Power of the Witch Aug 17 2021 The earth, the moon, and the magical path to enlightenment. Written by a practicing witch who conducts classes and seminars on witchcraft—the oldest Western religion, a means of power and enlightenment, and a healing art. “Laurie Cabot has written a fascinating account of a beautiful and sadly misunderstood religion, witchcraft. She has with her life and work done a great deal to legitimize this ancient pagan form of worship. I am among the ecumenical Christians who have discovered the truth about witchcraft, that it is neither demonic nor evil. Power of the Witch is a marvelous introduction to the magical and highly ethical world of wicca.” Whitley Strieber

The Book of Shadows Oct 07 2020 Merry Meet! I've compiled this Book of Shadows from a collection of spells I have been using since I started down my path. This book contains a wide array of love spells and a section on Futhark Runes and how they can be used in spell casting and crafting. I've collected these spells from several different sources, mostly from witches I have met while learning about the craft. I've tweaked a few of these spells to fit my needs from time to time and you can do the same as the words aren't what give the spells power, your energy and intention is what really matters, so feel free to do the same and change what you want to suit your own needs. I've included a lengthy section on The Futhark Runes and their meaning so that you can learn about these ancient symbols of power granted to Odin by the Norns. With this knowledge you can incorporate the runes into your own rituals or even engrave them into objects to make your own powerful magickal artifacts. The craft of Magic is a constant fluctuating living thing and our ancestors have borrowed, changed, and made from scratch what we practice today. I hope this book helps you grow as a person and a spell crafter. -Brittany Nightshade

Love Spell Nov 07 2020 You can call it Hocus Pocus, you can call it Magic, but when the sorcery of ages past calls forth a spell woven through the sisterhood, it is difficult for the forces of nature to ignore. That spell will be granted. A spell of black magic had been cast. The call came unexpectedly, but at the necessary time. Our sorceress, her great psychic ability challenged, called up a spell for the sake of love...a Love Spell, perchance. That particular night, the words were woven, the die was cast. The witch chanted...carefully, the words she had conjured up. This was important...someone was in need. The spell of love rose up over the skyscrapers. The sultry glowing red mist was seen for hundreds of miles away. Weaving in and around the tall buildings it lent to the fun and mystery of the city. Some people looked at it as something odd, but in a city like this nothing was beyond the norm. Magic was everywhere. One might have thought someone was filming. The networks were always captivating their audiences. It was just another ordinary day in the "Big Apple." If one thought it to be unusual, it was never reported. Pilots did comment on the strange red glow. Captains in the harbor guided their ships through the mist. Only Miss Liberty noticed the workings of a sister, a witch, but then, of course, she had nothing to say. Susanna and Jayden swam there in the water off the coast of Brittany, France. They made love there in the crested waves. He held her...he kissed her...but most of all he loved her. His touch as always set her on fire. Her blood began to boil...bubble bubble...oh, what trouble? He guided her hands down. And then she touched his source...his magnificent power. They held each other...clung to each other. This was their great love. And then she found herself back in the castle...Croix's castle. She was trying to escape...somehow her magic did not work anymore. She was in love! That love was her downfall. She could not conjure up any more magic. She was captivated...under his spell. His eyes were dark and diabolic. They flashed with the very fire from the depths of Hell. He looked at her and just his glance burned a hole through her flesh and into her soul. He was her master. His hand tightened and they surged forward. There was no escape. He had fought, even killed for her. He had sought out the dark side. She was his...she had always been his. She would never belong to anyone else, be they man or devil. All the hatred, locked away for two hundred years, had been loosed by his sword. His brother, his mirror image, had been sent to Purgatory. He would burn there forever but never be consumed. Her hand trembled, and she seemed to falter. He grabbed her...this was no time for innocence. Their destiny lay up those stairs...in the Bridal Chamber. And she would, most certainly, without any doubt, be his bride! But then, again, exactly whose bride would she be?

Love Magic and Control in Premodern Iberian Literature Jun 26 2022 This book explores the complexity of Iberian identity and multicultural/multi-religious interactions in the Peninsula through the lens of spells, talismans, and imaginative fiction in medieval and early modern Iberia. Focusing particularly on love magic—which manipulates objects, celestial spheres, and demonic conjurings to facilitate sexual encounters—Menaldi examines how practitioners and victims of such magic as represented in major works produced in Castile. Magic, and love magic in particular, is an exchange of knowledge, a claim to power and a deviation from or subversion of the licit practices permitted by authoritative decrees. As such, magic serves as a metaphorical tool for understanding the complex relationships of the Christian with the non-Christian. In seeking to understand and incorporate hidden secrets that presumably reveal how one can manipulate their environment, occult knowledge became one of the funnels through which cultures and practices mixed and adapted throughout the centuries.

The first book on wanga (love magic) by an actual Vodou initiate. Provides spells and spirit work for many different problems associated with affairs of the heart. Spells included are detailed and easy to follow. Haitian Vodou, like other folk traditions, is an eminently practical craft. Vodou practitioners see their relationship with the lwa--the spirits honored in Haitian Vodou--as mutually beneficial rather than one-sided. In return for sincere offerings, the lwa are happy to provide protection and support in dealing with life's problems--which more often than not concern love. In **Vodou Love Magic**, Kenaz Filan details the myriad aspects of love and sex governed by the different lwa and explains what services each can provide in attaining fulfilling relationships--and who will likely offer the best wisdom for your needs. If you are having trouble meeting people, Legba's Opening the Door spell can resolve this difficulty. If you wish more fire in a relationship, then you should work with the warrior spirit Papa Ogou. Filan presents easy-to-follow instructions for numerous love spells and also reveals how the lwa offer counsel for dealing with ending relationships, toxic behavior patterns like codependency, or romantic triangles. **Vodou Love Magic** does not provide a magic genie who will fulfill every wish, but it does offer access to a team of spirits who can help transform dreams into realities.

A Dangerous Wisdom Aug 24 2019 A Gay male witch takes a good look at the occult aspects of what makes Gay dating so difficult. All dating is hard, but Gay dating seems to be especially problematic. Like women, Gay men suffer from the fairy tale curse. Unlike women, who only have to play the part of Cinderella, Gay men have to navigate between the roles of both Cinderella and Prince Charming. Cinderella, must focus on pleasing others (even at the expense of her sense of self). The Prince, on the other hand, is raised from birth to believe he is god's gift and that his suitor(s) should be thrilled that he showed up with the glass slipper in hand. This creates a truly cursed situation. Casey Giovinco, the author of Garbed In Green, tackles that very issue in this second book within his Gay Witchcraft & The Male Mystery Series. With the training of an academic philosopher, Casey analyzes the social and political situation that Gay men find themselves in when they embark on the perilous journey of dating each other. Once he identifies the problem as "the desire for Prince Charming," he applies occult wisdom to help his reader identify the part of their own desires that are fueling "the Gay dating curse" within their own love lives, and then, like a fairy godmother sent to rescue us from our lives of drudgery, he helps us cast our spells and work our own witchcraft to

overcome the obstacles, which have held us back from finding happiness with each other. If you're a Gay male witch who wants to read a book on witchcraft that is written specifically for you or you want to cast spells that you don't have to translate from the heteronormative language we are all so mired in these days, this book is for you. If you are tired of the drama of Gay dating, this is the book for you. If you just want a good read, this book is for you.

Kaldera includes an extensive compendium of modern magical remedies to counteract negative astrological influences and shows how to use planetary energy to aid Pagan worship and green magic practice through spell casting, love magic, and shamanic stargazing.
