Black Reign Saga Jun 09 2021 A small-time thug with big dreams, Black sees crack cocaine as his way out of the Virginia housing projects where he grew up. Along with his cousin Lo, Black works side by side with hustlers and killers. It's not long before they're thrown into situations way beyond their control, and their family bonds are thoroughly tested. Angela grew up in a conservative upper-class neighborhood, so her experience with the streets is almost nonexistent. When she goes away to Hampton University, her beauty and sex appeal bring her plenty of attention, and she gets an education in things she never expected to experience. When Angela and Black cross paths, their lives are turned around once again. This is a love affair that should never happen, but sometimes things are just too good to resist. Author Edd McNair takes readers on a roller-coaster ride. The plot twists and turns, giving readers a look at the hood from the inside like they've never seen it before.

Tangling with the London Tycoon Oct 01 2020 London publishing tycoon Rosco Redmond closely guards his family, his business, and his privacy. When his sister's wedding brings the paparazzi baying at his door, wedding photographer Kitty Mayfair unwittingly becomes his decoy girlfriend. But the mysterious Kitty has secrets of her own. Despite the sexy hint of an appealing Irish brogue, Kitty's new boss is bent on micromanaging his sister's wedding and the crazy fake relationship she's been dragged into. The only thing they seem to have in common, is that neither of them believes in happy-ever-afters. But the more time Kitty spends with the tycoon, the more she begins to suspect there's a lot of fire beneath his cool facade. With the past complicating their present, and the zoom lenses of photographers everywhere they go, the commitment phobic control freak and the globe-trotting free spirit clash and ignite.

Cry of the Rain Bird Aug 19 2019 The golden shores of Trinity Bay might not be the paradise they dream of... Patricia Shaw's Cry of the Rain Bird is an absorbing romantic saga set in the seemingly blissful Trinity Bay, with dark twists along the way. The perfect read for fans of Fleur McDonald and Elizabeth Haran. Englishman Corby Morgan and his young wife Jessie set sail for the golden shores of Trinity Bay, dreaming of an easy life in paradise. But Providence, the sugar plantation that is to be their home, promises danger as well as prosperity. As obstinate Corby drives his Australian manager Mike Devlin to distraction learning to farm the sugar cane, Devlin becomes attracted to gentle Jessie. Jessie meanwhile becomes involved with running the plantation and befriends the Aborigines and labourers, while her coquettish sister Sylvia pursues her own selfish goals. Facing a shocking introduction to plantation life and battling racial conflict and political upheavals, the planters of Providence are unprepared when nature strikes a fearful blow... What readers are saying about Cry of the Rain Bird: 'Gripped from the very first page' 'Rich in historical detail and provides understanding and insight into the culture of the land's original inhabitants' 'A fascinating, first class read'

Trinity Aug 23 2022 "There are too many secrets." Until now Trinity had never used magic. He lives in exile, ousted on the night of his birth to a remote priory to be raised with all the feminine grace of a princess, isolated and ignorant of his true heritage. Then one day, summoned from banishment by his usurping and murderous cousin, he finds he suddenly, and quite naturally, is able to do things ... magical things. Having been secretly trained by one of his father's guards, Trinity is ready to take back his kingdom. But can he maintain his duplicity long enough to unite the fearful realms in victory over evil? Can their leaders let go of a past, tainted by secrets and suspicions, and join together with Trinity to empower his prophesied destiny? If only Trinity can trust himself enough to survive the challenges ahead... Trinity is a hopeful fantasy novel suffused in magic yet dappled with unexpected elements of science fiction.

Unholy Trinity Feb 17 2022 Who really runs the global economy? Who benefits most from it? The answer is a triad of 'governance institutions' - The IMF, the World Bank and the WTO. Globalization massively increased the power of these institutions and they drastically affected the livelihoods of peoples across the world. Yet they operate undemocratically and aggressively promote a particular kind of neoliberal capitalism. Under the 'Washington Consensus' they proposed, poverty was to be ended by increasing inequality. This new edition of Unholy Trinity, completely updated and revised, argues that neoliberal global capitalism has now entered a period of crisis so severe that governance will become impossible. Huge incomes for a small number of super-rich people produced an unstable global economy, rife with speculation and structurally prone to crises. The IMF is in disgrace, the WTO can hardly meet anymore and the World Bank survives as a global philanthropist. Is this the end for the Unholy Trinity?

