Not Just an Accountant Oct 07 2020

Not just an accountant is an incisive, no-holds-barred account of India's eleventh comptroller and auditor general and a symbol of the anti-corruption movement, Vinod Rai. Through a narrative, rich in anecdote and inside information, Rai sheds light on the major scams that shook the country. Among the case studies-chosen for the diversity of failures they highlight are - the procedural irregularities in the issuance of licenses for second generation spectrum allotment, the last minute quick-fixes in the conduct of the XIX commonwealth games, the loss of national resources while allocating coal blocks, the flouting of systems and the clear display of crony capitalism in the exploration of hydrocarbon and the tragic tale of civil aviation in India.

Through these illustrations, Rai wishes to not only expose government malfeasance, but also probe the mandate of the CAG as a watchdog. Equally, he hopes to push for long-term solutions to corruption and bring home the urgent need for ethics-for the pursuit of excellence, accountability, probity and transparency within governments, the bureaucracy, corporate enterprises and public life. Interesting facts A blow-by-blow, explosive, yet thoughtful account that sheds new light on the scams that shook India - 2G, coalgate, civil aviation, the conduct of the XIX commonwealth games and hydrocarbon contracts. Explodes the myth of accountability in contemporary Indian governance. Written by the eleventh CAG of India and a symbol of the anti-corruption movement, Vinod Rai. Presents long-term solutions for the future, so as to contain procedural irregularities within the government and corporate enterprises. Provides a roadmap for good governance, important for the growth of the nation. Exhorts younger professionals / administrators to strive for excellence.

There's Always Work at the Post Office May 14 2021 This book brings to life the important but neglected story of African American postal workers and the critical role they played in the U.S. labor

and black freedom movements. Historian Philip Rubio, a former postal worker, integrates civil rights, labor, and left movement histories that too often are written as if they happened separately. Centered on New York City and Washington, D.C., the book chronicles a struggle of national significance through its examination of the post office, a workplace with facilities and unions serving every city and town in the United States. Black postal workers--often college-educated military veterans--fought their way into postal positions and unions and became a critical force for social change. They combined black labor protest and civic traditions to construct a civil rights unionism at the post office. They were a major factor in the 1970 nationwide postal wildcat strike, which resulted in full collective bargaining rights for the major postal unions under the newly established U.S. Postal Service in 1971. In making the fight for equality primary, African American postal workers were influential in shaping today's post office and postal unions.

English for Competitive Examinations: (Includes Descriptive and Objective Tests) Jun 14 2021
This book has been designed by combining the goodness of the original Wren & Martin text, High School Grammar & Composition, and specialized content developed by a panel of competitive examination experts in the area of the English language. The USP is therefore adapting a classical text to the needs of the various admission and recruitment competitive examination aspirants. Its exhaustive coverage ensures that virtually no competitive examination remains untouched. Students preparing for descriptive tests such as UPSC (Compulsory English and General English Papers of Main Exams) and state PCS examinations, Judicial Services examination, Indian Forest Service examination, Statistical Services and many other examinations in which subjective papers/tests are mandatory will find this book immensely useful. The book is also a boon for those students who are preparing for objective tests such as Banking and Insurance, SSC, UPSC preliminary, Defence Services, Law entrance, Business School entrance examinations, and many other admission and recruitment examinations. A unique feature of this book is demonstration of the connectedness of the concepts and their applications visually, with the help of arrows and pointers. The aspirant will also find questions from recent examinations on virtually every
