**The Book of Leviticus** Apr 13 2021 Leviticus used to be the first book that Jewish children studied in the synagogue. In the modern church it tends to be the last part of the Bible that anyone looks at seriously. Because Leviticus is largely concerned with subjects that seem incomprehensible and irrelevant today — rituals for sacrifice and regulations concerning uncleanness — it appears to have nothing to say to twenty-first-century Christians. In this excellent commentary on Leviticus, Gordon Wenham takes with equal seriousness both the plain

original meaning of the text and its abiding theological value. To aid in reconstructing the original meaning of the text, Wenham draws from studies of Old Testament ritual and sacrifice that compare and contrast biblical customs with the practices of other Near Eastern cultures. He also closely examines the work of social anthropologists and expertly utilizes the methods of literary criticism to bring out the biblical author's special interests. In pursuit of his second aim, to illumine the enduring theological value of Leviticus, Wenham discusses at the end of each section how the Old Testament passages relate to the New Testament and to contemporary Christianity. In doing so, he not only shows how

pervasive Levitical ideas are in the New Testament but also highlights in very practical ways the enduring claim of God's call to holiness on the lives of Christians today.

**Day of Atonement** Nov 20 2021 In the blank pages between Malachi and Matthew, the course of an entire nation was changed... His brother, the high priest Honiah, enjoyed the authority of the high priesthood, and all important decisions needed his approval. But it was Jason who was shaping the future of Jerusalem and with it, all Judea. He breathed in again, imagining that he could feel the wave of destiny impelling him forward toward his vision as he exhaled... The Greeks have taken over the world, but Jerusalem is still the same backwater city Jason has always known. He wants to help his hometown rise to a new age of prosperity and influence. If that means stretching the terms of the city's divine covenant, so be it. But how far is he willing to go to achieve Greek greatness for this Jewish city? It will take the willingness of a handful of Jews to die rather than violate the covenant in order to turn the tide back to God. Written by an internationally recognized expert in the period between the Testaments, *Day of Atonement* invites readers into Judea during the tumultuous years leading up to the Maccabean Revolt. It was this pivotal decade that reminded Jews of the centrality of the covenant to their national security and taught them that the covenant was worth dying for. The story is so foundational, it is still told every year at Hanukkah. The lessons learned during this turbulent time also shed light on just what was at stake in the ministry of Jesus, whose radical message seemed to threaten the covenant once again. *Day of Atonement* joins the perennially successful novels *Pontius Pilate* and *The Flames of Rome* by renowned historian Paul Maier on Kregel's premier list of captivating and historically accurate biblical novels.

**The Day of Atonement** Sep 30 2022 "Enthralling . . . [a] sly, rich and swift novel of vengeance and rough justice."—The Seattle Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL Sebastião Raposa is only thirteen when his parents are unjustly imprisoned by the Inquisition, and he is forced to flee Portugal or face the same fate. But a decade in exile only whets his appetite for

vengeance—transforming a once frightened boy into a dangerous man, determined to right unforgivable wrongs with unrelenting fury. Well schooled by his benefactor, bounty hunter Benjamin Weaver, in the use of wits and fists alike, Sebastião returns to Lisbon—in the guise of English businessman Sebastian Foxx—to stalk the ruthless Inquisitor priest Pedro Azinheiro. But in a city ruled by terror and treachery, no enemy can be underestimated, nor any ally trusted. As Foxx is drawn into the struggles of old friends, confronted by new foes, and forced to play a game of deception, he finds himself befriended, betrayed, tempted by desire, and tormented by personal turmoil. And when a twist of fate turns his plans to chaos, he must choose between surrendering to bloodlust or serving the cause of mercy. Praise for *The Day of Atonement* "One of the masters of the historical thriller, Liss is back with yet another highly entertaining novel. . . . [The Day of Atonement] paints a vivid picture of the waning days of the Inquisition, and of the truly evil religious leaders who led it. One of Liss's best books."—Minneapolis Star Tribune "Foxx is reminiscent of Lee Child's Jack Reacher: a man with his own moral code who takes on multiple adversaries simultaneously. . . . Liss has the start of another solidly researched, action-packed historical series here."—Booklist (starred review) "[An] action-packed novel."—The Wall Street Journal "Snappy dialogue and convincing atmosphere . . . The plot moves swiftly to a shattering climax."—The Washington Post "Another intriguing thriller set against historical events for Liss, who has a knack for period detail, breakneck plots and characters we want to root for."—San Antonio Express-News "Fans of [David] Liss know well his mix of dark arts and historical detail."—New York Daily News