The MacNaughtan Saga Jan 04 2021

The House of Royals Saga Sep 24 2022 For the first time, enjoy the HOUSE OF ROYALS saga in one combined volume. This edition includes all five novels: House of Royals House of Pawns House of Kings House of Judges House of Ravens When the sun goes down, proving loyalty means far more than blood. Every town has its history and skeletons, but Silent Bend, Mississippi's are darker than most. Ruled from the shadows by the House—the immortal Born and their aging, enslaved Bitten—everyone knows not to go out after dark and that the police will never look into crimes involving blood. Alivia Ryan didn't know the man who claims to be her father through a will even existed until she inherits the Conrath plantation. Instead of the sleepy house she expects, she finds a mansion and a staff who look at her with fear in their eyes. Ian Ward tried to kill Alivia the first time they met, and then insisted he train her to defend herself against the House, who he claims will try to manipulate and take her in for their own

political reasons. And the growing attraction between them will threaten their lives—Ian is a sworn enemy of the House. In Silent Bend, people disappear, the threat of a demented King and the legend of his resurrecting Queen hang over everyone's heads, and proving loyalty means far more than blood. You'd better watch who you trust in this town... The House of Royals Saga is a totally new take on vampire paranormal romance with a brave and cunning heroine, a smoldering, brooding hero, and a twist that will drop your jaw to the floor. Perfect for fans of Bella Forrest, I.T. Lucas, Stephanie Meyer, Eva Chase, Jaymin Eve, and K.F. Breene.

Faith: Ascension Saga: Books 4, 5, 6 (Volume 2) Sep 12 2021 Faith Jones is an Earth girl...and she's not. She's half Aleran. And not just any half - a royal half. Her mother is the queen, her sister is the heir, and her twin is determined to kill every alien on the planet if that's what it takes to find their kidnapped mother. Faith's job? Infiltrate the Jax household and spy on one of the most powerful families on the planet. There is a traitor in that house, and Faith is determined to find him, no matter the cost. Thordis Jax always gets what he wants. He's rich. He's gorgeous. He's the heir to one of the most powerful families on the planet. But when his body comes alive at the sight of Faith Jones, it will take every ounce of seduction and skill he possesses to get into her bed—and to earn her trust. Faith thinks she's got it all under control, until she meets Lord Jax's oldest son, Thordis. He's sexy. He's hot as hell. And the first time he sees her, he tells her the one thing she absolutely does not want to hear...Mine! A real Romeo and Juliet scenario. Which just stinks. Because as Faith discovers, it's tough to hunt down a traitor when the only thing her heart wants is to give everything to an enemy. The Architect of Kokoda Oct 21 2019 In my humble opinion, Bert Kienzle did more than any other single man to make Australian victory possible.' Peter FitzSimons, author of Kokoda In 1942, when the Japanese had invaded Papua New Guinea and the Australian soldiers sent to hold them back thought victory was impossible, one man, Bert Kienzle, changed the course of history. This charismatic man, well known in Papua for having run gold mines and plantations there, was charged with the seemingly impossible task of establishing a trail across the forbidding Owen Stanley Range in just a few short months. Out of jungle and mud, Kienzle carved a working transport route that his handpicked teams of native bearers, the now famous Fuzzy Wuzzy Angels, would work on alongside the Australian troops ensuring that the men got the food, munitions and medical support they needed. The feats that these men performed were heroic, and their endurance as they transported supplies along the Trail unparalleled. Bert Kienzle lived an amazing life and the transport route he established - the legendary Kokoda Trail - made Australia's victory possible. This is his story.

Seduced by Twilight Sep 19 2019 Stephenie Meyer's Twilight saga has maintained a tight grip on the contemporary cultural imagination. This timely and critical work examines how the Twilight series offers addictively appealing messages about love, romance, sex, beauty and body image, and how these charged themes interact with cultural issues regarding race, class, gender and sexuality. Through a careful analysis of the texts, the fandom and the current socio-historical climate, this work argues that the success of the Twilight series stems chiefly from Meyer's negotiation of cultural mores.

