Right here, we have countless ebook **Respect Yourself Stax Records And The Soul Explosion Robert Gordon** and collections to check out. We additionally allow variant types and with type of the books to browse. The adequate book, fiction, history, novel, scientific research, as competently as various supplementary sorts of books are readily within reach here.

As this Respect Yourself Stax Records And The Soul Explosion Robert Gordon, it ends occurring best one of the favored books Respect Yourself Stax Records And The Soul Explosion Robert Gordon collections that we have. This is why you remain in the best website to see the amazing ebook to have.

Knock! Knock! Knock! On Wood Nov 05 2020 Known for the classics "Knock on Wood," "634-5789," "Raise Your Hand," "Big Bird," and "I've Never Found a Girl (To Love Me Like You Do)," among others, Eddie Floyd's career as a soul legend spans over sixty years. His professional singing career began in Detroit in the 1950s as a founding member of the Falcons, considered "The First Soul Group." A solo artist and songwriter for Memphis's famed Stax Records from 1966 until 1975, Floyd has subsequently been the singer for the Blues Brothers Band and for Bill Wyman's Rhythm Kings, while continuing to perform and record solo. In **Knock! Knock! Knock! On Wood**, Floyd recounts how a three-year stint in an Alabama reform school shaped his young life; recalls the early years of R&B in Detroit alongside future Motown and Stax legends; discusses the songwriting sessions with Steve Cropper and Booker T. Jones that produced his biggest hits; addresses his complicated life-long relationship with the often-unpredictable Wilson Pickett; shares his memories of friend Otis Redding; reveals his unlikely involvement in the rise of southern rock darlings Lynyrd Skynyrd; and offers an insider perspective on the tragic downfall of Stax Records. With input from Bruce Springsteen, Bill Wyman, Paul Young, William Bell, Steve Cropper, and others, **Knock! Knock! Knock! On Wood** captures Eddie's tireless work ethic and warm personality for an engrossing first-hand account of one of the last true soul survivors.

Motown Feb 26 2020 "Motown: The Sound of Young America is the definitive, visual history of the Detroit-based independent record company which became a style unto itself, a prolific and hugely successful production line of suave, sassy and sophisticated music through the sixties, seventies and eighties. Featuring extensive, specially commissioned photography of treasures gathered from the archives, this landmark publication also captures the graphic and design iconography that underpinned Motown's extraordinary creativity. Packed with fresh insights gleaned from scores of interviews with key players, this exceptional and revealing book delves into the workings of the Motown machine and details how a dedicated team of backroom believers, white and black, turned a small family business into a popular music powerhouse. This was the home of Stevie Wonder, Smokey Robinson & the Miracles, Diana Ross & the Supremes, Marvin Gaye, the Jackson 5, the Temptations and many more. Motown: The Sound of Young America is a spectacular labour of love befitting an incredible story"--Dust jacket.

Memphis 68 Dec 06 2020 WINNER OF THE PENDERYIN MUSIC BOOK PRIZE 2018In the 1950s and 1960s, Memphis, Tennessee, was the launch pad of musical pioneers such as Aretha Franklin, Elvis Presley, Johnny Cash, Al Green and Isaac Hayes, and by 1968 was a city synonymous with soul music. It was a deeply segregated city, ill at ease with the modern world and yet to adjust to the era of civil rights and racial integration. Stax Records offered an escape from the turmoil of the real world for many soul and blues musicians, with much of the music created there becoming the soundtrack to the civil rights movements. The book opens with the death of the city's most famous recording artist, Otis Redding, who died in a plane crash in the final days of 1967, and then follows the fortunes of Redding's label, Stax/Volt Records, as its fortunes fall

and rise again. But, as the tense year unfolds, the city dominates world headlines for the worst of reasons: the assassination of civil rights leader Martin Luther King.

Respect Yourself Sep 27 2022 Traces the rise and fall of the original Stax Records, touching upon the racial politics in Memphis in the 1960s, the personal histories of the sibling founders, and the prominent musicians they featured.

