Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Vipers and Virtuosos May 26 2022 Aiden From the second I saw her, I knew she'd be my ruin. Sitting all alone at the bar, she looked like an angel. Eurydice in human form; her beauty eclipsed by demons. Now, I'm one of them. The ghost she's tried for years to escape. Thinking I wouldn't be able to find her. But I never stopped trying, and now that I have, her past sins should be the least of her worries. Riley From the moment he saw me, I knew I'd ruin his life. Alone at the bar, I dared the monster to come and play. Orpheus in the flesh, with his sad songs and strange obsessions. I became one of them. The siren who calls to the darkest parts of him. Only, I disappeared before he could act on it. But now he's here, and he wants me to repent for my sins. *** *Vipers and Virtuosos is a full-length, standalone dark rockstar romance inspired by the myth of Orpheus and Eurydice. It is NOT fantasy, historical, or a retelling. If you are not a dark romance reader, this book may not be suitable for you. Reader discretion is advised.

Modernity and Self-Identity Dec 29 2019 This major study develops a new account of modernity and its relation to the self. Building upon the ideas set out in *The Consequences of Modernity*, Giddens argues that 'high' or 'late' modernity is a post traditional order characterised by a developed institutional reflexivity. In the current period, the globalising tendencies of modern institutions are accompanied by a transformation of day-to-day social life having profound implications for personal activities. The self becomes a 'reflexive project', sustained through a revisable narrative of self identity. The reflexive project of the self, the author seeks to show, is a form of control or mastery which parallels the overall orientation of modern institutions towards 'colonising the future'. Yet it also helps promote tendencies which place that orientation radically in question - and which provide

the substance of a new political agenda for late modernity. In this book Giddens concerns himself with themes he has often been accused of unduly neglecting, including especially the psychology of self and self-identity. The volumes are a decisive step in the development of his thinking, and will be essential reading for students and professionals in the areas of social and political theory, sociology, human geography and social psychology.

Arthur and the Sword Jul 16 2021 In this retelling which features stained glass illustrations, young Arthur proves himself to be the rightful heir to the throne by being the only one able to pull the sword from the steel anvil.

Selected Poems of Déwé Gorodé May 14 2021 "The second volume in a new series publishing Francophone writers of the Pacific in English, Sharing as Custom Provides presents a selection of the poetry of Dewe Gorode, the leading Kanak author of New Caledonia. The poems included here are a lyrical tribute to country, home and family, viewed through a lens of nostalgia, pragmatism and regret. This volume includes both English translations and the original French versions of Gorode's poems."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

The Elder Scrolls V: Skyrim - Strategy Guide Oct 31 2022 Skyrim is the homeland of the Nords, a fierce and proud warrior people who are used to the bitter cold and mountainous terrain that mark the lands of Skyrim. Wracked by civil war, and threatened by the return of the legendary dragons, Skyrim faces its darkest hour. You must make sense of this maelstrom, explore the frozen tundra and bring hope to the people. The future of Skyrim, even the Empire itself, hangs in the balance as they wait for the prophesized Dragonborn to come; a hero born with the power of The Voice, and the only one who can stand amongst the dragons. You are that Dragonborn. Inside the Main Guide: - Introduction to the Races. - How to complete every storyline quest. - Where to find and conquer every side-mission. - Location of every powerful Dragonwall. - Search out and defeat every Dragon. - How to find hidden, powerful weapons. - Over 200 captioned screenshots provide even more help. - Dragonborn DLC covered in full. - Dawnguard DLC covered in full. Version 1.1: - Screenshots for the major side-missions. - Achievements/Trophy descriptions (includes all 3 DLC packs). - Formatted text for easier reading on iPhone/iPod screens via our App. Version 1.2 November 2016 - Added a full Character Creation guide complete with tips on how to get the most out of your skills and which races excel at what. - More text fixes and general edits. - Lots more to come soon!