[American Monsters](#) Dec 23 2019 From pre-Columbian legends to modern-day eyewitness accounts, this comprehensive guide covers the history, sightings and lore surrounding the most mysterious monsters in America—including Bigfoot, the Jersey Devil, and more. Bigfoot, the chupacabra, and thunderbirds aren't just figments of our overactive imaginations—according to thousands of eyewitnesses, they exist, in every corner of the United States. Throughout America's history, shocked onlookers have seen unbelievable creatures of every stripe—from sea serpents to apelike beings, giant bats to monkeymen—in every region. Author, investigator, and creature expert Linda S. Godfrey brings the same fearless reporting she lent to Real Wolfmen to this essential guide, using historical record, present-day news reports, and eyewitness interviews to examine this hidden menagerie of America's homegrown beasts.

A Ranching Saga Mar 06 2021 A Ranching Saga tells the story of father and son pioneer ranchers in the Southwest. Around the turn of the century, William Electious Halsell and Ewing Halsell were integral to the growing ranching industry in Texas and Oklahoma. Through newspaper accounts, legal documents, personal correspondence, and interviews with family members, friends, and acquaintances, A Ranching Saga recounts the lives of these two keen businessmen, proud civic leaders, and philanthropists. What is revealed is a legacy of hard work, moral character, and compassion, as well as a close relationship with the land. Texas historian William Curry Holden sifts through correspondence, reports and statistics, and extensive research to tell of three generations of the Halsell family, from their arrival in Texas in 1854 to the mid-twentieth century. Holden enriches the family narrative with personal accounts of the places, geology, flora, fauna, weather, economics, and history of the region. He interviewed more than 150 people to understand the characters and personalities of the two men whose cultural influence on Texas and the Southwest region spans more than a century. Illustrated with nearly two dozen drawings by José Cisneros, A Ranching Saga is the biography of family whose destiny was realized in the cattle they nurtured, the land they loved, and the people they encouraged along the way.

Trinity Apr 07 2021 From the acclaimed author who enthralled the world with *Exodus*, *Battle Cry*, *QB VII*, *Topaz*, and other beloved classics of twentieth-century fiction comes a sweeping and powerful epic adventure that captures the "terrible beauty" of Ireland during its long and bloody struggle for freedom. It is the electrifying story of an idealistic young Catholic rebel and the valiant and beautiful Protestant girl who defied her heritage to join his cause. It is a tale of love and danger, of triumph at an unthinkable cost -- a magnificent portrait of a people divided by class, faith, and prejudice -- an unforgettable saga of the fires that devastated a majestic land . . . and the unquenchable flames that burn in the human heart.

The Triadine Saga Box Set 1 Jul 22 2022 The Triadine Saga Box Set 1 is the first box set of the epic fantasy series, *The Triadine Saga*, and brings you the first three books in the series. *Prophecy's Queen* *The Watcher's Keep* *The Dragon Rises* Starting with *Prophecy's Queen*, I'll introduce you to Rozlynn, the Elven Princess who does everything she can to make sure that the The Prophecy is headed down the right path. You will meet a number of key characters from *The Watcher's Keep* and *The Dragon Rises*, and discover what The Prophecy is all about, and how it impacts the lives of the main characters in the Saga. In *The Watcher's Keep*, Book 1 of *The Triadine Saga*, we follow The Children of The Prophecy as they begin their adventure, shortly after the twin's sixteenth birthday. We also find out more about the Dark Wizard Kollaran, his growing army, the current strength and positions of the Dwarves, Elves and Human Kingdoms, and how they are all bound together by The Prophecy in a common need. In *The Dragon Rises*, Book 2 of *The Triadine Saga*, the twins continue on their adventure, as alliances are formed and broken, evil grows stronger and more diversified, and the portents of The Prophecy appear to be driving toward the potential end of the world. Join Peter, Alexandra, and all your favorite characters in this epic and grand fantasy adventure, as we wait for the release of *A Kingdom Fallen*, later in 2015.