Country Soul May 31 2020 In the sound of the 1960s and 1970s, nothing symbolized the rift between black and white America better than the seemingly divided genres of country and soul. Yet the music emerged from the same songwriters, musicians, and producers in the recording studios of Memphis and Nashville, Tennessee, and Muscle Shoals, Alabama--what Charles L. Hughes calls the "country-soul triangle." In legendary studios like Stax and FAME, integrated groups of musicians like Booker T. and the MGs and the Muscle Shoals Rhythm Section produced music that both challenged and reconfirmed racial divisions in the United States. Working with artists from Aretha Franklin to Willie Nelson, these musicians became crucial contributors to the era's popular music and internationally recognized symbols of American racial politics in the turbulent years of civil rights protests, Black Power, and white backlash. Hughes offers a provocative reinterpretation of this key moment in American popular music and challenges the conventional wisdom about the racial politics of southern studios and the music that emerged from them. Drawing on interviews and rarely used archives, Hughes brings to life the daily world of session musicians, producers, and songwriters at the heart of the country and soul scenes. In doing so, he shows how the country-soul triangle gave birth to new ways of thinking about music, race, labor, and the South in this pivotal period.

Respect Yourself Oct 28 2022 The story of Stax Records unfolds like a Greek tragedy. A white brother and sister build a record company that becomes a monument to racial harmony in 1960's segregated south Memphis. Their success is startling, and Stax soon defines an international sound. Then, after losses both business and personal, the siblings part, and the brother allies with a visionary African-American partner. Under integrated leadership, Stax explodes as a national player until, Icarus-like, they fall from great heights to a tragic demise. Everything is lost, and the sanctuary that flourished is ripped from the ground. A generation later, Stax is rebuilt brick by brick to once again bring music and opportunity to the people of Memphis. Set in the world of 1960s and '70s soul music, *Respect Yourself* is a story of epic heroes in a shady industry. It's about music and musicians -- Isaac Hayes, Otis Redding, Sam and Dave, Wilson Pickett, the Staple Singers, and Booker T. and the M.G.'s, Stax's interracial house band. It's about a small independent company's struggle to survive in a business world of burgeoning conglomerates. And always at the center of the story is Memphis, Tennessee, an explosive city struggling through heated, divisive years. Told by one of our leading music chroniclers, *Respect Yourself* brings to life this treasured cultural institution and the city that created it.

It Came From Memphis Apr 22 2022 Exploring interwoven threads of personality, coincidence, progress, and taste--all essentially unrelated to music--a veteran journalist explains how popular culture and business intersected in Memphis to set the stage for rock and roll well before Elvis arrived. Reprint.

Set the Night on Fire Jul 01 2020 Los Angeles Times Bestseller "Authoritative and impressive." -Los Angeles Times "Monumental." -Guardian A magisterial, riveting movement history of Los Angeles in the Sixties Los Angeles in the sixties was a hotbed of political and social upheaval. The city was a launchpad for Black Power—where Malcolm X and Angela Davis first came to prominence and the Watts uprising shook the nation. The city was home to the Chicano Blowouts and Chicano Moratorium, as well as being the birthplace of “Asian American” as a political identity. It was a locus of the antiwar movement, gay liberation movement, and women’s movement, and, of course, the capital of California counterculture. Mike Davis and Jon Wiener provide the first comprehensive movement history of L.A. in the sixties, drawing on extensive archival research and dozens of interviews with principal figures, as well as the authors’ storied personal histories as activists. Following on from Davis’s awardwinning L.A. history, *City of Quartz*, *Set the Night on Fire* is a historical tour de force, delivered in scintillating and fiercely beautiful prose.

Respect Yourself Aug 26 2022 Traces the rise and fall of the original Stax Records, touching upon the racial politics in Memphis in the 1960s, the personal histories of the sibling founders, and the prominent musicians they featured.

Ministry Mar 09 2021 *Ministry* is a memoir both ugly and captivating, revealing Al Jourgensen as a man who lived a hard life his own way without making compromises. He survived prolonged drug addiction -- twenty-two years of chronic heroin, cocaine, and alcohol abuse, to be more precise -- before cleaning up, straightening out, and finding new reasons to live. During his career, Jourgensen has engaged in all of the rock 'n' roll clichés regarding decadence and debauchery and invented new forms of previously unachieved nihilism. Despite this and his addictions, he created seven seminal albums, including the bonafide, hugely influential classic *The Land of Rape and Honey*, 1989's *The Mind is a Terrible Thing to Taste*, and 1992's blockbuster *Psalm 69: The Way to Succeed*. *Ministry* imparts the epic life of Al Jourgensen, a survivor who tempted fate, beat the odds, persevered, and put the pieces back together after unraveling completely.