The Singing Shore I Sep 05 2020 "A passionate coming-of-age story."—Kirkus Reviews Finalist, Indies Today Book Awards All magical gifts are wild. The seer's gift is the wildest of all. Dasha, Tsarinovna of all of Zem', was expected to have great magical gifts. Why else would the gods have arranged her conception? But instead of anything useful, Dasha's gifts first manifested themselves as visions of terror and destruction. Then, just when it seemed she might be gaining some control over them, they abandoned her entirely. That's unfortunate, because Dasha could really use some guidance right now. She's volunteered to be her people's envoy to the Rutsi, their warlike neighbors to the West. Dasha wants to make peace with the Rutsi, but the only way they want to make peace with her is by conquest—or marriage. Dasha leaves behind her home and everything she knows on a dangerous journey to treat with the Rutsi. As she travels through a new land, she discovers new powers, new dangers, and the oldest magic of all—love. Dasha's gift is wild, but she's about to find out that the heart is wilder still. Her exploration of forbidden passion and forbidden magic might be the key that unlocks all her untapped promise as the strongest sorceress of her generation—or it could be the weapon that destroys her and everything she cares about. A high fantasy saga that combines spiritual exploration with a touch of spicy romance, *The Singing Shore I: Sea and Song* is the first installment in the trilogy sequel to the award-winning miniseries *The Breathing Sea*. If you loved the *Winternight* trilogy, *The Wolf and the Woodsman*, and the *Kushiel* series, or you just want to immerse yourself in some subversive, snarky epic fantasy set in a matriarchal, Slavic-inspired world, come visit the land of Zem'! Reading order for *The Zemnian Series*: *The Zemnian Series: Slava's Story* *The Midnight Land I: The Flight* *The Midnight Land II: The Gift* *The Zemnian Series: Dasha's Story* *The Breathing Sea I: Burning* *The Breathing Sea II: Drowning* *The Singing Shore I:*

Sea and Song The Singing Shore II: Sky and Stone (forthcoming) The Singing Shore III: Spirit and Flame (forthcoming) The Zemnian Series: Valya's Story The Dreaming Land I: The Challenge The Dreaming Land II: The Journey The Dreaming Land III: The Sacrifice

Momo Oct 26 2019 Weaves a magical tale about an orphan girl named Momo whose unstinting goodness nurtures wisdom and happiness in the people around her and who becomes the prey of sinister figures.

The Storm Call Mar 24 2022

Murphy's Journal Jun 26 2022 Something different - beautiful starfish on an ocean beach - personalized journal. Large size 8.5 x 11" with 200 lined pages on the interior. Use the book for journaling, creative writing, notes, or as a travel diary. The larger size makes writing easier for the book to stay open at the fold and for writing on both pages. Exterior features the name "Murphy." Great stocking stuffer or party favor. Inspiration comes from blank pages.

Turtles Close Up Jul 28 2022 "Turtles are so cool! From the largest-the leatherback sea turtle-to the small bog turtle, many people like to see turtles in the wild and even keep them as pets. What makes a turtle, a turtle-and not a tortoise? Their shell and habitat are part of it as emerging readers learn in this awesome volume. Full-color photographs of turtle body features close up complement the low ATOS text and aid in readers' comprehension of the subject matter"--

My Name is Malala Jan 28 2020 "I am Malala, a girl from Pakistan who wants to make the world a better place for all" Meet Malala. She is a daughter, a sister, a writer, an activist and an inspiration to people around the world. This board book is an introduction to her incredible life and her inspirational work for the youngest readers and their families. A bold and simple text is followed by a detailed biography of Malala's life, and the book is stunningly illustrated by debut illustrator Mariam Quraishi.

Confront Your Shadow Jan 22 2022 Confront your shadow is a book about maintaining your composure during the dark stage of your life. Ever woke up feeling sad but happy circumstances were around you. You got a good job, you got a good mate, you are living the American Dream but for some reason, you still get this bad feeling in your stomach that something is not right. Now and then an individual goes through a transition of wanting more. Rather they are in a place in life that is wonderful or things need some growing. The average person elevates every three years. This means every three years your brain goes through a switch, what was once okay is no longer acceptable. It's called growth, and during this stage is the most difficult, finding yourself and discovering truths. As I began to develop my true self, searching for peace in a toxic mind. I could not control my thoughts no matter how great or bad the situation was. This book will help create new thinking patterns and break old habits. Many authentic people are not bad individuals they just express bad traits due to being in survival mode. It's not that you do not believe you deserve it, you are wondering how do you get there? Ever thought to yourself it might be you. The reason you didn't become successful, the reason you don't have that life-changing role all starts with you. As I took my journey of discovery I had to forgive myself for being human and accept the mistakes I have made. Once I gave myself a second chance so did life. It seems like everything began to fall in place again. I was getting calls for better jobs and even having better connections. Doing the work showed me outcomes that I wanted to share with the world. It actually works, healing the thing that has been holding you back.