**Entering the High Holy Days** Apr 01 2020 The High Holy Days -- Rosh Hashanah and Yom Kippur -- are for many Jews the highlight of the Jewish year. The liturgy for the Days of Awe are the longest and most complex of the year, leaving a large number of attendees without a complete understanding of the occasion's significance. *Entering The High Holy Days* provides historical background and interpretation of the ideas, practices, and liturgy and lends them contemporary relevance to today's Jews. *Cult and Character* Jul 29 2022 Roy Gane critically evaluates Jacob Milgrom's purification-offering theory but ultimately affirms and expands on his seminal insight that theodicy is foundational to the Israelite expiatory system. Gane's conclusions are derived from exegetical study of Hebrew ritual texts and by adapting a systems theory approach to human activity systems.

Echoes of the Most Holy Jun 27 2022 The Day of Atonement was a day of rest, penitence, and purification for Israelites of loyal character. On this day, sins and impurities that had accumulated throughout the year were removed from the tabernacle by the application of sacrificial blood to its altars and compartments and transferred by the high priest's confession onto the goat for Azazel, which carried them to the desert. Israel was thus rendered "clean" before the Lord, ensuring that he would continue to dwell in their midst. As it became ingrained in the veil of Jewish consciousness, the Day of Atonement underwent a process of reflection and reimagination as shown in Second Temple literature, where Azazel plays a significant eschatological role. Arriving in New Testament times, the day's imagery and typology presented irresistible motifs which its authors used to proclaim Jesus Christ's atoning death and heavenly intercession on behalf of believers. By utilizing a coherent intertextual approach, this book explores how John wove the Day of Atonement into the colorful literary tapestry of Revelation.

Who Wrote the Bible? May 15 2021 A much anticipated reissue of *Who Wrote the Bible?*—the contemporary classic the New York Times Book Review called “a thought-provoking [and] perceptive guide” that identifies the individual writers of the Pentateuch and explains what they can teach us about the origins of the Bible. For thousands of years, the prophet Moses was regarded as the sole author of the first five books of the Bible, known as the Pentateuch. According to tradition, Moses was

divinely directed to write down foundational events in the history of the world: the creation of humans, the worldwide flood, the laws as they were handed down at Mt. Sinai, and the cycle of Israel's enslavement and liberation from Egypt. However, these stories—and their frequent discrepancies—provoke questions: why does the first chapter in Genesis say that man and woman were made in God's image, while the second says that woman was made from man's rib? Why does one account of the flood say it lasted forty days, while another records no less than one hundred? And why do some stories reflect the history of southern Judah, while others seem sourced from northern Israel? Originally published in 1987, Richard Friedman's *Who Wrote the Bible?* joins a host of modern scholars who show that the Pentateuch was written by at least four distinct voices—separated by borders, political alliances, and particular moments in history—then connected by brilliant editors. Rather than cast doubt onto the legitimacy of the Bible, Friedman uses these divergent accounts to illuminate a text that was written by real people. Friedman's seminal and bestselling text is a comprehensive and authoritative answer to the question: just who exactly wrote the Bible?

**Sacrifice, Cult, and Atonement in Early Judaism and Christianity** May 03 2020 Critical and creative studies that offer fresh perspectives on ancient ideas and practices The contributions to this volume deal in various ways with the cult at the Jerusalem Temple that epitomized the religious, cultural, and socio-political identity of Judaism for many centuries. Some essays examine ancient constitutive practices and concepts, such as purification rituals, sacrifices, atonement, or sacred authorities at the temple, with the goal of interpreting their meanings for modern readers. Other essays explore alternatives to ancient cultic meaning and practice. Essays critique established traditions, attempt to renegotiate them, or use metaphor and spiritualization to expand the potential of these phenomena to serve as terminological and ideological resources. Thus they examine and affirm the continuing relevance of ancient Jewish cultic notions long after the destruction of the Second