The Blues: A Very Short Introduction Apr 10 2021 Praised as "suave, soulful, ebullient" (Tom Waits) and "a meticulous researcher, a graceful writer, and a committed contrarian" (New York Times Book Review), Elijah Wald is one of the leading popular music critics of his generation. In *The Blues*, Wald surveys a genre at the

heart of American culture. It is not an easy thing to pin down. As Howlin' Wolf once described it, "When you ain't got no money and can't pay your house rent and can't buy you no food, you've damn sure got the blues." It has been defined by lyrical structure, or as a progression of chords, or as a set of practices reflecting West African "tonal and rhythmic approaches," using a five-note "blues scale." Wald sees blues less as a style than as a broad musical tradition within a constantly evolving pop culture. He traces its roots in work and praise songs, and shows how it was transformed by such professional performers as W. C. Handy, who first popularized the blues a century ago. He follows its evolution from Ma Rainey and Bessie Smith through Bob Dylan and Jimi Hendrix; identifies the impact of rural field recordings of Blind Lemon Jefferson, Charley Patton and others; explores the role of blues in the development of both country music and jazz; and looks at the popular rhythm and blues trends of the 1940s and 1950s, from the uptown West Coast style of T-Bone Walker to the "down home" Chicago sound of Muddy Waters. Wald brings the story up to the present, touching on the effects of blues on American poetry, and its connection to modern styles such as rap. As with all of Oxford's Very Short Introductions, *The Blues* tells you—with insight, clarity, and wit—everything you need to know to understand this quintessentially American musical genre.

Roll With It Oct 24 2019 *Roll With It* is a firsthand account of the contradictory lives of New Orleans brass-band musicians. They are celebrated as cultural icons within the music scene; outside it, they are treated as faceless black males—subject to poverty, racial marginalization, and urban violence.

Bitten by the Blues Nov 17 2021 It started with the searing sound of a slide careening up the neck of an electric guitar. In 1970, twenty-three-year-old Bruce Iglauer walked into Florence's Lounge, in the heart of Chicago's South Side, and was overwhelmed by the joyous, raw Chicago blues of Hound Dog Taylor and the HouseRockers. A year later, Iglauer produced Hound Dog's debut album in eight hours and pressed a thousand copies, the most he could afford. From that one album grew Alligator Records, the largest independent blues record label in the world. *Bitten by the Blues* is Iglauer's memoir of a life immersed in the blues—and the business of the blues. No one person was present at the creation of more great contemporary blues music than Iglauer: he produced albums by Koko Taylor, Albert Collins, Professor Longhair, Johnny Winter, Lonnie Mack, Son Seals, Roy Buchanan, Shemekia Copeland, and many other major figures. In this book, Iglauer takes us behind the scenes, offering unforgettable stories of those charismatic musicians and classic sessions, delivering an intimate and unvarnished look at what it's like to work with the greats of the blues. It's a vivid portrait of some of the extraordinary musicians and larger-than-life personalities who brought America's music to life in the clubs of Chicago's South and West Sides. *Bitten by the Blues* is also an expansive history of half a century of blues in Chicago and around the world, tracing the blues recording business through massive transitions, as a genre of music originally created by and for black southerners adapted to an influx of white fans and musicians and found a worldwide audience. Most of the smoky bars and packed clubs that fostered the Chicago blues scene have long since disappeared. But their soul lives on, and so does their sound. As real and audacious as the music that shaped it, *Bitten by the Blues* is a raucous journey through the world of Genuine Houserockin' Music.

Get a Shot of Rhythm and Blues Sep 15 2021 The first book-length biography of an influential country/soul legend whose songs have been recorded by the Beatles, the Rolling Stones, and Bob Dylan. *Get a Shot of Rhythm and Blues* chronicles the rise, fall, and rebirth of Arthur Alexander, an African American singer-songwriter whose music influenced many of the rock and soul musicians of the 1960s. Although his name is not well known today, Alexander's musical legacy is vast. His 1962 song "You Better Move On" was the first hit to emerge from the fledgling Muscle Shoals FAME studio in Alabama, and his fusion of country and soul and his heartfelt vocals on such songs as "Anna (Go to Him)" and "Every Day I Have to Cry" were revered by musicians including the Beatles, the Rolling Stones, and Bob Dylan, all of whom recorded his songs. Alexander's story is a tragic one, with a brief, redemptive finale. His meteoric rise after the release of "You Better Move On" gave way to lean years caused both by his drug and alcohol abuse and by the mishandling of his career by producers and managers. In 1977, he quit the music business, but his music lived on. In 1992, Alexander returned to the studio and recorded the critically praised album *Lonely Just Like Me*. Just three months after the album's release in March 1993, he suffered a heart attack in the offices of his music publisher in Nashville and died three days later. In telling Alexander's story, Richard Younger captures the burgeoning music scenes in Muscle Shoals and Nashville during the 1960s and 1970s and recovers the life of a fascinating musician whose influence was international. Younger's account is enriched by his interviews with more than 200 artists, family members, and friends—such as Rick Hall, Billy Sherrill, Charlie McCoy, Chuck Jackson, Gerry Marsden, and Kris Kristofferson—and includes an abundance of never-before-seen photographs.