Recreating your thinking for positive beliefs. If everything out your mouth comes true, did you say things to express life or death? This book will help you answer some hard questions and swallow some pills. How can you maintain happiness and stop feeling stuck? DO THE WORK within yourself and watch the Universe answer your request. The universe feels your energy when you doubt yourself. The universe feels your energy when you feel less deserving. The universe will answer your authentic self if you take the time to discover your true authenticity. For your cup to overflow it has to be filled, do not walk around half empty. Let us Elevate together as we tell our truths and discover our authenticity, together. #StayTuned

Bookmarks of Blood Nov 07 2020 After accepting a free bookmark from a stranger, Mara is in danger of being forced into a ghoulish book club unless the Librarian can rescue her.

The Art Commission and the Municipal Art Society Guide to Manhattan's Outdoor Sculpture Oct 19 2021 Describes the background of outdoor sculptures throughout Manhattan

Trillion Dollar Triage Jun 02 2020 The inside story, told with “insight, perspective, and stellar reporting,” of how an unassuming civil servant created trillions of dollars from thin air, combatted a public health crisis, and saved the American economy from a second Great Depression (Alan S. Blinder, former Vice Chair of the Federal Reserve). By February 2020, the U.S. economic expansion had become the longest on record. Unemployment was plumbing half-century lows. Stock markets soared to new highs. One month later, the public health battle against a deadly virus had pushed the economy into the equivalent of a medically induced coma. America’s workplaces—offices, shops, malls, and factories—shuttered. Many of the nation’s largest employers and tens of thousands of small businesses faced ruin. Over 22 million American jobs were lost. The extreme uncertainty led to some of the largest daily drops ever in the stock market. Nick Timiraos, the Wall Street Journal’s chief economics correspondent, draws on extensive interviews to detail the tense meetings, late night phone calls, and crucial video conferences behind the largest, swiftest U.S. economic policy response since World War II. *Trillion Dollar Triage* goes inside the Federal Reserve, one of the country’s most important and least understood institutions, to chronicle how its plainspoken chairman, Jay Powell, unleashed an unprecedented monetary barrage to keep the economy on life support. With the bleeding stemmed, the Fed faced a new challenge: How to nurture a recovery without unleashing an inflation-fueling, bubble-blowing money bomb? *Trillion Dollar Triage* is the definitive, gripping history of a creative and unprecedented battle to shield the American economy from the twin threats of a public health disaster and economic crisis. Economic theory and policy will never be the same.

The Magister Apr 24 2022 This is the second volume of the Earthkeep series. Little Blue's children are dying - in some cases, just after birth. Magister Zella Terremotto Adverb and her sister magisters find themselves in an unexpected alliance with Jezebel Stronglaces and her followers.

The Board Game Book Aug 05 2020

Design Tools and Methods in Industrial Engineering II Feb 08 2021 This book gathers original papers reporting on innovative methods and tools in design, modelling, simulation and optimization, and their applications in engineering design, manufacturing and other relevant industrial sectors. Topics span from advances in geometric modelling, applications of virtual reality, innovative strategies for product development and additive manufacturing, human factors and user-centered design, engineering design education and applications of engineering design methods in medical rehabilitation and cultural heritage. Chapters are based on contributions to the Second International Conference on Design Tools and Methods in Industrial Engineering, ADM 2021, held on September 9-10, 2021, in Rome, Italy, and organized by the Italian Association of Design Methods and Tools for Industrial Engineering, and Dipartimento di Ingegneria Meccanica e Aerospaziale of Sapienza Università di Roma, Italy. All in all, this book provides academics and professionals with a timely overview and extensive information on trends and technologies in industrial design and manufacturing.

It Just Fell! Aug 29 2022 The information about the book is not available as of this time.

The Secret Cure Mar 12 2021 The story of Eva, a cleaning lady in a small scientific laboratory who embarks on a secret mission to discover a cure for her autistic daughter, *The Secret Cure* is both a love story and an exploration of new ways to be human, honourable and passionate.

Malifaux 3E Dec 21 2021 Supplement expansion the Malifaux Third Edition

Video Game Chronotopes and Social Justice Dec 09 2020 *Video Game Chronotopes and Social Justice* examines how the chronotope, which literally means “timespace,” is an effective interpretive lens through which to understand the cultural and ideological significance of video games. Using ‘slow readings’ attuned to deconstruction along the lines of post-structuralist theory, gender studies, queer studies, continental philosophy, and critical theory, Mike Piero exposes the often-overlooked misogyny, heteronormativity, racism, and patriarchal structures present in many Triple-A video games through their arrangement of timespace itself. Beyond understanding time and space as

separate mechanics and dimensions, Piero reunites time and space through the analysis of six chronotopes—of the bonfire, the abject, the archipelago, the fart as pharmakon, madness, and coupled love—toward a poetic meaning making that is at the heart of play itself, all in affirmation of life, equity, and justice.