Trinity Aug 11 2021 'Everything about this story is astounding' Bryan Appleyard, Sunday Times "Trinity" was the codename for the test explosion of the atomic bomb in New Mexico on 16 July 1945. Trinity is now also the extraordinary story of the bomb's metaphorical father, Rudolf Peierls; his intellectual son, the atomic spy, Klaus Fuchs, and the ghosts of the security services in Britain, the USA and USSR. Against the background of pre-war Nazi Germany, the Second World War and the following Cold War, the book traces how Peierls brought Fuchs into his family and his laboratory, only to be betrayed. It describes in unprecedented detail how Fuchs became a spy, his motivations and the information he passed to his Soviet contacts, both in the UK and after he went with Peierls to join the Manhattan Project at Los Alamos in 1944. Frank Close is himself a distinguished nuclear physicist: uniquely, the book explains the science as well as the spying. Fuchs returned to Britain in August 1946 still undetected and became central to the UK's independent effort to develop nuclear weapons. Close describes the febrile atmosphere at Harwell, the nuclear physics laboratory near Oxford, where many of the key players were quartered, and the charged relationships which developed there. He uncovers fresh evidence about the role of the crucial VENONA signals decryptations, and shows how, despite mistakes made by both MI5 and the FBI, the net gradually closed around Fuchs, building an intolerable pressure which finally cracked him. The Soviet Union exploded its first nuclear device in August 1949, far earlier than the US or UK expected. In 1951, the US Congressional Committee on Atomic Espionage concluded, 'Fuchs alone has influenced the safety of more people and accomplished greater damage than any other spy not only in the history of the United States, but in the history of nations'. This book is the most comprehensive account yet published of these events, and of the tragic figure at their centre.

Ascension Saga: 9 Jan 16 2022 Destiny is doing everything she can to find her mother and stop the evil traitors from taking over her planet. Ascension Saga: 7 May 20 2022 Destiny Jones is a princess with a bad attitude. She doesn't play nice with others, she doesn't dress up in pretty clothes, and she has absolutely zero interest in behaving like a lady. Especially when she's so close to catching the people who tried to have her killed. Oh, and kidnapped her mother, queen of the planet Alera. Destiny's sex-starved body, and it's annoying Aleran Ardor, might kill her if her enemies don't find her first. But she's not afraid to suffer, or risk her life to protect those she loves, but she's terrified of risking her heart. Vennix was trained to hunt and to kill from the shadows. After years of serving in the Hive wars as an elite member of the Coalition's Shadow Unit, he returned home to fight for the one thing he believes in, honor. Dedicating his life to the queen's guard was an easy decision—but watching the most beautiful woman he's ever met repeatedly risk her life is about to drive him mad. Because Destiny is his. His body awakened for her. And if his new mate thinks Nix will stand idly by as she suffers without his skillful lover's touch, she is very, very mistaken... Embracing Survival Nov 21 2019 *Embracing Survival*, a memoir by Dydine Umunyana, tells the story of the Rwandan Genocide against the Tutsis at the hands of the Hutu perpetrators in Rwanda (1994) through the eyes of the four-year-old-child that she was when the horrific massacre occurred. Separated from her family, she barely survived the conflict. While the physical killing finally stopped, the mental and emotional 'killing' continued, affecting her and her family. She writes that "I have learned that we cannot do for others what we cannot do for ourselves. By nourishing the light

within ourselves, we find strength we never knew was there....I came to realize that one's own life experiences are not theirs to keep but ours to teach."

Dance with the Devil Jan 24 2020 You've heard Doc Holliday's history, but do you know his story? Dance with the Devil is the story of a how a gentleman becomes an outlaw, how an outlaw becomes a lawman, and how a Southern son named John Henry becomes a legend called Doc Holliday. The year is 1873, and the West is wild. Jesse James and his gang are robbing trains, the Sioux Indians are on the warpath, and Dr. John Henry Holliday arrives in Texas as a young man with a troubled past hoping to regain his place as a Southern gentleman and win back the love of the girl he left behind. But his life in the West doesn't turn out the way he's planned, and soon he's in trouble with the law and facing a terrifying truth as desperation drives him toward the frontier and leads to deadly action. And as the story races from the gambling halls of Dallas to the saloons of Dodge City and the dangers of the Santa Fe Trail, John Henry finds a new love affair and a new hero to follow—and an old enemy eager for a reckoning. Dance with the Devil is the second book in the award-winning Saga of Doc Holliday, an epic American tale of heroes and villains, dreams lost and found, families broken and reconciled, of sin and recompense and the redeeming power of love.