Soulsville, U.S.A.: The Story of Stax Records Jul 25 2022 Walk the halls of the famous studio that produced hits for Otis Redding, Isaac Hayes, Sam and Dave, and Booker T. and the MGs. *Soulsville, U.S.A.* provides the first history of the groundbreaking label along with compelling biographies of the promoters, producers, and performers who made and sold the music. Over 45 photos. Winner of the 1998 ASCAP-Deems Taylor Award Winner of the ARSC Award for Best Research in Record Labels

The Story of Motown Apr 29 2020 The author of *Italian Neighbors* takes a lighthearted look at Italian family life with an eye for detail and character that reveals the nature of relationships and culminates in a beach

holiday epitomizing the best in Italian life. 30,000 first printing. \$35,000 ad/promo. Tour.

Time Is Tight Jun 24 2022 The long-awaited memoir of Booker T. Jones, leader of the famed Stax Records house band, architect of the Memphis soul sound, and one of the most legendary figures in music. From Booker T. Jones's earliest years in segregated Memphis, music was the driving force in his life. While he worked paper routes and played gigs in local nightclubs to pay for lessons and support his family, Jones, on the side, was also recording sessions in what became the famous Stax Studios—all while still in high school. Not long after, he would form the genre-defining group Booker T. and the MGs, whose recordings went on to sell millions of copies, win a place in Rolling Stone's list of top 500 songs of all time, and help forge collaborations with some of the era's most influential artists, including Otis Redding, Wilson Pickett, and Sam & Dave. Nearly five decades later, Jones's influence continues to help define the music industry, but only now is he ready to tell his remarkable life story. *Time Is Tight* is the deeply moving account of how Jones balanced the brutality of the segregationist South with the loving support of his family and community, all while transforming a burgeoning studio into a musical mecca. Culminating with a definitive account into the inner workings of the Stax label, as well as a fascinating portrait of working with many of the era's most legendary performers—Bob Dylan, Willie Nelson, and Tom Jones, among them—this extraordinary memoir promises to become a landmark moment in the history of Southern Soul.

I'll Take You There Feb 20 2022 “A biography that will send readers back to the music of Mavis and the Staple Singers with deepened appreciation and a renewed spirit of discovery” (Kirkus Reviews, starred review)—from the acclaimed music journalist and author featured prominently in the new HBO documentary *Mavis!* This is the untold story of living legend Mavis Staples—lead singer of the Staple Singers and a major figure in the music that shaped the civil rights era. One of the most enduring artists of popular music, Mavis and her talented family fused gospel, soul, folk, and rock to transcend racism and oppression through song. Honing her prodigious talent on the Southern gospel circuit of the 1950s, Mavis and the Staple Singers went on to sell more than 30 million records, with message-oriented soul music that became a soundtrack to the civil rights movement—inspiring Martin Luther King, Jr. himself. Critically acclaimed biographer and Chicago Tribune music critic Greg Kot cuts to the heart of Mavis Staples's music, revealing the intimate stories of her sixty-year career. From her love affair with Bob Dylan, to her creative collaborations with Prince, to her recent revival alongside Wilco's Jeff Tweedy, this definitive account shows Mavis as you've never seen her before. *I'll Take You There* was written with the complete cooperation of Mavis and her family. Readers will also hear from Prince, Bonnie Raitt, David Byrne, and many others whose lives have been influenced by Mavis's talent. Filled with never-before-told stories, this fascinating biography illuminates a legendary singer and group during a historic period of change in America. “Ultimately, Kot depicts the endurance of Mavis Staples and her family's music as an inspiration, a saga that takes us, like the song that inspired this book's name, to a place where ain't nobody crying” (The Washington Post).

Simple Dreams Sep 03 2020 The popular singer traces the story of her life and career from her Arizona upbringing in a musical family and her rise to stardom in Southern California to her role in shaping 1970s sounds and her collaborations with fellow artists.