Temple in 70 CE. An international group of scholars representing different fields and diverse religious backgrounds A thorough examination of traditions as through the lens of contemporaneous interpretive traditions such as Jewish prophecy, the Dead Sea Scrolls, and Early Christian literature Examination of topics such as purification, sacrifice, and atonement, and the depiction and development of sacred authority throughout the Bible

The Good News of Daniel 8:14 Nov 28 2019 Seventh-day Adventist authors have maintained a fairly consistent understanding of Daniel's major prophecies, though several significant disagreements have taken place. One well known difficulty, and the theme of this research, has been the Church's interpretation of Daniel 8:14. In light of the current discussions, the purpose of this book is to 1--demonstrate that a clearer understanding of the SDA doctrine of the sanctuary may be obtained by studying the Hebrew rendering nisdaq; 2--reestablish the validity of the LXX translation; 3--highlight Daniel 8:14's close relationship to the rest of the chapter and the typical Day of Atonement; and 4--show the necessity of an investigative judgment.

*The New Day of Atonement* Feb 21 2022 "In this work, Hans M. Moscicke investigates the influence of the Day of Atonement on Matthew's passion narrative. He argues that Matthew portrays Jesus as both goats of the Leviticus 16 ritual in his Barabbas episode (Matt 27:15-26), Roman-abuse scene (Matt 27:27-31), and death-resurrection narrative (Matt 27:50-54)." --back cover

**Narratives in Conflict** Mar 13 2021 Did Jesus die on the cross for our sins as the Gospels describe? Or, as Muslims often contend, was Jesus rescued to heaven in order to avoid the shameful crucifixion that would be unbecoming of a messenger of God? This debate has raged for generations and has caused no shortage of frustration among those seeking to explain the central teaching of the Christian faith to those influenced by the Qur'an. What this book aims to do is uncover four barriers to understanding the biblical teaching on atonement that likely exist in the minds of our Muslim friends prior to asking about the historical reality of the Christ event. What we will discover is that the

Qur'an diverges from the biblical teaching on atonement at the lexical, ritual, narrative, and worldview levels. Each of these points of divergence presents a barrier to communication. Therefore, before arguing with our Muslim friends that Jesus died on the cross, we must provide an answer to the prior question, why would it matter? This book argues that the Letter to the Hebrews provides a particularly helpful biblical starting point for overcoming all four barriers.

**Stories of Calvary** Dec 22 2021 Danny Hodges became the senior pastor of a young church fellowship known as Calvary Chapel in St. Petersburg, Florida, in April of 1984. Three years later when he was introduced to Pastor Chuck Smith and the Calvary Chapel movement, he felt an immediate sense of being at home and was grateful to God for leading him to this network of churches that upheld a simple, biblical philosophy of ministry and well-balanced doctrine. Calvary Chapel St. Petersburg soon became a fellowship of Calvary Chapel Costa Mesa, and since that time God has steadily grown the ministry from a handful of mostly young single adults to a large church full of families. It has been exciting to see God's Spirit bring many to salvation through Jesus Christ, see lives change and mature in the Lord, see relationships bloom and grow, see ministries evolve and prosper, see a hunger for the Word of God and see a passionate desire to win the lost to Jesus. Pastor Danny

and his wife, Wendy, consider it an honor to serve this growing body of believers together with their four children, Tanner, Hayden, Jairus and Audra.