The City of Dusk Oct 07 2020 This dark epic fantasy follows the heirs of four noble houses—each gifted with a divine power—as they form a tenuous alliance to keep their kingdom from descending into a realm-shattering war. The Four Realms—Life, Death, Light, and Darkness—all converge on the city of dusk. For each realm there is a god, and for each god there is an heir. But the gods have withdrawn their favor from the once vibrant and thriving city. And without it, all the realms are dying. Unwilling to stand by and watch the destruction, the four heirs—Risha, a necromancer struggling to keep the peace; Angelica, an elemental with her eyes set on the throne; Taesia, a shadow-wielding rogue with rebellion in her heart; and Nik, a soldier who struggles to see the light—will sacrifice everything to save the city. But their defiance will cost them dearly.

Mauthausen Jan 10 2021

My Side of the Mountain Apr 12 2021 "Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review Sam Gribley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

Star Waka Jul 04 2020 Published on the cusp of the new millennium, Sullivan's third book of poems, *Star Waka*, came with some strings attached: each poem had to feature either a star, a waka, or the ocean. Within these parameters, and in 2001 lines, Sullivan creates 100 poems that, he says, themselves function like a waka: 'members of the crew change, the rhythm and the view changes - it is subject to the laws of nature'.

Alien Awake Nov 19 2021 Logline: To honor her father, Jean digs up a not-so-dead ancient Alien from a Texas cemetery - propelling her for a fight of survival from a creature hell-bent on revenge. Jean is a twenty-year old student living in the country town of Aurora, TX. Jean is the descendent of a family with a history of extraterrestrial ties to the past. Her great, great, grandfather was Judge Proctor who owned a house on the land that Jean now lives on. Deep on that land rests an old, abandoned windmill which was destroyed by an alleged alien spacecraft in 1897. According to legend, the alien was supposedly buried in the local cemetery. Cut to the present: Jean's father, who believed in the alien legend, is killed in a car crash. Jean decides to honor her father's memory by digging up the alleged pilot of the spacecraft. With the help of three college friends and a local historian, Jean discovers a body in a grave that isn't quite dead. What follows is a fight for life at the hands of an unstoppable force of inhuman strength and durability. Get ready for a night of unspeakable horror and destruction as the alien seeks its revenge. *Alien Awake* is the thrilling and suspenseful story of a group of friends facing off against an evil so terrifying, it promises only one thing... death. In order to survive, Jean will have to use all her wit and courage to escape the alien's bloodlust. The clock is ticking... The scene is now set for one of the most entertaining and thrilling science-fiction movies in recent times... *Alien Awake* is the kind of close encounter that will leave movie-goers spellbound by its creativity, nail-biting suspense, and compelling race-against-the-clock narrative.

Summer in Barefoot Bay Jun 22 2019 Fall in love with two feel-good beach romances from a renowned New York Times bestselling author--together for the first time in print! *BAREFOOT IN THE SUN* Ever since her great-aunt Pasha rescued her from a troubled childhood, Zoe Tamarin doesn't dare stay still for fear of exposing her precarious past. But when her aunt's health is at risk, there's only one person who can help--Zoe's childhood sweetheart, Dr. Oliver Bradbury. Oliver came to Barefoot Bay to start over after his divorce, never expecting to reunite with the girl he once loved. But one look is all it takes to rekindle their passion. Can Oliver help Zoe heal lifelong wounds. . . and

keep her from running away with his heart? **BAREFOOT BY THE SEA** Professional gardener Tessa Galloway can grow anything--except what she wants most in the world. She's finally ready to take a chance on single motherhood when a handsome new coworker enters her life . . . and her heart. Forced into the witness protection program, John Brown is desperate to reunite with his children. But first he has to prove he's married and stable. Landing a job as a chef in Barefoot Bay is easy enough. And falling for Tessa is even easier. But will his secret be the thing that uproots their happy ending?

