomas Carpenter defines a methodology for using ancient Greek imagery as evidence for cultural and religious activity based on an empirical rather than theoretical approach. Red-figure vases provide the richest source for Dionysian iconography, but the significant volume of evidence supplied by architectural sculpture, coins, and the theatre also demands attention. The conclusions that Carpenter draws from his extensive study challenge commonly-held views about the meaning of Dionysian imagery: women depicted with the god in red-figure vase scenes are demonstrated to be semi-divine nymphs rather than human 'maenads' and cannot be seen as evidence for maenadic practices in Attic cults; although many fifth-century depictions are mock-heroic, the Dionysos of the comic theatre is never represented, nor is the god ever dressed in feminine clothing. It is also argued that the introduction of accessories associated with ecstatic worship in Dionysian scenes can be explained with reference to narratives rather than attributed to cult practices. While seeking to unravel the important social and cultural implications of this religious imagery, Carpenter takes care to point to the problems inherent in the evidence available for scrutiny.

Becoming Dangerous Jan 24 2020 "A fierce and voluble refutation of the patriarchy and its soul-crushing oppression of female power. These writers make clear that as witches, femmes, and queers, they will use their own strength, ingenious rituals, beauty routines, and spells to rise above and beyond the limits of racism/classism and objectifications set by a male-dominated society. While bound by a thread of magic, these are inspiring feminist writings for readers of feminist literature, however identified." --Library Journal Edgy and often deeply personal, the twenty-one essays collected here come from a wide variety of writers. Some identify as witches, others identify as writers, musicians, game developers, or artists. What they have in common is that they've created personal rituals to summon their own power in a world that would prefer them powerless. Here, they share the rituals they use to resist self-doubt, grief, and depression in the face of sexism, slut shaming, racism, patriarchy, and other systems of oppression. Contents Introduction Notes from the Editors Content Warning Unfuckable—Cara Ellison Trash-Magic: Signs & Rituals for the Unwanted—Maranda Elizabeth Uncensoring My Ugliness—Laura Mandanas Femme as in Fuck You: Fucking with the Patriarchy One Lipstick Application at a Time—Catherine Hernandez Before I Was a Woman, I Was a Witch—Avery Edison Undressing My Heart—Gabriela Herstik Garden—Marguerite Bennett Reddit, Retin-A, and Resistance: An Alchemist's Guide to Skincare—Sam Maggs The Future is Coming for You—Deb Chachra My Witch's Sabbath of Short Skirts, Long Kisses, and BDSM—Mey Rude Buzzcut Season—Larissa Pham The Harpy—Meredith Yayanos Fingertips—merritt Red Glitter—Sophie Saint Thomas Touching Pennies, Painting Nails—Sim Bajwa Ritual in Darkness—Kim Boekbinder Gayuma—Sara David Pushing Beauty Up Through the Cracks—Katelan Foisy Ritualising My Humanity—J. American Politics and Society Feb 05 2021 Provides an up-to-date introduction and analysis of the US political scene written from a comparative perspective, newly revised and updated throughout American Politics and Society in an accessible introduction to the main institutions of the US federal government, discussing the most recent developments in broader economic, social, and comparative contexts. Now in its tenth edition, this popular textbook applies an international perspective to the relevance of historical trends, research findings in political science, and present-day governmental procedures, structures, and debates. Acclaimed author David McKay guides students through the complexities of the American political system while encouraging them to evaluate the widening ideological divide that now defines American political life and public discourse. Since the publication of the previous edition, America has undergone some of the most dramatic events in its history—from the COVID-19 pandemic, to the widespread protests against racial and economic injustice, to the aggressive populist rhetoric of Donald Trump, to the bitterly contested 2020 presidential election that culminated in the violent assault on the US Capitol. In this edition, the author addresses the escalating ideological conflict, the rise of extremism in the Republican Party, arguments over the proper role of government, the public's expectations of politicians and political processes, and more. Offering valuable insights into both the social-political past and present of America, this classic textbook: Examines the policy process in such areas as civil rights, social policy, economic policy, the environment, and foreign policy Evaluates the performance of US government over the last decade and audits the broader American political system Encourages students to critically assess the US government in areas of democratic responsiveness and public accountability Compares international social-political perspectives to those that are uniquely American Discusses of the role of beliefs and values in American politics and how they influence broader society and economy Thanks to its clear and engaging narrative and its wealth of pedagogical features, American Politics and Society, Tenth Edition remains the ideal introductory textbook for courses exploring the institutions and processes of the US government and the most important events in the current American social and political landscape.

The Jumbies' Playing Ground Apr 07 2021 A study of the carnival traditions that created "whole theater" folk pageants

Equine Anesthesia and Pain Management Mar 18 2022 Equine Anesthesia and Pain Management: A Color Handbook brings together key information for clinicians in an easy-to-use, problem-orientated format. It disseminates a wealth of knowledge about horse, donkey and mule anesthesia and pain management in a quick reference style, with a focus on clinical practice. Fifteen chapters by expert contributors cover everything from anesthetic equipment, premedication and physical restraint, to total intravenous anesthesia, inhalant anesthesia and partial intravenous anesthesia, recovery, complications and euthanasia. Over 250 superb color photographs and diagrams bring the material to life. This book will be invaluable to all those who need practical information easily to hand, whether equine practitioner, veterinary technician or nurse, or veterinary student.

Passion to Pentecost Jul 22 2022 Many Christians use the season of Lent to deepen their walk with Christ. This devotional encourages the faithful to walk the extra mile with Jesus from meditative Lent through to a transformative Pentecost.