*Who Shall Ascend the Mountain of the Lord?* Jan 11 2021 Reformation 21's 2015 End of Year Review of Books "Who shall ascend the mountain of the LORD?" —Psalm 24:3 In many ways, this is the fundamental question of Old Testament Israel's cult—and, indeed, of life itself. How can creatures made from dust become members of God's household "forever"? The question of ascending God's mountain to his house was likely recited by pilgrims on approaching the temple on Mount Zion during the annual festivals. This entrance liturgy runs as an undercurrent throughout the Pentateuch and is at the heart of its central book, Leviticus. Its dominating concern, as well as that of the rest of the Bible, is the way in which humanity may come to dwell with God. Israel's deepest hope was not merely a liturgical question, but a historical quest. Under the Mosaic covenant, the way opened up by God was through the Levitical cult of the tabernacle and later temple, its priesthood and rituals. The advent of Christ would open up a new and living way into the house of God—indeed, that was the goal of his taking our humanity upon himself, his suffering, his resurrection and ascension. In this stimulating volume in the New Studies in Biblical Theology, Michael Morales explores the narrative context, literary structure and theology of Leviticus. He follows its dramatic movement, examines the tabernacle cult and the Day of Atonement, and tracks the development from Sinai's tabernacle to Zion's temple—and from the earthly to the heavenly Mount Zion in the New Testament. He shows how life with God in the house of God was the original goal of the creation of the cosmos, and became the goal of redemption and the new creation. Addressing key issues in biblical theology, the works comprising New Studies in Biblical Theology are creative attempts to help Christians better understand their Bibles. The NSBT series is edited by D. A. Carson, aiming to simultaneously instruct and to edify, to interact with current scholarship and to point the way ahead.

**The Prophetic Feasts of Israel** Aug 06 2020 In the Hebrew language, the word "feasts" literally means "appointed times." God appointed Seven Feasts for the Hebrew people to celebrate and to remember until the end of time. Through those Seven Feasts, God not only spoke directly of his plan for mankind, but he also gave us some beautiful historical - and

future - pictures of his plan of redemption and provision embedded within the precepts of the ancient Mosaic Law. As we look at each of these Seven Feasts, we should not only be amazed and astonished at God's consistency and perfection in all that he does; but we should also realize that each event prophesied in the Seven Feasts has, thus far, unfolded perfectly and will continue to do so in the time to come. The first Four Feasts were fulfilled in the days of Christ and the Early Church; but the last three await God's perfect timing for their fulfillment in the End Time.

*Seder Avodah for the Day of Atonement by Shelomoh Suleiman Al-Sinjari* Jan 29 2020 Naoya Katsumata presents a critical edition, an English translation, and a detailed commentary of two lengthy Hebrew liturgical poems for the Day of Atonement that were composed by a ninth- or tenth-century Jewish poet who apparently lived in Palestine or its environs, Shelomoh Suleiman Al-Sinjari. This book contains a critical edition, an English translation, and a detailed commentary of two lengthy Hebrew liturgical poems for the Day of Atonement (called Seder Avodah) that were composed by a ninth- or tenth-century Jewish poet who apparently lived in Palestine or its environs, Shelomoh Suleiman Al-Sinjari. The first part of the Seder Avodah narrates the creation of the world and the history of the people of Israel from the perspective of the sins that they have committed, while its second part describes, in detail, the ritual service of a high priest (Aaron and his sons) in the temple on the Day of Atonement.

**Yom Kippur the Day of Atonement** Nov 01 2022 Yom Kippur (Hebrew for the Day of Atonement) is one of the Moadim, one of the Appointed Times of the Lord that, in the Bible, He commanded Israel to keep. It is an "appointment" set by the Lord. When someone makes an appointment, they have a reason. As author Rabbi Jim says, "If someone in my congregation makes an appointment with me, they wouldn't like it if I controlled the whole time and never asked them what they wanted to see me about." God has set the agenda for Yom Kippur, and we need to find out what it all is." To Jewish people, Yom Kippur is the most holy day of the whole year. It is the holiest of the autumn High Holy Days, a very serious, somber, sacred day. In the Bible, Yom Kippur is the day the Cohane HaGadol (High Priest) entered the Most Holy Place, also called

the Holy of Holies, taking the blood of the sacrificed animals and sprinkling it on the Mercy Seat to make atonement for the sins of the people. Also he had to cast lots over two goats, one to be chosen as the scapegoat and the other to be sacrificed. But since 70 AD after the Temple was destroyed, none of that can be done anymore. So how do traditional and Messianic Jewish people observe this day today? And what agenda did God have in mind for this day for these End Times? What power does it hold for your personal walk of faith and for spiritual warfare? You might be surprised.