Parabolas of Science Fiction Feb 05 2021 As a geometric term, parabola suggests a narrative trajectory or story arc. In science fiction, parabolas take us from the known to the unknown. More concrete than themes, more complex than motifs, parabolas are combinations of meaningful setting, character, and action that lend themselves to endless redefinition and jazzlike improvisation. The fourteen original essays in this collection explore how the field of science fiction has developed as a complex of repetitions, influences, arguments, and broad conversations. This particular feature of the genre has been the source of much critical commentary, most notably through growing interest in the "sf megatext," a continually expanding archive of shared images, situations, plots, characters, settings, and themes found in science fiction across media. Contributors include Jane Donawerth, Terry Dowling, L. Timmel Duchamp, Rachel Haywood Ferreira, Pawel Frelik, David M. Higgins, Amy J. Ransom, John Rieder, Nicholas Ruddick, Graham Sleight, Gary K. Wolfe, and Lisa Yaszek.

A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. Normal People is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for Normal People "[A] novel that demands to be read compulsively, in one sitting."—The Washington Post "Arguably the buzziest novel of the season, Sally Rooney's elegant sophomore effort . . . is a worthy successor to Conversations with Friends. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance."—The Wall Street Journal "[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I've read."—The New Yorker

Destiny: Ascension Saga: Books 7, 8 & 9 Apr 19 2022 Destiny Jones is a princess with a bad attitude. She doesn't play nice with others, she doesn't dress up in pretty clothes, and she has absolutely zero interest in behaving like a lady. Especially when she's so close to catching the people who tried to have her killed. Oh, and kidnapped her mother, queen of the planet Alera. Destiny's sex-starved body, and it's annoying Aleran Ardor, might kill her if her enemies don't find her first. Vennix was trained to hunt and to kill from the shadows. After years of serving in the Hive wars as an elite member of the Coalition's Shadow Unit, he returned home to fight for the one thing he believes in, honor. Dedicating his life to the queen's guard was an easy decision—but watching the most beautiful woman he's ever met repeatedly risk her life is about to drive him mad. Because Destiny is his. His body awakened for her. And if his new mate thinks Nix will stand idly by as she suffers without his skillful lover's touch, she is very, very mistaken... Ardor or not, she's hunting a killer. Nix is going all protective, alpha male, claiming she's his mate just because she had a few mind-blowing moments in his bed. And she's trapped deep undercover in the most dangerous place on the planet. If anyone discovers the truth, she'll be dead. But if she gives up now, her mother will be lost forever. Every time they get close, their enemy slips through their fingers like a thousand grains of sand. The hunt is on. The end is near. And if Nix dies protecting her, she'll never forgive herself. The Legend of Dragon Quest Apr 26 2020 Discover all the secrets and mechanics of the famous Japanese video game Dragon Quest ! This book looks back at the entire Dragon Quest saga, tells the story of the series' birth, retraces its history and deciphers its mechanics. In this book, the author shares us all his expertise and his passion in Japanese gaming to decipher the creation and the story of this saga and his creator, Yuji Horii. EXTRAIT Even with only limited knowledge of Japanese and somewhat difficult technical conditions, the story was very well told. This was perhaps what surprised players most. Dragon Quest V is a large family cycle of emotions, as transparent as an epic tale by Alexandre Dumas, the author of famous works such as The Three Musketeers. In the end, I was lucky that my first taste of the series was this excellent episode, since VI was far more extravagant, with its tales of parallel universes and heroes traveling on flying beds. A slightly puzzling game, but not without levity nor offbeat humor. One of the most emotional moments of Dragon Quest V is when we end up going back in time to change the past, thus saving the future. The time travel theme has been so often used in science fiction, particularly during the 1980s, that it should have left me impassive. It was not even the first time I had experienced it in a video game. But this adventure, with its simple graphics and persistent melodies, glanced lightly upon feelings that leave no one unmoved. "What would I have done differently if I could have changed things" is a very common concept used in fiction, from A Distant Neighborhood by Jirô Taniguchi to the Quantum Leap series. Well-told, it is so simple and so effective that it affects each and every one of us. CE QU'EN PENSE LA CRITIQUE Un libre passionnant que j'ai dévoré au point de rogner sur mes heures de sommeil. Ici, l'auteur ne nous bassine pas avec des tartines de textes pour nous conter avec détails l'histoire de chaque épisode, les ventes incommensurables de la série ou encore un