Kaikeyi Feb 29 2020 AN INSTANT NEW YORK TIMES BESTSELLER! "MYTHIC RETELLING AT ITS BEST." —R. F. Kuang, author of *The Poppy War* A stunning debut from a powerful new voice, *Kaikeyi* is the story of the infamous queen from the Indian epic the *Ramayana*. It is a tale of fate, family, courage, and heartbreak—of an extraordinary woman determined to leave her mark in a world where gods and men dictate the shape of things to come. I was born on the full moon under an auspicious constellation, the holiest of positions—much good it did me. So begins *Kaikeyi*'s story. The only daughter of the kingdom of Kekaya, she is raised on tales of the gods: how they churned the vast ocean to obtain the nectar of immortality, how they vanquish evil and ensure the land of Bharat prospers, and how they offer powerful boons to the devout and the wise. Yet she watches as her father unceremoniously banishes her mother, listens as her own worth is reduced to how great a marriage alliance she can secure. And when she calls upon the gods for help, they never seem to hear. Desperate for some measure of independence, she turns to the texts she once read with her mother and discovers a magic that is hers alone. With this power, *Kaikeyi* transforms herself from an overlooked princess into a warrior, diplomat, and most favored queen, determined to carve a better world for herself and the women around her. But as the evil from her childhood stories threatens the cosmic order, the path she has forged clashes with the destiny the gods have chosen for her family. And *Kaikeyi* must decide if resistance is worth the destruction it will wreak—and what legacy she intends to leave behind. PRAISE FOR KAIKEYI: "A powerful, feminist retelling of the epic...Patel resets the balance of power, creating an unforgettable heroine who understands that it isn't necessarily kings or gods who change history." -The Washington Post "Easily earns its place on shelves alongside Madeline Miller's *Circe*." -Publishers Weekly (starred review) "Utterly captivating from start to finish." —Genevieve Gornichec, author of *The Witch's Heart* "Brave, compassionate and powerful." —Tasha Suri, author of *The Jasmine Throne* "A lyrical and evocative retelling, full of power and grace." —Ava Reid, author of *The Wolf and the Woodsman* "Compulsively readable and infinitely compassionate." —Roshani Chokshi, author of *The Gilded Wolves* "A thought-provoking, nuanced new look at one of humanity's most foundational stories." —S. A. Chakraborty, author of *The City of Brass*

Being Dragonborn Sep 29 2022 *The Elder Scrolls V: Skyrim* is one of the bestselling and most influential video games of the past decade. From the return of world-threatening dragons to an ongoing civil war, the province of *Skyrim* is rich with adventure, lore, magic, history, and stunning vistas. Beyond its visual spectacle alone, *Skyrim* is an exemplary gameworld that reproduces out-of-game realities, controversies, and histories for its players. *Being Dragonborn*, then, comes to signify a host of ethical and ideological choices for the player, both inside and outside the gameworld. These essays show how playing *Skyrim*, in many ways, is akin to "playing" 21st century America with its various crises, conflicts, divisions, and inequalities. Topics covered include racial inequality and white supremacy, gender construction and misogyny, the politics of modding, rhetorics of gameplay, and narrative features.

[The Girl, the Gold Watch and Everything](#) Jul 24 2019 To ever-loyal Kirby Winter, multimillionaire Uncle Omar left nothing -- nothing but a gold watch and a sealed letter to be opened in one year. But Kirby is destined to inherit the magical power to freeze time in its tracks. Power like that promises unlimited wealth, wealth that can't buy love, but does make a down payment on a lot of deadly trouble. In a universe without time, can Kirby stay one step ahead?

[The Trayvon Generation](#) Nov 27 2019 From a Pulitzer Prize finalist and New York Times bestselling author and poet comes a galvanizing meditation on the power of art and culture to illuminate

America's unresolved problem with race. *Named a Most Anticipated Title of 2022 by TIME magazine, New York Times, Bustle, and more* In the midst of civil unrest in the summer of 2020 and following the murders of George Floyd, Breonna Taylor, and Ahmaud Arbery, Elizabeth Alexander—one of the great literary voices of our time—turned a mother's eye to her sons' and students' generation and wrote a celebrated and moving reflection on the challenges facing young Black America. Originally published in the New Yorker, the essay incisively and lovingly observed the experiences, attitudes, and cultural expressions of what she referred to as the Trayvon Generation, who even as children could not be shielded from the brutality that has affected the lives of so many Black people. The Trayvon Generation expands the viral essay that spoke so resonantly to the persistence of race as an ongoing issue at the center of the American experience. Alexander looks both to our past and our future with profound insight, brilliant analysis, and mighty heart, interweaving her voice with groundbreaking works of art by some of our most extraordinary artists. At this crucial time in American history when we reckon with who we are as a nation and how we move forward, Alexander's lyrical prose gives us perspective informed by historical understanding, her lifelong devotion to education, and an intimate grasp of the visioning power of art. This breathtaking book is essential reading and an expression of both the tragedies and hopes for the young people of this era that is sure to be embraced by those who are leading the movement for change and anyone rising to meet the moment.