**The Seven Parties Jewish** Nov 08 2020 The seven annual Feasts of the people of Israel were: Passover, Bread Asmos, Firstfruits, Pentecost, Trumpets, Atonement and Tabernacles (Leviticus 23). There is a huge need for the Church of Christ today, understand the prophetic meanings of the feasts of the Lord, even because they are linked to our redemption. The seven Jewish festivals (the feasts of the Lord) was ordained by God to the people of Israel through his servant Moses described in the Torah (the Bible), specifically in the book of Leviticus chapter 23. "Speak to the children of Israel, and say to them, The solemnities of Lord, whom ye shall summon, they shall be holy summons; these are my solemnities (My parties/My commitments): These are the solemnities of the Lord, the holy

summons, which ye shall call in due time determined . (Leviticus 23:2-4) These parties were a teaching tool for the children of Israel. They typified the coming of the Messiah and his final return for the salvation of the nation. The first four parties, also called festivals of the spring", point to the first coming of the Messiah, which were perfectly fulfilled by the Messiah Jesus (Yeshua) on certain days. Pesach (Passover) points to crucifixion and death of Yeshua (Jesus). (Fulfilled) Matzot (Unleavened Bread) point to the burial of Yeshua (Jesus). (Fulfilled) Habikurim (Firstfruits) point to the Resurrection of Yeshua (Jesus). (Fulfilled) Shavuot (Pentecost) point to the descent of the (Ruach Hakodesh) Holy Spirit on the day of Pentecost. (Fulfilled at his first coming) and the resurrection of the Church at its second coming (very close to being fulfilled) The last three parties, also called parties of the autumn" point to the second coming of the Messiah. The first festival of autumn is Yom Teruah/Rosh Hashanah known as the Feast of Trumpets which prophetically point to the Rapture of the remnant of the Church. (Very close to being fulfilled) Maranatha! Yom Kippur (Day of Atonement) is the day of forgiveness and points for the redemption of Israel during the tribulation period. (still to be fulfilled) Sukkot (Feast of Tabernacles) Point to Return from the Messiah to the earth and the establishment of the millennial Kingdom. (still to be fulfilled) Having the cycle of the first four parties been fully fulfilled by the Messiah (Yeshua) at his first coming, the cycle of the last three parties will also be perfectly fulfilled by the Messiah at his second coming. To fully understand the prophecies of the rapture contained in the Bible, it is important that attend to two points: first, it is important to have understanding the prophetic meaning of the Jewish festivals of the Lord; and second, it is important to know the Jewish idioms of the first century, used by the Messiah and his apostles. OK highlight that both Yeshua (Jesus) and the apostles, they were all Jews, followers of the Torah (Pentateuch) and the Tanach (Old Testament). This book is intended to help the reader understand the prophetic sense of these parties and prepare for the biggest event in human history: the rapture.

Conspiracy, and the Canon

Christ in All the Scriptures Jun 23 2019 Excerpt from Christ in All the  
Scriptures: And Beginning at Moses and All the Prophets He Expounded  
Unto Them in All the Scriptures the Things Concerning Himself On the  
glorious resurrection morning Mary went to seek for Jesus. She sought  
Him in the tomb, but He stood beside her. She thought He was the  
gardener, but the one word "Mary" revealed to her her Saviour. As we  
read some passage in the Old Testament how often our eyes are holden,  
and we see only the earthly form: we see Aaron the priest, or David the  
shepherd, or Solomon the king; but if, like Mary, we are really seeking  
the Lord Jesus, He manifests Himself to us through the outward type,  
and we turn in glad surprise, and, looking up, say, "Rabboni" (lit. my  
great One). As we continue to seek, we find Him in the least expected  
places of the Old Testament, until the whole grows luminous with the  
glory of God in the face of Jesus Christ. "In the volume of the book it is  
written of Me." All the lines of history and type, of Psalm and prophecy,  
converge towards one centre - Jesus Christ, and to one supreme event,

His death on the Cross for our salvation. And from that centre again all  
the lines of history in the book of Acts, of experience in the Epistles, and  
of prophecy in Revelation radiate out once more to testify that the Father  
sent the Son to be the Saviour of the world. After His resurrection our  
Lord not only "opened the Scriptures" to His disciples, but also "opened  
their understanding that they might understand the Scriptures." He is  
ready to do the same for us. About the Publisher Forgotten Books