Introductory Statistics Jul 21 2019 *Introductory Statistics* is designed for the one-semester, introduction to statistics course and is geared toward students majoring in fields other than math or engineering. This text assumes students have been exposed to intermediate algebra, and it focuses on the applications of statistical knowledge rather than the theory behind it. The foundation of this textbook is *Collaborative Statistics*, by Barbara Illowsky and Susan Dean. Additional topics, examples, and ample opportunities for practice have been added to each chapter. The development choices for this textbook were made with the guidance of many faculty members who are deeply involved in teaching this course. These choices led to innovations in art, terminology, and practical applications, all with a goal of increasing relevance and accessibility for students. We strove to make the discipline meaningful, so that students can draw from it a working knowledge that will enrich their future studies and help them make sense of the world around them. Coverage and Scope Chapter 1 Sampling and Data Chapter 2 Descriptive Statistics Chapter 3 Probability Topics Chapter 4 Discrete Random Variables Chapter 5 Continuous Random Variables Chapter 6 The Normal Distribution Chapter 7 The Central Limit Theorem Chapter 8 Confidence Intervals Chapter 9 Hypothesis Testing with One Sample Chapter 10 Hypothesis Testing with Two Samples Chapter 11 The Chi-Square Distribution Chapter 12 Linear Regression and Correlation Chapter 13 F Distribution and One-Way ANOVA

In the Midnight Hour Jul 13 2021 Looks at the life and music career of prominent soul singer Wilson Pickett, chronicling the performer's rise to stardom and his self-destructive fall into alcohol and drug addiction before ending his career on a high note with a Grammy-nominated album.

A Rocket in My Pocket Mar 21 2022 Rockabilly had its roots in country, blues, folk, hillbilly, R&B, boogie-woogie and most other indigenous Deep South forms of popular song that you could strum three chords along to or howl down a cheap microphone. It was young people's music, made almost entirely by the first wave of teenagers, despised by adults in general and the country music establishment in particular. Its pioneer exponent, Elvis, eventually become respectable in the eyes of straight society but he was the exception. 1950s rockabilly was a spontaneous outburst of spirited three-chord songs, tiny record labels, primitive studios,

fiercely partisan audiences and wild-eyed, driven performers who weren't even sure that their musical careers would last the week. The book charts the rise (and fall) of the original 50s wave of rockabillys. It will also follow the progress of the music, in clubs, on radio, TV and film, pinpointing the key record labels and important regional centres, showing how fashions eventually changed and left rockabilly high and dry, far too wild and primitive in an era of smoother sounds. Dcharn traces the music to its Memphis roots.

Black Panther: Tales of Wakanda Feb 08 2021 A ground-breaking anthology celebrating Marvel's beloved Black Panther and his home of Wakanda, penned by an all-star cast of authors such as Sheree Renée Thomas and Nikki Giovanni. T'Challa faces the gods of his parents. Vampires stalk Shuri and a Dora Milaje in voodoo-laced New Orleans. Erik Killmonger grapples with racism, Russian spies, and his own origins. Eighteen brand-new tales of Wakanda, its people, and its legacy. The first mainstream superhero of African descent, the Black Panther has attracted readers of all races and colors who see in the King of Wakanda reflections of themselves. Storytellers from across the African Diaspora some already literary legends, others who are rising stars have created for this collection original works inspired by the world of the Panther and its inhabitants. With guest stars including Storm, Monica Rambeau, Namor, and Jericho Drumm, these are stories of yesterday and today, of science and magic, of faith and love. These are the tales of a king and his country. These are the legends whispered in the jungle, myths of the unconquered men and women and the land they love. These are the Tales of Wakanda. Featuring stories by Linda D. Addison, Maurice Broaddus, Christopher Chambers, Milton J. Davis, Tananarive Due, Nikki Giovanni, Harlan James, Danian Jerry, Kyoko M., L.L. McKinney, Temi Oh, Suyi Davies Okungbowa, Glenn Parris, Alex Simmons, Sheree Renée Thomas, Cadwell Turnbull and Troy L. Wiggins.

Memphis Rent Party May 23 2022 "Blues, being the wellspring of all American music for over a century, is always worth studying. Robert does it right." --Keith Richards "An emotional map of musical Memphis. If you don't know these characters, let Robert Gordon introduce you." --Elvis Costello "Robert Gordon's book is proof that Southern heritage is American heritage, and all sorts of people--black and white, familiar and strange, dead and alive--are what it is." --Greil Marcus Profiles and stories of Southern music from the acclaimed author of *Respect Yourself: Stax Records and the Soul Explosion*. The fabled city of Memphis has been essential to American music--home of the blues, the birthplace of rock and roll, a soul music capital. We know the greatest hits, but celebrated author Robert Gordon takes us to the people and places history has yet to record. A Memphis native, he whiles away time in a crumbling duplex with blues legend Furry Lewis, stays up late with barrelhouse piano player Mose Vinson, and sips homemade whiskey at Junior Kimbrough's churning house parties. A passionate listener, he hears modern times deep in the grooves of old records by Lead Belly and Robert Johnson. The interconnected profiles and stories in *Memphis Rent Party* convey more than a region. Like mint seeping into bourbon, Gordon gets into the wider world. He beholds the beauty of mistakes with producer Jim Dickinson (Replacements, Rolling Stones), charts the stars with Alex Chilton (Box Tops, Big Star), and mulls the tragedy of Jeff Buckley's fatal swim. Gordon's Memphis inspires Cat Power, attracts Townes Van Zandt, and finds James Carr always singing at the dark end of the street. A rent party is when friends come together to hear music, dance, and help a pal through hard times; it's a celebration in the face of looming tragedy, an optimism when the wolf is at the door. Robert Gordon finds mystery in the mundane, inspiration in the bleakness, and revels in the individualism that connects these diverse encounters.