Paths Best Left Untrodden Aug 17 2021 The debut collection from Kev Harrison, author of THE BALANCE, this tome brings together tales of ghosts in the machine, folkloric creatures let loose, abandoned places and dystopian nightmares. Containing thirteen stories - three of which are previously unpublished, with three others never before available in print, take your first tentative step onto the PATHS BEST LEFT UNTRODDEN. Early praise for PATHS BEST LEFT UNTRODDEN: 'Wildly entertaining, deeply unsettling and utterly beguiling. These aren't just stories - they're ghosts, phantoms and revenants - all of which will continue to haunt long after reading.' - Ross Jeffery Bram Stoker Nominated author of JUNIPER and TOME. 'The breadth and depth of imagination showcased here invite comparison with classics like King's Night Shift, as well as more recent releases like Tananarive Due's Ghost Summer. But Harrison, ultimately, dances to the beat of a drum that's all his own.' - TC Parker, author of SALT BLOOD, A PRESS OF FEATHERS and SALVATION SPRING 'Kev Harrison's fiction disturbs and unsettles readers in equal measure. His stories smoulder in your mind, horrific burning embers. Don't take your eyes off this writer, he's getting better and better.' - Dan Howarth, author of DARK MISSIVES

Fiendish Codex II May 02 2020 This supplement for the D&D game presents the definitive treatise on devils and their malefic home. Along with information about the physiology, psychology, society, and schemes of devils themselves, you'll find feats, spells, items and tactics commonly employed by these infernal creatures and those who oppose them.

Creep and Flutter Sep 25 2019 In his fourth stunning nonfiction picture book, the award-winning naturalist, illustrator and author celebrates the beauty and diversity of hundreds of insects and spiders in a sumptuously illustrated work that features eight gatefolds depicting butterflies, beetles, spiders and more.

Minecraft: Wither Without You Volume 2 (Graphic Novel) Mar 31 2020 Jump into the Overworld with part two of the Wither Without You adventure series from the world's best-selling videogame, Minecraft! After saving their mentor from the belly of a wither, twin monster hunters Cahira and Orion turn their sights on solving the mystery of their new friend's hostile mob lure curse. Though the sorcerer's grand mansion and cat-fountain are alluring, there's a secret in her dungeons--mob grinders! And while navigating city life, the twins set off a chain of events which lead to a zombie apocalypse!! Can they save the town and its hapless villagers? Part two of three of the exciting new Minecraft story, Wither Without You!

Protecting the Mind Sep 17 2021 This book offers a comprehensive analysis of philosophical, social, ethical, and legal challenges arising as a consequences of current advances in neurosciences

and neurotechnology. It starts by offering an overview of fundamental concepts such as mental privacy, personal autonomy, mental integrity, and responsibility, among others. In turn, it discusses the influence of possible misuses or uncontrolled uses of neurotechnology on those concepts, and, more in general, on human rights and equality. Then, it makes some original proposals to deal with the main ethical, legal, and social problems associated to the use of neurotechnology, both in medicine and in everyday life, suggesting possible policies to protect privacy, neural data, and intimacy. Crossing the borders between humanities, natural sciences, bio-medicine, and engineering, and taking into account geographical and cultural differences, this book offers a conceptual debate around policy and decision making concerning some of the key neuroethical challenges of our times. It offers a comprehensive guide to the most important issues of neurojustice and neuroprotection, together with a set of new paradigms to face some of the most urgent neuroethical problems of our times. .

The Exonerated Feb 20 2022 THE STORY: Culled from interviews, letters, transcripts, case files and the public record, THE EXONERATED tells the true stories of six wrongfully convicted survivors of death row in their own words. In this ninety-minute intermissionless play, we

The Tragedy of Today's Gays Jun 14 2021 Discusses the current situation of gay men and women in the United States, maintaining that the current conservative agenda and the gay community's own lack of political involvement have eroded their legal rights.