almanach des jeux estampillés DraQue. - Kaisermeister, Sens Critique Un livre plein d'anecdotes qui feront vibrer votre corde nostalgique et qui donne envie, une fois terminé, de replonger dans l'aventure. - neotsubasa, Sens Critique C'est une biographie très détaillée, riche en anecdotes et bien romancée, Yuji Horii est un personnage fascinant au CV bien rempli et la genèse de la saga est tout aussi passionnante à tel point que j'ai parfois eu du mal à décrocher. - Nixotane, Sens Critique À PROPOS DE L'AUTEUR Daniel Andreyev is an author and journalist of Russian origin. His career in video game journalism began twenty years ago, during the golden years of video gaming, with Player One, Consoles + and Animeland, with a particular interest in Japan. Having spent some time on translation, he is now part of the New Games Journalism movement, which places the player at the heart of the video game experience. He produces the After Hate and Super Ciné Battle podcasts. He also trades memories with his friends in Gaijin Dash, the Gamekult show on Japanese video games. He is a fan of far too many things to list them all here. But when he is not writing, not watching a movie, not reading comics and graphic novels, not climbing mountains or exploring ruined buildings, he might be cooking, exercising or dreaming of one day owning a dog.

The Truer Trinity May 08 2021 "This was the truer source of Evelyn's tears, that she couldn't communicate with the dead. Been there, done that, she thought of human history. And wouldn't you know it, contact, a second sun, a new world for humanity to live upon, none of that stopped history. Maybe time, for a moment, was stopped. The destruction of god and the devil both, the vanquishing of Seryxim, the loss of these two heroines for all time, the greatest beings who had ever lived." (From the book.) A decade after their momentous and cosmic victory, the heroes find themselves suffering from a collective mid-life crisis whose source may be equally cosmic. With one world leader seemingly suicidal and another about to step down, Kristen, Mike, Evie, Mary, and the entire rest of the legendary community are once again called forth into the newly dual void of transliminal space and time. Events soon overtake them, from a coup on the pioneer human world, a civil war in Tudor England and the threat of one on that felid, as well as the wider yet mysterious calling of those chosen to sacrifice themselves in an ultimate gambit. Who is to go? When and why them? But the truer conflict lies within, as Keeley must confront her predestined fate, Maevery and her new life-love Lynn must confront their dark world of origin, and Kristen herself must not only repay Kylie a debt but also a much larger one owed to her own predecessor. In a series of bizarre yet transcendent maneuvers, felid mates Smiley and Astridyx along with their human kin Smithers discover a way to enjoin the greatest possible reunion. The shocking idea that the sisters of fate could be brought back, at once seems like both the ultimate solution and the ultimate mistake. "In a classic follow-up novel, Loewen's now venerable pantheon are required to make one more tremendous effort to ensure not only the future of the galaxy, but possibly that of the entire universe as they know it to be. The flights of imagination needed to even begin to do either, take the heroes on their most visionary and dangerous journey yet. With the ethics of their actions often thrown aside, each of the saga's principles must make choices that none of them would desire. The outcomes of these actions are at once horrifying and edifying, as the most celebrated and yet dreaded figures return in altered forms to face their own final fates. In doing so, none of their former friends remains untouched." - Lynn Eddy, VP of Acquisitions, Strategic Book Publishing and Rights Company