Drum Sound and Drum Tuning Nov 24 2019 *Drum Sound and Drum Tuning* assists drummers, sound engineers, and music students in learning critical skills related to drum sound and achieving an optimised and personalised drum kit set-up. The book covers the essential theories of percussion acoustics and develops this knowledge in order to facilitate creative approaches to drum tuning and professional-level recording and mixing of drums. All aspects of drumhead vibration, drumhead equalisation, and resonant drumhead coupling are de-mystified, alongside discussions relating to drumhead types, drum shell vibration, and tuning to musical intervals for different performance genres. The book develops drum sound theory and creative analysis into a detailed dissection of recording and production techniques specifically for drums, including discussions on studio technologies, room acoustics, microphone techniques, phase coherence, and mixing drums with advanced digital audio workstation (DAW) techniques and creative processing tools. *Drum Sound and Drum Tuning* includes many practical hands-on exercises that incorporate example tutorials with Logic Pro and iDrumTune Pro software, encouraging the reader to put theory into immediate creative practice and to develop their own listening skills in an informed and reflective manner. The book also documents primary interviews and opinion from some of the world's most celebrated drummers, music producers, and sound engineers, enabling the reader to connect the relevant theories with real-world context, whilst refining their own personalised approach to mastering drum sound.

Monet Sep 22 2019 In more than 125 color and 250 duotone reproductions, the art of Monet is freshly examined. Scores of new images, gathered from private collections, expose the painting problems that Monet confronted throughout his life. Text includes Monet's unpublished documents, personal letters and architectural plans.

Here Comes the Night Jan 07 2021 Chronicles the life of the songwriter and record producer who authored several rhythm and blues classics, from his work with the greats of the fifties and sixties to his untimely but expected early death at age thirty-eight.

Good Rockin' Tonight May 11 2021 Memphis, Tennessee. The early 1950s. The Mississippi rolls by, and there's a train in the night. Down on Beale Street there's hard-edged blues, on the outskirts of town they're pickin' hillbilly boogie. At Sam Phillips' Sun Records studio on Union Avenue, there's something different going on. "Shake it, baby, shake it!" "Go, cat, go!" "We're gonna rock..." This is where rock 'n' roll was born—the record company that launched Elvis Presley, Jerry Lee Lewis, Johnny Cash, Roy Orbison, and Carl Perkins. The label that brought the world, "Blue Suede Shoes," "Whole Lotta Shakin' Goin' On," "Breathless," "I Walk the Line," "Mystery Train," "Baby, Let's Play House," "Good Rockin' Tonight." *Good Rockin' Tonight* is the history, in words and over 240 photographs, of Sam Phillips' legendary storefront studio, from the early days with primal blues artists like Howlin' Wolf and B.B. King to the long nights in the studio with Elvis and Jerry Lee. As colorful and energetic as the music itself, it's a one-of-a-kind book for anyone who wants to know where it all started.

Otis Redding Jan 19 2022 The long-awaited, definitive biography of The King of Soul, timed to coincide with the 50th anniversary of Redding's iconic performance at the 1967 Monterey Pop Festival. Otis Redding remains an immortal presence in the canon of American music on the strength of such classic hits as "(Sittin' on) The Dock of the Bay," "I've Been Loving You Too Long," "Try a Little Tenderness," and "Respect," a song he wrote and recorded before Aretha Franklin made it her own. As the architect of the distinctly southern, gospel-inflected style of rhythm & blues associated with Stax Records in Memphis, Redding made music that has long served as the gold standard of 1960s soul. Yet an aura of myth and mystery has always surrounded his life, which was tragically cut short at the height of his career by a plane crash in December 1967. In *Otis Redding: An Unfinished Life*, Jonathan Gould finally does justice to Redding's incomparable musical artistry, drawing on exhaustive research, the cooperation of the Redding family, and previously unavailable sources of information to present the first comprehensive portrait of the singer's background, his upbringing, and his professional career. In chronicling the story of Redding's life and music, Gould also presents a social history of the time and place from which they emerged. His book never lets us forget that the boundaries between black and white in popular music were becoming porous during the years when racial tensions were reaching a height throughout the United States. His indelible portrait of Redding and the mass acceptance of soul music in the 1960s is both a revealing look at a brilliant artist and a provocative exploration of the tangled history of race and music in America that resonates strongly with the present day.

