Singapore, Incomplete is a collection of personal reflections about the country's underdeveloped political culture and structure. "Ours is a middle-aged country with a maturing economy--but a political system that treats us like children," he argues. George calls for more open "rules of engagement" that will protect and celebrate a diversity of ideas and beliefs. He critiques Singapore's culture of fear, the lack of political transparency, and governmental groupthink." -- from publisher web site. *Cambridge Checkpoints VCE Business Management Units 3 and 4 2013* May 14 2021 Cambridge Checkpoints VCE are updated regularly to provide you with the most-up-to-date exam preparation