Anatomy of a Song Jan 27 2020 "A winning look at the stories behind 45 pop, punk, folk, soul and country classics" in the words of Mick Jagger, Stevie Wonder, Cyndi Lauper and more (The Washington Post). Every great song has a fascinating backstory. And here, writer and music historian Marc Myers brings to life five decades of music through oral histories of forty-five era-defining hits woven from interviews with the artists who created them, including such legendary tunes as the Isley Brothers' Shout, Led Zeppelin's Whole Lotta Love, Janis Joplin's Mercedes Benz, and R.E.M.'s Losing My Religion. After receiving his discharge from the army in 1968, John Fogerty did a handstand—and reworked Beethoven's Fifth Symphony to come up with Proud Mary. Joni Mitchell remembers living in a cave on Crete with the mean old daddy who inspired her 1971 hit Carey. Elvis Costello talks about writing (The Angels Wanna Wear My) Red Shoes in ten minutes on the train to Liverpool. And Mick Jagger, Jimmy Page, Rod Stewart, the Clash, Jimmy Cliff, Roger Waters, Stevie Wonder, Keith Richards, Cyndi Lauper, and many other leading artists reveal the emotions, inspirations, and techniques behind their influential works. *Anatomy of a Song* is a love letter to the songs that have defined generations of listeners and "a rich history of both the music industry and the baby boomer era" (Los Angeles Times Book Review).

There Was a Time Aug 22 2019 "Alan Leeds was a protégé of James Brown and a true historian of the world that nurtured the great entertainer. Alan was a witness to the vibrant black music scene of the '60s and '70s—whose book is both a memoir and a document of a lost world of sound."—Nelson George, an American author, columnist, music and culture critic, journalist, and filmmaker A behind-the-scenes look at the Chitlin' Circuit during America's most vital period of soul music—from the eyes and ears of a young, Jewish kid from Queens who joined the team of the hardest working man in show business and learned the art of the music business at the hand of the performer who mastered it. In the mid-'60s, Alan Leeds was a young DJ looking for his way into the music business. An interview with James Brown to promote a local show in Virginia led to an opportunity to promote one of Brown's concerts, which then led to Brown hiring him to help run his tours. Soon Leeds was wearing many hats and traveling around the country as Brown battled a complicated web of local promoters and managers, all too willing to try to rip him off. In this riveting book—part memoir, part history—Leeds weaves a wholly new and remarkable portrait of Brown as an idiosyncratic iconoclast, determined artist, and forceful businessman. It is a rare look into a world little known to white America immediately following the Civil Rights Movement. Leeds discovers that Brown is a fascinatingly complex man and their experiences, both business and personal, range from emotional to humorous. All the while, they navigate the complicated world of popular Black music in America, told by someone who actually lived it. "Over the course of his long life in music as a tour manager, archivist, writer, and fan, Alan Leeds had a ringside seat for some of the greatest moments in soul and funk history—from James Brown in the sixties to Prince in the eighties to D'Angelo in the first years of the 21st century. His eye for detail and his abiding love for the music shine through in this affectionate, inspirational memoir. Alan is one of my all-time heroes!"

-Ahmir "Questlove" Thompson

Hit Men Dec 18 2021 Copiously researched and documented, Hit Men is the highly controversial portrait of the pop music industry in all its wild, ruthless glory: the insatiable greed and ambition; the enormous egos; the fierce struggles for profits and power; the vendettas, rivalries, shakedowns, and payoffs. Chronicling the evolution of America's largest music labels from the Tin Pan Alley days to the present day, Fredric Dannen examines in depth the often venal, sometimes illegal dealings among the assorted hustlers and kingpins who rule over this multi-billion-dollar business. Updated with a new last chapter by the author.

Sam Phillips Mar 29 2020 Rock 'n' roll was born in rural Alabama, 1923, in the form of Sam Phillips, the youngest son of a large family living in a remote colony called the Lovelace Community. His father had a gift for farming, which was brought to an end by the Depression. His mother picked guitar and showed the kind of forbearance that allowed her to name her son after the doctor who delivered him drunk and then had to be put to bed himself. And yet from these unprepossessing origins, in 1951 Phillips made what is widely considered to be the first rock 'n' roll record, Ike Turner and Jackie Brenston's 'Rocket 88'. Just two years later a shy eighteen-year-old kid with sideburns, fresh out of high school, wandered into his recording studio to make a record 'for his mother', secretly hoping that it might somehow get him noticed. His name was Elvis Presley. Elvis's success, and the subsequent triumph of rock 'n' roll, was initially propelled to an almost astonishing degree by a limited number of releases by Carl 'Blue Suede Shoes' Perkins, Johnny Cash and Jerry Lee Lewis - all from this tiny, one-man label. An engaging mix of biography and anecdote, Peter Guralnick's book brilliantly recreates one shining moment in the history of popular culture. And Sam Phillips was the man who brought it all about.

Swim Through the Darkness Jun 19 2019 A successful young songwriter in 1960s becomes derailed by LSD and resulting madness.

Can't Be Satisfied Dec 26 2019 Can't Be Satisfied is that rare thing in musical biographies: a book that maps out not just a single, extraordinary life but the cultural forces that shaped it' Sean O'Hagan, Observer Muddy Waters was the greatest blues musician ever, and the most influential. He invented electric blues, inspired the Rolling Stones and created the template for the rock 'n' roll band and its wild lifestyle. Robert Gordon's definitive biography vividly chronicles the extraordinary life and personality of the musical legend who changed the course of modern popular music.

Record Makers and Breakers Oct 16 2021 This volume is an engaging and exceptional history of the independent rock 'n' roll record industry from its raw regional beginnings in the 1940s with R & B and hillbilly music through its peak in the 1950s and decline in the 1960s. John Broven combines narrative history with extensive oral history material from numerous recording pioneers including Joe Bihari of Modern Records; Marshall Chess of Chess Records; Jerry Wexler, Ahmet Ertegun, and Miriam Bienstock of Atlantic Records; Sam Phillips of Sun Records; Art Rupe of Specialty Records; and many more.

Boogaloo Aug 02 2020 An in-depth study of soul music, or rhythm-and-blues, explores the role of African Americans in the evolution of American contemporary popular music, discussing such topics as the conflicts between the sacred and profane in soul music, hip-hop, and the roles of four key figures in the movement--Thomas A. Dorsey, Sam Cooke, Berry Gordy, and George Clinton. Reprint.

Old Records Never Die Oct 04 2020 A Hudson Booksellers Best Non-Fiction Book of the Year, with foreword by Wilco's Jeff Tweedy High Fidelity meets Killing Yourself to Live when one man searches for his lost record collection. As he finds himself within spitting distance of middle-age, journalist Eric Spitznagel feels acutely the loss of... something. Freedom? Maybe. Coolness? Could be. The records he sold in a financial pinch? Definitely. To find out for sure, he sets out on a quest to find the original vinyl artifacts from his past. Not just copies. The exact same records: The Bon Jovi record with his first girlfriend's phone number scrawled on the front sleeve. The KISS Alive II he once shared with his little brother. The Replacements Let It Be he's pretty sure, 20 years later, would still smell like weed. As he embarks on his hero's journey, he reminisces about the actual records, the music, and the people he listened to it with—old girlfriends, his high school pals, and, most poignantly, his father and his young son. He explores the magic of music and memory as he interweaves his adventures in record-culture with questions about our connection to our past, the possibility of ever recapturing it, and whether we would want to if we could. "Memories are far more indelible when married to the physical world, and Spitznagel proves the point in this vivid book. We love vinyl records because they combine the tactile, the visual, the seeable effects of age and care and carelessness. When he searches for the records he lost and sold, Spitznagel is trying to return to a tangible past, and he details that process with great sensitivity and impact."—Dave Eggers, New York Times bestselling author of The Circle

Visual Thinking Strategies for Individuals with Autism Spectrum Disorders Jun 12 2021 Visuals of all kinds (photographs, checklists, line drawings, cartoons, flowcharts, stick figures, etc.) are commonly used as supports for individuals on the autism spectrum who tend to think and learn visually. However, not all visuals are created equal and, therefore, visuals don't all work equally well. This companion to Learning With a Visual Brain in an Auditory World helps the reader understand how to match the developmental levels of pictures and visuals to the developmental level of the person looking at the visual. In this way, appropriate visuals provide the language development for children with autism spectrum disorders. Drawing from their experience with children and youth for decades, the authors also show how effective communication can help reduce the

confusion and anxiety that often lead to behavioral outbursts.
